If posting art you commission me for, you must credit me via FA name.
2. Deadlines: If you request a deadline it is based on the type of art piece you purchase. If you commission me for a large and highly detailed art piece, give a deadline that is 1 month or more out. Rushing is not in my vocabulary and will like to give the highest quality art I can give. Badges, icons, at least 3 days or more and refs 1 week or more.
3. Refunds: If there is any reason for a refund, the amount of refund depends on how close to finishing the drawing is, no refunds are possible after the drawings is finished.
4. Payment: **I DO NOT** send any pictures until i receive payment for my services. Payment is done through Paypal. No checks or any other service. Cash is fine if it's a local transaction via con or meet. **DO NOT ATTEMPT TO MAIL ME CASH!**
5. Edits: I only do edits upon request. **KEEP IN MIND** you only get 2 change to your commission! If you want additional changes I will start to charge you per change,. I will keep you up to date when each step is done, sketch, ink, color shade (if it's full color) **DO NOT** come at me about changing the style of commission with it over 50% done. I am a toon artist. It is going to be default that I draw in my toony style. I am able to do other styles. If you want a different style **LET ME KNOW BEFORE COMMISSIONING.** I can't read minds. If it so happens that you do not like the style and I am over 50% done with said commission I can only recharge you for a new one.
6. ADDITIONAL INFORMATION: I may decline any commission if I'm not comfortable or ok with the content. I do not take lightly to any constant messages of "is it ready". I'm ok with every now and then but if it is a constant routine I will send you the unfinished piece and refund the remaining amount. Art takes time. I am ok in changing art styles however, DO NOT try to make me draw in the styles of other artists. Every person has their own style and I will not disrespect that. My style ranges from Toony to Semi toony (realistic aspects). I am currently working to draw more realism. If you request any realism commissions there will be an additional fee.
AGAIN you are allowed 2 changes to your art piece, that is it. I cannot stress this enough. If you want more changes there will be a fee due to the extra work I will have to put in so **PLEASE** be detailed in what you want. Do not ask me to change major aspects of the art piece when it is 50% done. If you are persistent on major changes to your art piece and become unprofessional during discussion, you will be given the unfinished commission and refunded the remaining amount of your commission!
7. LEGAL: **I WILL NOT** commission any NSFW of any kind if you are under 18. If I feel you are not of age to commission these types of pieces I will ask for identification.

ART TRADES are more than welcome! Keep in mind paid commissions are PRIORITY I will get to your trade in due time just please be patient :)!
