DOB: 08/30/2000

Info: "YARN" was born and raised in Ohio with his sibling Ozzy Parker by their parents Troy Parker and Pvelyn Parker in a small house in a large subdivision. "YARN" was often found playing war with his sibling they would talk about how they were going to be soldiers one day and that they would protect each other. When eighteen "YARN" was shipped off to basic training where he was pushed harder than he ever was it was worse than he thought but he was able to pull through physically fine but mentally he was not well soon he was in [REDACTED] and ready to fight.

"YARN" was sent on patrol with his team "Runner", "Sneak" and "Rush" now known as "Pusher squad". The squad soon had eyes on an enemy FOB with armed personnel inside and out "Sneak" tried to suggest moving in for a closer look but the rest of the squad denied the idea, "Sneak" seemed annoyed. The squad continued to scout before realizing "Sneak" has disappeared, the squad starts to panic and look around for "Sneak"

They see him sneaking up to the base, the squad sees an enemy contact get behind "Sneak" and hit him in the head knocking him out, the squad runs to save "Sneak" but the base alarms start blaring. The entire squad is surrounded and detained, the squad is split up and put into separate cells. A loud crash is heard through the base "YARN" can hear people yelling orders at the armed men and gunshots can be heard. An American soldier runs to "YARN" picking him up over his shoulder and taking him to safety, soon "YARN" wakes up in a medical bed with the yarn cut from his face and four bodies on the ground they look like doctors but "YARN" sees something else red yarn everywhere even locking the door, he grabs a scalpel and cuts the yarn from his mouth, the rest of the yarn goes limp and unlocks the door. Unknown soldiers breach into the room and restrain "YARN" and bring him out of the hospital and put him in a helicopter, "YARN" sees a patch on one of the soldiers and
