

Alimentos 21 - Privacy policy

This privacy policy governs your use of the software application Alimentos Z2 for Android mobile devices that was created by Bangra.

What information we collect?

Application does not collect personal information like name, surname, age, date of birth, etc. We use Google supplied APP performance tracking information to improve Application. This application only helps to upload delivery witnesses.

Real time location

This application makes use of GPS to determine where the user is, however, this data never leaves the device where the application is installed.
