All rights reserved.

This software and its source code may not be copied, modified, merged, published, distributed, sublicensed, sold, or used to create derivative works, in whole or in part, without explicit written permission from the copyright holder.

Permission is granted to download and use the compiled plugin (the "Software") solely for use on a Minecraft server owned or operated by the end user. No other rights are granted.

You may not:

- Redistribute the Software or any modified version of it.
- Sell, rent, lease, or otherwise commercialize the Software.
- Reverse engineer, decompile, or attempt to bypass licensing, API validation, or Patreon-based access controls.
- Publish or share the Software publicly, including on forums, marketplaces, or file-sharing platforms.
- Use any part of the Software's codebase in other projects.

The Software is provided "as is," without warranty of any kind, express or implied. In no event shall the copyright holder be liable for any claim, damages, or other liability arising from the use of the Software.

Unauthorized distribution or modification of this Software may result in legal action, including DMCA takedowns and copyright enforcement.
