Dear Parent/Guardian:

On January 20, 2023 Tonawanda Middle School will be participating in a Computer-Based Testing (CBT) simulation for students in Grades 5-8.

This simulation is not an assessment of student understanding of material rather it is to ensure testing devices are up-to-date and the infrastructure supports all NYS students. The results and answers are not scored.

Students will login and answer 13 practice questions that will take no more than 40 minutes to complete. Again, this is only a simulation and not an assessment so there is NO information collected or stored.

If you have any questions, please call me at (716) 694-7660.

Sincerely,

Michael Brown
Principal
