

AUTHOR STATEMENT

I. PUBLICATION ETHICS STATEMENT

The undersigned:

Name : *<full name of corresponding author>*
Institution : *<name of affiliated institution>*
Address : *<full institutional address>*
Email : *<email address>*
Phone : *<mobile phone number>*

acting on behalf of all author(s) of the scientific work identified below:

Article Title : *<full title of the article>*
All Authors : *<names of ALL authors, in order>*

hereby declare that:

1. The above-mentioned scientific work is original, free from plagiarism, duplication, and fabrication, and does not infringe the copyright of any party.
2. This scientific work has not been previously published in any other scientific journal or publication, and is not currently under review at any other journal or publication.
3. The content of this scientific work is accountable in terms of academic integrity, research ethics, and applicable law, and adheres to the established guidelines for scientific writing.
4. All listed authors have made substantial contributions to this research and have approved the final content and the submission of this article for publication.
5. Should any violation of the code of ethics be found in the above-mentioned scientific work in the future, I agree to grant IJIS Journal the right to cancel or withdraw the article. I fully accept responsibility for any material or non-material losses and legal proceedings resulting from such violations, without involving IJIS Journal.

This statement is made consciously and without coercion from any party, and shall be used for its intended purpose.
