(The camera shows a pink door as a woman's hand with pink-colored fingernails slowly opens it to reveal an empty room aside from one table with a large wooden dollhouse on top of it. The camera slowly comes in closer and closer as the woman's hand reaches to open up one window)

(The music box begins to play a calm melody as the woman opens up the window - revealing a bedroom with an oakwood table in the center of it, with a large Trophy and 3 medals on top of it)

(The woman opens up another window that reveals another bedroom with romantic symbols all around it as two little replicas of championships are shown hanging above a ladder in the middle)

(The music box's song continues to play on while the woman's hand moves to another bedroom; opening the window to reveal a dark room with a wooden black vulture sitting in one corner while a miniature titanium baseball bat is set up in the opposite corner)

(The camera follows the woman's hand as it goes lower to open up the window of the living room of the dollhouse - revealing several figurines of 20 people occupying it)

(The music box begins to run down as the camera follows the woman's hand upwards and to the large master bedroom of the dollhouse as she opens it to reveal a big, beautifully-crafted room in all pink with lots of girly imagery, pillows, and stuffed animals. After a few moments, the woman's hand reaches in with something - placing a small metal Ouroboros symbol in the middle of the room)

(The camera slowly pans over to reveal a close-up of the woman's mouth with pink lipstick on - not showing the rest of her face as she slightly smiles)

Woman: It's playtime.

(The camera pans back to the right as the woman's hand opens up the pink front door of the dollhouse. The camera zooms in closer and closer as it enters the dollhouse as it transitions into the stage of the MGM Grand Garden Arena that's been set up to look exactly like a large dollhouse with a pink door as the entrance)

Male Voice-Over: AND NOW LIVE FROM THE MGM GRAND GARDEN ARENA IN BEAUTIFUL LAS VEGAS, NEVADA! FROM 1/3 OF THE PEOPLE WHO BROUGHT YOU CURTAIN CALL DAY 1 AND DIDN'T BRING YOU CURTAIN CALL DAY 2! THE HIVE, J-DYNASTY, AND IDOLL ENTERTAINMENT PRESENT DOLL IN!!! LADIES AND GENTLEMEN! IT'S PLAYTIME!!!!!!

Male Voice-Over: AND NOW HERE TO SING THE NATIONAL ANTHEM.... IT'S DIVA!!!!!!!

(DiVa walks out in a tasteful red, white, and blue dress as the crowd gives her a standing ovation. DiVa takes in the adulation for several moments before she nods and begins to sing while a large American flag drops down in the background)

DiVa: Ohhhh say can you seeee.....

(Another flag drops down with it now colored only pink and white, as well as the stars replaced with the Dollhouse logo)

DiVa: OH SAY CAN YOU SEE WHY DOLL IN IS THE BEST SHOW EVER!!! NOBODY WANTS TO HEAR SOME OLD SONG BY SOME OLD GUY WHO'S DEAD NOW! THIS ISN'T ABOUT AMERICA! THIS IS ABOUT YOU! THIS IS ABOUT ALL OF OUR SUPPORTERS! EVERYONE WHO HELPED US GET TO THIS MOMENT! THERE ISN'T CRIME AND RACISM HERE! EVERYONE IS EQUALLY BELOW US AND HAS TO FOLLOW OUR RULES! THIS ISN'T THE NATIONAL ANTHEM, SO GO AHEAD AND TAKE A KNEE! IN FACT, TAKE TWO KNEES, BECAUSE YOU'RE GONNA BE BOWING DOWN!! LET'S GO!!

(Dozens of dancers in elaborate pink outfits join DiVa on the stage as DiVa rips off her red, white and blue dress to reveal a pink leather outfit. DiVa reveals she was wearing a blonde wig as she takes it off to reveal her actual hair now dyed pink while the dancers behind her follow her lead)

DiVa: DIVA'S GONNA SING A BETTER SONG FOR YOU! A SONG ALL OF MY LOVES DESERVE! THE THEME FOR DOLL IN! MY NEW HIT SINGLE: "YOU'RE INVITED"!!!

(DiVa begins to sing as the event is muted with a large text over it)

[FIRST VERSE DLC FOR "YOU'RE INVITED" MUST BE PURCHASED]

(After several moments, the song becomes unmuted as the chorus begins)

COME ON, EVERYONE
YOU'RE INVITED

Sweet Roxy: I said sit down! Do it!

(The crowd slowly quiets down as an annoyed Roxy slowly turns back to a happy demeanor)

Sweet Roxy: Now I know what you're thinking... And no, we didn't just come out here to show off our incredible musical ability, our outstanding dancing ability, our superior beauty, our incomparable charisma, or anything like that really. I think if anything it was obvious we came out here because if there's even one word that can accurately describe The Dollhouse, it's "humble".

(DiVa and Jonetta nod as the crowd claps)

Sweet Roxy: The three of us came from humble beginnings, just like all of you. Well, all of you were born without a famous family... Or talent... Or looks... But the point is that you - at least all of you that are still alive to see this - managed to keep going day after day despite all odds saying that you should just give up, and that's exactly what we did. Granted, we were actually encouraged to keep going instead of the other way around, but let's stop splitting hairs here. The fact of the matter is that we have seen our fair share of trials and tribulations, alright? It wasn't that long ago that The Dollhouse came together, and where did we start? We started straight from the absolute bottom of the barrel, and still managed to sink even DEEPER than that by taking on the likes of Killer Alpha Squad and... L-.... Lo..... Not winning.

(Sweet Roxy has to take a moment to regain her composure as DiVa and Jonetta console her)

Sweet Roxy: It's okay... I'll be okay...

(Sweet Roxy looks back up through her nonexistent tears)

Sweet Roxy: But that's all in the past. We've moved on to greener pastures. We solidified ourselves as THE most dominant group in professional wrestling, and we did it without the help of certain people running a certain company who prefer to waste their time on tokens than actually go for a real prize. They'd much rather waste their time on less talented people, so you know what? We chose to not waste our time on less talented companies! We chose to become our own entity! One of fairness! One of equality! One of TRUTH! With the help of iDoll Entertainment, we ventured out to change the world when we brought it the greatest promotion it has ever witnessed in Play Time Wrestling!

(DiVa and Jonetta encourage the crowd to clap as they comply)

Sweet Roxy: While people held themselves to the lowest common denominator and settled for chump change, The Dollhouse's ambitions grew larger and larger with no end in sight! They thought it would be over with one episode! But then came another! And another! And by the time it was all said and done, The Dollhouse wasn't just some team! We are a lifestyle! We are a being! An invasion that's taking over and tonight we inject ourselves into the bloodstream of professional wrestling to counteract the disease it's been dying from for years now! We bring you a world where you can truly enjoy what we've given you! We bring you DOLL IN!

(The crowd cheers as Sweet Roxy shows off the stage)

Sweet Roxy: A stage fit for The Dollhouse! Perfect in every way! Now bring them out!

(Roxy orders for something as several professional-looking Referees walk out in black pants and pink and black Referee shirts)

Sweet Roxy: Even our Referees properly represent us! Don't let the color of their uniforms fool you though, because iDoll Entertainment spared no expense to hire the best Officials in the business for tonight! They're as much of a part of this show as we are! DiVa, go ahead and introduce them!

(DiVa looks at the Referees with a smile on her face)

DiVa: Uhm.... Well.... There's the blond one.... And the chubby one.... And the other chubby one... And the--

(Jonetta stops DiVa before she continues)

Jonetta Stone: Alright, great job... You people can leave now!

(Roxy points towards the ring as the Referees awkwardly shuffle out)

Sweet Roxy: We've got pink floor mats and pink ropes!

(Jonetta whispers something to Roxy, chuckling while she does it as Roxy laughs as well)

Sweet Roxy: Oh yes! Some of you may know that pink is a color used mainly for Breast Cancer Awareness Month in October, right? Well don't you worry, because right here tonight and every single night that The Dollhouse is around, it's ALWAYS Breast Cancer Awareness Month! Hell,

it's ALL Cancer Awareness Month, and we're not gonna celebrate it just with some pink ropes! We go one step beyond in showing our protest against cancer by not inviting the cancer that occupies professional wrestling with most of the men in the OWA, WWH, LAW, and any other company you can think of!

(Sweet Roxy looks around the MGM Grand Garden Arena before she continues)

Sweet Roxy: And just look at how beautiful we made this horrible-looking arena! We packed it full with our dear beloved supporters! We gave some sort of life to this hopeless town of Las Vegas, and that's something else that needs to be addressed, because I know how rampant prostitution is here in Las Vegas, but I'd like to inform you that The Dollhouse and iDoll Entertainment are too wholesome to allow something like that to taint our programming, so we will be cracking down on prostitution by not inviting the following people....

(Sweet Roxy puts on a small pair of decorative reading spectacles while pulling out a piece of paper and unfolding it)

Sweet Roxy: Ahem.... The mothers of anyone here in this arena.... The sisters of anyone here in this arena... Really any females related to anyone in this arena... I would have put down girlfriends of anyone in this arena, but well, I may as well put down unicorns and the tooth fairy too by that point... And last but certainly not least, to crack down on prostitution, we've made sure not to invite any female from OWA (minus honorary Dollhouse member Christie Sky), WWH, LAW, and any other company on Earth!

(Roxy tosses the paper and shrugs as she removes her fake glasses)

Sweet Roxy: But hey, they're still invited to watch! Anyone can watch! We invite everyone to come and see the superior product that The Dollhouse offers!

(Roxy begins to walk down the ramp near where some fans are trying to reach out to touch her)

Sweet Roxy: This is all just for you. All of you here in attendance. All of you watching at home. All of our new fans and old alike. It's your time. But more importantly it's OUR time. It's playtime!

(Sweet Roxy slaps a fan hard across the face)

Sweet Roxy: Also we're legally allowed to do that. Says so in the contract you agreed to by purchasing a ticket. HAVE FUN, EVERYONE!

("Playtime" by contRoVersy plays all throughout the MGM Grand Garden Arena as Sweet Roxy rejoins The Dollhouse on the stage; posing one more time before they take their leave while the camera transitions to Dr. Feelgood - decked out in Doll In merchandise - and Damien Murrow - wearing a black suit with a pink tie - at the pink Doll In Announce Table)

Doc: Well, that was a little long for a National Anthem, but it didn't put me to sleep like they usually do!

Murrow: Yeah, that was a little much for me. People didn't have to put their hands over their hearts, but I swear to you I saw those iDoll Entertainment Security people urging fans to put their hands over their wallets... Nonetheless, welcome to Doll In! A show that I can only assume was created to make a lot of money at the expense of those participating in it.

Doc: Yeah, but that could pretty much describe any wrestling show ever, right? At least this one isn't lying about it... But anyway, I'm Dr. Feelgood - former Manager for Robbie V! And my partner in crime for the night here is Damien Murrow - former Manager of The Legendary Sekaiichi... Who was also Robbie?

Murrow: It's a long, long story... But the fact is that they felt we were the best fit for the job tonight on commentary as we're both very familiar with those participating tonight, and what a listing of participants it is! We've got Championships on the line! Grudges being settled! Ladders! Oakwood Tables!

Doc: People you've known for years and people you literally never knew existed until tonight! We've got a show unlike any other awaiting us, so maybe we should start things off right with a very unique Tables Match as we let our colleague, the artist formerly known as Vanessa Lyndivia take it away!

(Ring Announcer, VANESSA, is shown standing in the middle of the ring in a pink dress on and a pink microphone in hand)

VANESSA: The following contest... IS A TABLE OF JAPAN MATCH!!!!.... The rules are as follows... To win, you must put one or both of your opponents through one table and only table only - A THICK, OAKWOOD TABLE!!!!....

("Hunting For Your Dream" by Galneryus plays all throughout the MGM Grand Garden Arena as pink lightning shines down upon Kanki - dressed in red and gold tights with an elaborate robe

on - and Apollo Vendetta - dressed in half-red, half-gold leather tights and a black leather vest on - as they confidently make their way out to the Doll In stage and towards the ring)

VANESSA: First, making their way towards the ring!.... From Japan!.... Weighing in at a combined weight of 464 Pounds!... THEY ARE THE TEAM OF.... APOLLO VENDETTA... AND KANKI.... THEY ARE THE SHINSENGUMI!!!!!!....

Doc: I checked on Twitter because I saw “#THICC” was trending but... I don’t think it’s about this match... I’ll save it for later, but anyway what an opening bout this is set to be, and featuring a team that hasn’t visited the United States in years! Both of these men are nothing short of Legends in their native home of Japan, but they face a big “fish out of water” story tonight as they compete in a place not so well known to them and in a match not so well known to them.

Murrow: Did you fail to listen to that slutty-looking Announcer? She clearly stated this is a “Table of JAPAN Match”, which means if anything, this should all work in their favor. These two should be bowing down and thanking whoever made this match for accommodating them in such a way!

(Kanki removes his robe while Apollo removes his leather vest as The Shinsengumi prepare in the ring)

Doc: Both of these experienced competitors look ready to go... As we know, Kanki is one of the most fluid competitors you’ll ever see, while Apollo Ven--

Murrow: Don’t even say that name to me.

(“Bite The Bullet” by contRoVersy plays all throughout the MGM Grand Garden Arena as pink spotlights shine down on Drake Jaeger and Siberius Tones, who both confidently make their way out to the Doll In stage - Drake wearing black tights with “DRAKE” in pink letters on the left leg and Siberius wearing pink tights with “JONES” in black letters on the right leg, both with “DOLL IN” t-shirts on)

Doc: Looks as though Drake & Jones will be sporting the colors themed to fit Doll In as they--

(Drake Jaeger reveals a microphone in his hand as he makes a “cut it” gesture)

Drake: Cut the music, cut the music!

(“Bite The Bullet” fades out as Drake Jaeger and Siberius Tones remain on the stage)

Drake: Now we may have gone out of our way to make you boys feel at home tonight by asking for this Table of Japan Match, but don't think for even one second that you're not still gonna end up running to the loving embrace of your beloved fans in Japan when this is all said and done! I think I speak for both myself and Siberius here - and not just because he's legally not allowed to speak - when I say that you two are nothing short of a mockery for your home of Japan, for tag teams, and for professional wrestling in general! We all know why you signed up to be here! We know what your motive is! You got nothing going for you and came here to finally make it big underneath the bright lights of the United States! Well guess what! This is OUR country! And so is Japan! And so is every other country in Asia! And in Europe! And on every single continent! And this World, the solar system, the galaxy, and every Goddamn reality you can imagine! We own everything you call home, boys, and tonight, we prove it... With our masterpiece!

(Siberius Tones drags out an oakwood table with an elaborate painting of Drake & Jones conquering the World on it)

Drake: This is your future! And I mean that in two ways! Because it's where Siberius and myself will be in the future... And where one of your punk asses will be going through right here in the present! So if you don't mind--

(Several members of iDoll Entertainment Security rush up to Drake & Jones, speaking with them quietly)

Drake: ... Not authorized?... Permits?... Legal fees? Are you serious?

(One of the Security Guards nod as Drake reluctantly gestures for Siberius to hand over the table to them before other Guards hand them a new oakwood table painted completely pink)

Drake: ... Doesn't matter! It doesn't matter what Goddamn table we're allowed to use! It doesn't matter what color! What shape! What size! It doesn't matter because it's all gonna be just shards of wood by the time this is over!

(Drake throws his pink microphone as he and Siberius bring the newly appointed pink table down to the ring while "Bite The Bullet" picks back up)

VANESSA: And their opponents!.... Making their way towards the ring!.... From the United States (and also Canada)!... Weighing in at a combined weight of 434 Pounds!.... THEY ARE THE TEAM OF.... DRAKE JAEGER.... AND "THE SUSPENDED ONE", SIBERIUS TONES.... THIS IS DRAKE! AND!! JONES!!!!!!!

Doc: Well, it looks like Drake & Jones may not be off to such a good start with anyone, including iDoll Entertainment as they've been issued a new table to use--

Murrow: But it's not all bad as I'm being informed that the iDoll Entertainment Woodchipper is finally being put to use right here tonight.

(Drake & Jones slide the pink table into the ring before joining The Shinsengumi in the ring)

Doc: Right, but regardless, Drake & Jones look as fired up as they've ever been as they take on two men almost completely unfamiliar to them here tonight. Not to mention Drake & Jones haven't competed in a tag team match in quite a while, so you can't help but wonder how cohesive they'll be.

Murrow: I've made a career out of being an observer essentially, and just by observation, these two men have far exceeded friendship and border on homosexuality, so if you ask me, I say they'll have no issues with their communication tonight.

Doc: Good to know...

(Drake & Jones hold up the pink oakwood table together in their corner as they trash talk the stoic pairing of The Shinsengumi while the Referee finally calls for the bell)

(DING! DING! DING!)

Doc: AND DRAKE & JONES WASTE NO TIME LIFTING THAT TABLE UP AND CHUCKING IT LIKE A DAMN SPEAR AT THEIR OPPONENTS! Kanki and Apollo dodge out of the way as Drake and Siberius come rushing in! Kanki and Apollo both ducking a shot from their opponents as Drake & Jones turn around! Simultaneous deep armdrags connect by The Shinsengumi! And right off the bat, The Shinsegumi look like they're more than ready to go! More than their opponents certainly ever anticipated!

Murrow: Things aren't getting off to such a hot start for Drake & Jones as Siberius is the first to make it to his feet-- immediately swinging with a big right hand, but nobody's home as Kanki ducks it! An IMMEDIATE elbow from Apollo catches Siberius in the jaw! European uppercut from Kanki to Siberius now! A spinning back kick into the gut of Siberius from Apollo! Kanki now with a--

Doc: DRAKE COMES IN FROM OUT OF NOWHERE WITH THE TABLE AS HE DRIVES IT INTO THE KIDNEY OF APOLLO! Siberius dodges an incoming kick from Kanki as he catches him from behind with a waist lock! Kanki is struggling to get out of it as Drake drives the end of that table hard into the ribs of Kanki! And he drives it into the gut of Apollo! Both members of The Shinsengumi are doubled over in pain as Drake & Jones look towards one another... They lift the table up over their heads... And just drop it down across the backs of The Shinsengumi! The weight of the table and the height it dropped from could pop their kidneys like water balloons! Drake & Jones showing absolutely no mercy here in the early going as they grab that table and look to set it up already! They've got it set up for the first time in the ring as Siberius immediately pulls Apollo up to his feet! He drives the skull of Apollo straight into the table! And does it again!

Murrow: Drake Jaeger making his way over to the corner... He leaps up to the top turnbuckle with a smug look across his face, and rightfully so! They're in control! They decide what comes next as Tiberius holds Apollo down in place on that table up table! Siberius grabs Apollo... Scooping him up and slamming him down across the table and perfectly in position for Drake! DRAKE WITH A SADISTIC SMILE ON HIS FACE AS HE LEAPS! SWANTON BOMB!!!

Doc: KANKI PULLS APOLLO OFF OF THE TABLE AS DRAKE CRASHES HARD ACROSS THE TABLE SPINE-FIRST!! The look of sheer pain and anguish on Drake's face says it all as he sits up and writhes! Siberius is quick to act as he slides under the table and charges for Kanki! Nobody's home! Siberius turns around! BEAUTIFULLY-EXECUTED DROPKICK NAILS SIBERIUS! Siberius Tones is in big trouble as he struggles to get back to his feet while Kanki helps Apollo back up... Both members of The Shinsengumi look like they're back in this, but so does Siberius as he charges! The Shinsengumi dodges out of the way as Siberius goes into the ropes! APOLLO CHARGES INTO THE SMALL OF SIBERIUS' BACK WITH A BIG KNEE! Siberius cringing in pain as he turns around to meet another powerful knee strike into the gut from Apollo Vendetta!

(A replay is shown of Drake Jaeger missing a Swanton Bomb and crashing spine-first onto the table as he sits up in agony)

Murrow: I'm starting to think Drake & Jones genuinely only watched anime to prepare for this match, because if they watched any tape they would know that basic knowledge like how lethal Apollo Vendetta is with his knees as he unloads them into the body of Siberius! They've got Siberius trapped up against the ropes... And BOTH MEMBERS OF THE SHINSENGUMI WITH LOUD KNIFE-EDGE CHOPS TO THE CHEST OF SIBERIUS! ANOTHER set of chops bounce off the flesh of Siberius' chest! The Shinsengumi send Siberius off and into the opposite ropes... Coming back! Kanki sends him up! And Siberius comes down into another

powerful knee strike from Apollo! KANKI ALREADY COMING OFF OF THE ROPES FOR A KNEELING SIBERIUS!! HUGE EUROPEAN UPPERCUT LAYS SIBERIUS OUT!!

Doc: I can't believe how dominant The Shinsengumi have been! They're taking it to Drake & Jones in a way I don't think we ever thought possible! BUT DRAKE LOOKS TO ALLEVIATE THAT AS HE COMES IN WITH THAT TABLE, SWINGING FOR THE FENCES AT KANKI!! Kanki ducks the incoming shot with the table! Drake turns around! THE SHINSENGUMI LAY HIM OUT WITH SIMULTANEOUS DROPKICKS!! What a cohesive unit these two have been thus far! The Shinsengumi are back on their feet with this crowd at their back as they figure out where to go next... They look reluctant to do it, but they know what kind of match this is! They've seen what Drake & Jones have relied on so far... And they know they need to fight fire with fire as they pick up the table!

Murrow: These two may not be familiar with a Tables Match, let alone any variation of it, but they're showing that they know how to adapt as much as they have since coming to America! They set up the table in a nearby corner of the ring as Drake is stirring... The Shinsengumi drag him back up to his feet... THEY'VE GOT HIM AS THE SHINSENGUMI LAUNCH DRAKE JAEGER FORWARD AND SEND HIM CRASHING AT MACH SPEED WITH A VIOLENT DOUBLE-TEAM IRISHWHIP!! DRAKE JUST FLIPPING FORWARD AND SLAMMING SPINE-FIRST AS HIS BODY JUST BOUNCES OFF OF THE OAKWOOD TABLE!!! I can't tell if he's got good luck or bad luck that the table didn't just break after that!

(A replay is shown of Drake Jaeger being sent flipping into the cornered table with an irishwhip as his body bounces off of it)

Doc: Drake Jaeger has already endured an incredible amount of pain thanks to that table in this contest, but so far it's still not enough to break it! But The Shinsengumi don't seem like they're out of ideas quite yet... In fact it looks like they've got something else in mind already as they turn their attention towards Siberius - dragging him up... Drake still against that table as he struggles to pull himself to his feet... THE SHINSENGUMI SEND SIBERIUS IN WITH ANOTHER BIG IRISH WHIP AS HE'S SENT SLAMMING HARD INTO BOTH DRAKE AND THAT TABLE WITH GREAT VELOCITY!! The table remains completely intact despite the damage inflicted on it! The Shinsengumi show no sign of stopping! Drake & Jones have been put their absolute hell so far as both men are desperate to get back up, but that table remains right there behind them! APOLLO COMES CHARGING IN!! RUNNING DOUBLE KNEES INTO DRAKE & JONES!! KANKI CHARGES IN NEXT WITH A FLYING FOREARM TO THEIR OPPONENTS!! APOLLO COMES CHARGING IN AGAIN FOR A SPLASH!!!

Murrow: SIBERIUS MOVED OUT OF THE WAY AS DRAKE MANAGES TO GET A BOOT UP TO THE JAW OF APOLLO! AND SIBERIUS FOLLOWS IT WITH A BIG LARIAT, TAKING APOLLO DOWN! Kanki charges in! Siberius looking for another lariat, but nobody's home! Kanki with a waist lock from behind! LOOKING FOR A GERMAN SUPLEX! Siberius is fighting it with multiple elbows! He breaks through with a standing switch on Kanki! HE SENDS KANKI FORWARD AND INTO DRAKE WHO SENDS HIM UP WITH A BACK BODY DROP AND SLAMMING HARD INTO THE CORNERED TABLE!! Drake may have put all he had into that one! He's taken a Hell of a beating so far, but Siberius is quick to help keep him on his feet! Drake & Jones hoping to take some control here as they pick up that table... Lifting it up together! AND THEY DROP IT DOWN ACROSS THE BODY OF APOLLO!! They've been using that table as a weapon in any way they can, but who knows how much damage it can take!

Doc: I'm starting to think it can take a lot more damage than any of the competitors in this contest after what's left of these men already! You can see how red Drake's back is after crashing into it multiple times now! But regardless, he's still going in this as he and Siberius think of what to do next... And it looks like they have their answer as they both turn their focus towards a damaged Kanki trying to pull himself up in a nearby corner! Drake & Jones lift that oakwood table once more... They face it towards Kanki and CHARGE! THEY SLAM THAT TABLE INTO A CORNERED KANKI!! Drake & Jones don't look like they're finished just yet! They go back to Apollo, dragging him up! Apollo's fighting! He breaks from Drake & Jones' grasp and nails Drake with a big right hand! A forearm to Siberius now! A forearm to Drake! Apollo is staying alive! No--Drake & Jones with simultaneous kicks to the gut of Apollo! THEY PULL HIM IN!! DRAKE & JONES IMMEDIATELY LAUNCH APOLLO WITH A DOUBLE-TEAM TOSSING SUPLEX STRAIGHT INTO THE BACKSIDE OF THAT TABLE AND AGAINST KANKI!!! What a move!

Murrow: The Shinsengumi has completely lost any ounce of control they previously had as Drake & Jones seize the reins! They're far from finished as they look for another potential way to end this! They take control of the table out of the corner... Hold on! Apollo grabs onto Siberius' tights! He's refusing to stay down! I don't know how he's even able to move! You'd think he'd know to be smarter than this, but Apollo wants to display that fighting spirit of his as he is defiant in the face of his opponents! Drake & Jones drag a damaged Apollo to his feet and get him against the backside of that table! Rapid-fire backhand chops to the chest of Apollo! Drake & Jones are laying into him! ELBOW SMASHES FROM SIBERIUS! DRAKE WITH A HEADBUTT TO THE SKULL! ANOTHER HEADBUTT! BOTH MEN NOW WITH ELBOW SMASHES!! SNAPMARE TAKEDOWN FROM DRAKE & JONES! FOOTBALL KICKS FROM DRAKE AS SIBERIUS NAILS APOLLO WITH KNEE STRIKES! BOTH MEN

DRAG APOLLO UP!! AND A POWERFUL DOUBLE-TEAM LARIAT NEARLY TAKES APOLLO'S HEAD CLEAN OFF!!!

Doc: Drake & Jones are showing off how in sync they are right now as they may have taken Apollo right out of the equation! There's nothing left but ending this for them as they grab that table out of the corner, looking to set it up! Drake & Jones have eyes for the beaten and battered Apollo... **HOLD ON! KANKI LEAPS TO THE TOP ROPE FROM THE APRON--MISSILE DROPKICK CONNECTS STRAIGHT INTO THE TABLE AND DRAKE & JONES!!!** Kanki may have just saved this contest for The Shinsengumi!

Murrow: And Kanki with a kip up! Impressive after all the damage he's taken! He still looks hurt, but he's pushing through it as he looks for what to do next... Kanki now watching both of his opponents slowly rise back to their feet! Drake goes for the table on the canvas! And Kanki stomps down on the right hand on Drake! Drake Jaeger yelps out in pain! Kanki with an absolutely merciless look upon his face as he stomps down upon the hand of Drake again to make certain he can't use that oakwood table again! Siberius Tones forces himself to his feet! He swings with a right hook, but Kanki sees it coming as he ducks it! He catches Siberius from behind as he lifts him! Atomic drop connects! He pulls Siberius back to him with a waist lock! Siberius is fighting it! **BUT KANKI WON'T LET HIM WITH A DEADLIFT GERMAN SUPLEX TO SIBERIUS!!** Siberius just crashing on the back of his head as Kanki keeps the waist lock in!... **HE'S GOT SIBERIUS UP AS HE LOOKS FOR A SECOND GERMAN!**

Doc: Siberius fights it with all his might once more! He manages to catch Kanki in the side of the head with an elbow... Another elbow connects! Siberius escapes from Kanki's grasp and charges into the ropes! **INCOMING! NO--KANKI CATCHES SIBERIUS TONES WITH A BIG FLAPJACK!** Kanki has a perfect opportunity to capitalize! He slowly rises back to his feet with Siberius in his sights... **DRAKE JAEGER COMES IN WITH THAT TABLE IN HAND!** He misses an attempted jab with the table as Drake turns around! **PICTURE PERFECT DROPKICK CONNECTS INTO THAT TABLE AND DRAKE FROM KANKI!** Drake is scrambling! He knows he's in trouble! He struggles to get back up as Kanki is already there waiting for him! Kanki scoops up Drake... And drops him right on top of Siberius! He doesn't look finished... Kanki glances at that table on the canvas... Kanki shaking his head! I think that says it all! He has no interest in a contest like this, and relying on weapons but he looks prepared to use it as he picks the table up... He scoops it up and drops the table on top of Drake & Jones!

Murrow: Kanki wasting no more time as he rushes out onto the apron... **AND SLINGSHOTS HIMSELF BACK OVER THE ROPES WITH A SOMERSAULT SENTON ONTO THAT TABLE AND HIS OPPONENTS!!** Kanki may have dealt himself quite a bit of damage with that move, but the table remains completely intact! Kanki has absolutely punished Drake & Jones any

way that he can, but he knows he's gotta keep going! This isn't over until someone goes through that table or even gets it busted over them if that's the case! Kanki picks up that table, looking to put it to good use... He sets it up in the middle of the ring as Siberius is stirring!

Doc: Siberius doesn't look like he has much left in the tank as Kanki drags him up.. **PICKING SIBERIUS UP IN A VERTICAL SUPLEX POSITION WITH THAT TABLE SET UP BEHIND THEM!**

Murrow: **DEVIL TRIGGER!!!! DRAKE JAEGER SPRINGS UP TO HIS FEET AND DESPERATELY NAILS KANKI WITH THAT BICYCLE KNEE STRIKE AS KANKI AND SIBERIUS AWKWARDLY CRASH INTO THE TABLE AND KNOCK IT OVER!!!** Drake Jaeger completely out of left field with that!

Doc: That may have been all he had in him! Drake is sucking in wind rapidly as he slowly pulls himself back up! Siberius is still down on the canvas as Drake stumbles over to Kanki, pulling him up... And a big Irishwhip sends Kanki slamming hard into the nearby corner! Drake's not done yet as he helps Siberius back up this time around! He's got him... **DRAKE WITH A BIG IRISHWHIP ON SIBERIUS, SENDING HIM INTO A CORNERED KANKI WITH THE SHORYUKEN!! BIG CORNER EUROPEAN UPPERCUT CONNECTS! AND DRAKE IMMEDIATELY COMES IN TO FOLLOW THROUGH WITH A FLYING FOREARM!!** Drake grabs Kanki and sends him up to the top turnbuckle as Siberius makes his way over to the table! They've got something in mind to end this as Drake climbs up there with Kanki... **PICKING HIM UP!! HE'S GOT KANKI IN A VERTICAL SUPLEX POSITION AS SIBERIUS PLACES THE TABLE FLAT UNDERNEATH BETWEEN THE TURNBUCKLES!!! DRAKE COULD BE LOOKING FOR A BRAINBUSTER!!!**

Murrow: **APOLLO RUSHES IN TO NAIL SIBERIUS WITH A BIG LARIAT!!** He grabs the leg of Drake! Kanki escapes from Drake's grasp! **APOLLO PULLS DRAKE OFF THE TOP AND SLAMS HIM FACE-FIRST ONTO THE TABLE BELOW!** He's not done as he places Drake onto that table! Kanki drops down to the apron to recuperate as Apollo climbs the corner! **HE'S UP! AND DROPS DOUBLE KNEES STRAIGHT INTO THE BODY OF DRAKE JAEGER AGAINST THAT TABLE!!** It's not enough to break it! Apollo isn't finished! He climbs back up... **AND DROPS ANOTHER SET OF KNEES INTO DRAKE!!** It's still not enough! Apollo hoping third time's the charm as he climbs up again...

Doc: **SIBERIUS RUSHES UP TO THE CORNER!! HE'S GOT APOLLO!! RELEASE GERMAN SUPERPLEX AS APOLLO COMES CRASHING DOWN TO THE CANVAS!!!**

Murrow: An absolutely Hellacious match this has been so far, and it looks far from over! Siberius is now the one suddenly in control here as he forces himself back to his feet! He stumbles over to the corner and pulls Drake off of the table as he takes it for himself! Siberius looks like a man on a mission as he turns his attention back towards Apollo... BUT FIRST DRIVES THE END OF THAT TABLE INTO THE GUT OF KANKI ON THE CANVAS! Kanki goes crashing down to the outside! The Shinsengumi have been successfully split up as Siberius looks to single out a still hurt Apollo!

Doc: Siberius with a malicious look in his eyes as he sets the table up in the ring! I can safely say I've never seen such intensity behind the use of a pink table as Siberius gets it ready! APOLLO SPRINGS TO HIS FEET AND NAILS SIBERIUS WITH A LARIAT! It's not enough to take Siberius down! He fires back with a forearm to the face of Apollo! Apollo with another lariat! It's still not enough to bring him down! SIBERIUS SWINGS, BUT HE'S PICKED UP BY APOLLO! HE'S GOT SIBERIUS ON HIS SHOULDERS!! ELBOW TO THE SKULL FROM SIBERIUS! ANOTHER ELBOW! ANOTHER! Siberius escapes the shoulders of Apollo as Apollo turns around! FLAPJACK!! SIBERIUS WITH A BIG FLAPJACK STRAIGHT ONTO THE OAKWOOD TABLE!! It's not enough to break it, but I don't think Siberius even cares! He's willing to do whatever it takes! He stumbles over to the corner and makes his ascent! Apollo is ripe for the picking! He's not moving! SIBERIUS IS PERCHED!! SWANTON BOMB!!!

Murrow: AND SIBERIUS' BODY BOUNCES OFF OF APOLLO'S AS THE TABLE STILL DOES NOT BREAK!!! Siberius with a look of shock and frustration at that! He thought that would be it! He's in pain!

(A replay is shown of Siberius Tones hitting a Swanton Bomb onto Apollo Vendetta and failing to break the table)

Murrow: Siberius got some redemption for Drake's failed Swanton earlier, but it wasn't enough! He knows he has to keep going! Siberius shakes his head as he grabs the table to aid him back up to his feet... Still shaking his head as he grabs Apollo... Siberius now climbing up there and onto the table! He's looking to end it once and for all! HE PULLS APOLLO UP... GETTING HIM IN POSITION AS HE LIFTS APOLLO FROM BEHIND AND INTO THAT ELECTRIC CHAIR POSITION!!! HE'S LOOKING FOR THE GAME CLINCHER!!!!!!

Doc: NO--APOLLO GRABS AN ARM OF SIBERIUS!! HE'S TWISTING IT!! APOLLO TAKES CONTROL AS HE WRENCHES THE ARM OF SIBERIUS!! HE'S BRINGING HIM DOWN ON THAT TABLE!! APOLLO SHIFTS IT INTO A CROSS ARMBAR ON THE

TABLE!!! SIBERIUS CAN'T DO ANYTHING! HE CAN'T GO ANYWHERE!! APOLLO TWISTS AND PULLS AT HIS ARM!!

Murrow: It's about to get worse than that! Kanki is back up on the canvas!! He's got Siberius in his sights! KANKI LEAPS TO THE TOP ROPE!! DIVING SENTON ONTO SIBERIUS FROM KANKI!!!

Doc: BUT THE TABLE STILL HASN'T BROKEN! I'm convinced it's not gonna break at all... Kanki remains adamant about it though! Apollo keeps the cross armbar in as Kanki struggles back to his feet! He makes his way over to the nearby corner and makes his ascent! KANKI IS PERCHED!!

Murrow: DRAKE JAEGER RUSHES IN!! HE RUSHES UP THAT CORNER TO STOP IT AS HE LAYS INTO KANKI!! Apollo immediately breaks the hold on Siberius and rushes over to help his partner! Apollo laying into the back of Drake with clubbing blows! HE PULLS DRAKE AWAY AND IN AN ELECTRIC CHAIR POSITION!! SIBERIUS DROPS OFF OF THE TABLE AND OUT OF HARM'S WAY, BUT DRAKE IS IN TROUBLE! KANKI REGAINS HIS BALANCE... FLYING CROSSBODY!!!

Doc: DRAKE CATCHES KANKI AND TWISTS HIS BODY INTO A MODIFIED POWERSLAM OFF OF THE SHOULDERS OF APOLLO AND ONTO THE TABLE!!!

Murrow: WOW! WHAT A COUNTER! DRAKE AND KANKI ARE DOWN AND THE TABLE STILL HAS YET TO BREAK AS APOLLO IS THE LAST MAN STANDING! He realizes what just went wrong as he goes after Drake, trying to drag him up! SIBERIUS SPRINGS UP AND NAILS APOLLO WITH A BIG ENZUIGIRI!!

Doc: All four men are down! They've brutalized one another at every turn! It could be anyone's game by this point! It looks like Drake Jaeger is the first to start making it back up... Grabbing a hold of that table... Who knows what he might have in mind by this point! You'd think they've tried everything in the book by now! Drake's got that table up! The Shinsengumi struggle to get back up as well... AND DRAKE STARTS SPINNING WITH THAT TABLE IN HIS GRASP!! SPINNING AROUND AND AROUND AS HE LOOKS FOR TARGETS! KANKI DUCKS A POTENTIAL SHOT FROM THAT TABLE! APOLLO DUCKS ONE AS WELL! KANKI DUCKS ANOTHER! AND APOLLO NARROWLY DODGES IT!

(Drake Jaeger finally stops as he starts looking woozy)

Murrow: Did he just make himself dizzy? He didn't even hit anyone!

Doc: THE SHINSENGUMI SEIZE THE OPPORTUNITY WITH A YAKUZA KICK FROM KANKI COMBINED WITH A BACKCRACKER FROM APOLLO!! Drake is writhing in pain on the canvas! The Shinsengumi have taken control! Siberius is trying to get up, but Apollo and Kanki are there to meet him, laying into him with vicious shots and stomps! The Shinsengumi don't look like the same men they were when they entered this match! They're not nearly as collected or reserved! They look as sadistic as their opponents and desperate to end this contest! They grab that table and get it in place...Kanki drags Siberius up as Apollo does the same with Drake... THEY PULL DRAKE & JONES IN!! STEREO SUPLEXES CONNECT AS DRAKE & JONES ARE LAID OUT ACROSS THE TABLE TOGETHER!!!

Murrow: I'd be stunned if anyone is able to walk out of here by their own power after what these people have done to each other's spines in this contest and THAT was no exception! Drake & Jones are laid out and ripe for the picking as The Shinsengumi look to finish things off by climbing up different corners of the ring! This isn't gonna end well for someone and I can't even tell who! Drake & Jones are motionless! KANKI AND APOLLO READY THEMSELVES UP ON TOP!!

Doc: NO! Siberius manages to drop off of the table! The Shinsengumi are hesitant! THEY LOOK LIKE THEY'RE GOING FOR IT ON DRAKE REGARDLESS!

Murrow: SIBERIUS FORCES HIMSELF UP AND FLIPS THE TABLE OVER WITH DRAKE ON IT! He refuses to let The Shinsengumi win this! Siberius is struggling to get up! THE SHINSENGUMI LAUNCH THEMSELVES FROM THE TOP WITH SIMULTANEOUS MISSILE DROPKICKS INTO SIBERIUS TONES!!! Siberius may be out! I don't think he has anything left in him after that!

Doc: The Shinsengumi are back up as Apollo angrily kicks a downed Siberius, looking to get him out of the ring entirely as Kanki targets Drake Jaeger! Apollo looking to join his partner... No! Siberius grabs onto the foot of Apollo from the apron! He still has life in him! Apollo looks furious as he kicks the hand away! He's not done! Apollo goes out onto the apron as Kanki sets the table up and drags Drake into position for something big! HE'S LOOKING TO END IT HERE AS HE PICKS DRAKE UP FOR A POWERBOMB!!! DRAKE'S FIGHTING IT!!

Murrow: Apollo grabs Siberius on the apron... SIBERIUS BREAKS FROM HIS GRASP! SUPERKICK!!! A LOUD SUPERKICK CONNECTS AS SIBERIUS PULLS APOLLO IN!!

Doc: DRAKE SPINS HIMSELF AROUND ON KANKI'S SHOULDERS--REVERSE FRANKENSTEINER!!! KANKI LANDS ON THE BACK OF HIS SKULL AS DRAKE HAS ANOTHER CHANCE TO TURN THINGS AROUND!!

Murrow: SIBERIUS PICKS APOLLO UP IN A SUPLEX POSITION ON THE APRON!! APOLLO DRIVES A KNEE DOWN INTO THE SKULL OF SIBERIUS!!... ANOTHER KNEE TO THE SKULL!!.... AND A THIRD STRIKE CONNECTS AS APOLLO DROPS DOWN TO HIS FEET AND LANDS ANOTHER KNEE TO SIBERIUS!! SIBERIUS IS DAZED!! ANOTHER KNEE FROM APOLLO!! ANOTHER! ANOTHER!! SIBERIUS WON'T FALL!! HE'S HOLDING HIMSELF UP AS APOLLO BACKS UP... AND CHARGES!!

Doc: DEVIL TRIGGER!!!!!! DRAKE JAEGER OUT OF NOWHERE FROM INSIDE THE RING WITH ANOTHER BICYCLE KNEE TO THE TEMPLE OF APOLLO VENDETTA!!! Apollo falls off of the canvas with a dazed look on the floor! He isn't sure what just hit him!

Murrow: SIBERIUS TONES LEAPS OFF OF THE APRON FOR A HUGE STRIKE OF MIDNIGHT!!!!!! APOLLO'S SKULL DRIVEN INTO THE FLOOR!!! He may be out COLD!

Doc: Drake Jaeger has a chance to finish things in the ring! The table is still set up! He drags Kanki back to his feet with all his might... Drake scoops Kanki up and slams him down upon the table! He's got it! All he has to do is strike! All he has to do is break him through that table! Drake is exhausted as he stumbles over to the corner! Drake starts his ascent! He climbs with every last ounce of energy he has! Drake is looking for one more shot to win this!

Murrow: KANKI FORCES HIMSELF OFF OF THE TABLE! HE CHARGES INTO THE CORNER AND NAILS DRAKE WITH A CLUBBING SHOT TO THE SPINE!! DRAKE DROPS DOWN HARD ON THE TOP!! Siberius climbs up to the apron! KANKI WITH A BIG DROPKICK TO SIBERIUS!! Siberius is down on the apron as Kanki lets out a battle cry! He's determined to finish this right here and now! He climbs up there with Drake as his target! HE'S GOT A HALF-NELSON IN!! THE FEAR IN DRAKE JAEGER'S EYES!! HE KNOWS WHAT KANKI'S LOOKING FOR!! HE'S FIGHTING IT! KANKI... GETS THE FULL NELSON!! HE'S LOOKING TO END IT!! DRAGON SUPERPLEX!!!!!!

Doc: SIBERIUS IS BACK IN AS HE STUMBLES TO HIS FEET AND NAILS THE SPINE OF KANKI WITH FOREARM SHOTS!! HE PULLS HIM IN FOR A POTENTIAL POWERBOMB!!! KANKI REFUSES TO LET IT HAPPEN AS HE HOLDS ON TO DRAKE!! DRAKE GETS AN ARM LOOSE! ELBOW TO THE FACE OF KANKI!! SIBERIUS FORCES KANKI OUT OF THE CORNER AND POWERBOMBS HIM HARD ONTO THE TABLE!!! IT STILL REFUSES TO BREAK!! SIBERIUS IS BESIDE HIMSELF!

Murrow: What more can he do? What more can THEY do?! Siberius is as exhausted as his partner! He's got nothing left in him! Drake Jaeger managing to turn himself around, perhaps looking to fly! Hold on...

(Drake Jaeger gestures something to Siberius as a surprised Siberius looks on, and thinks for a moment... Before nodding his head)

Doc: What are they.... SIBERIUS CHARGES AND RUSHES UP THE CORNER OF DRAKE?! HE'S GOT DRAKE IN HIS GRASP?! SEISMIC TOSS--A BACKFLIP BELLY TO BELLY DROP SENDS DRAKE & JONES ONTO KANKI AND THROUGH THE TABLE!!!! IT'S OVER!!!

Murrow: WHAT?!

(DING! DING! DING!)

("Bite The Bullet" plays all throughout the MGM Grand Garden Arena as the Referee raises the hands of Drake & Jones amongst the broken oakwood table)

Doc: Did Siberius literally just use his partner as a weapon win that?!

VANESSA: The Winners of this contest.... SIBERIUS TONES AND DRAKE JAEGER.... DRAKE! AND!!! JOOOOONNNNNNEEEEESSSS!!!!

Murrow: I'm not gonna lie, I was starting to think the table was reinforced and the gag would be that the entire night would be spent watching these four slamming each other onto it repeatedly!

Doc: It certainly felt like it, but in the end, that wasn't the case, thankfully... And in the end, we have our winners in an incredible opening contest! Drake & Jones have proven once again tonight why they're one of the most elite tag teams in the World right now!

(Highlights play; recapping the most brutal spots of the match, such as Drake Jaeger missing a Swanton Bomb and landing onto the table, Drake & Jones doing a tossing suplex on Apollo into the backside of the cornered table, Apollo Vendetta dropping double knees onto Drake on the table laid out in a corner, and Siberius Tones hitting a Seismic Toss on Drake and onto Kanki to finally break the table)

Murrow: After all that, I don't know if I can safely say anyone here is a winner, but it was one Hell of a contest, so congratulations to Drake & Jones...

(Siberius Tones rolls out of the ring and drags Drake Jaeger out of the wreckage of the table into a fireman's carry as pink pyro goes off in celebration)

Doc: And to think that was only just the beginning of things! There's still plenty to come! More tag team action! More weapons! More of the best athletes in the World, so don't go anywhere! Not that you have the option of going anywhere, according to the fine print on the tickets people purchased...

(Siberius struggles to celebrate while carrying a motionless Drake on his shoulders as the camera fades elsewhere)

(The camera cuts backstage where the sounds of loud music can be heard playing just behind a door marked "PLAY ROOM")

???: YOOOOO

(A douchey-looking individual with spiked up hair and wearing trendy clothing hops into view of the camera with a huge grin on his face and a microphone in hand)

???: What is UP, Dollhouse NATION??? It's ya boi, Bon Skippy! Your favorite youtube vlogger with 3.2 MILLION views and still risin'! The Dollhouse invited me and the fam to come to the show and be their personal interviewers for the night, so I was like "That sounds dope to me"! So I want all of my Bon Skippers to come along for the ride, because it's about to get WILD!

(Bon Skippy opens the door up to reveal a big party going on with tons of Dollhouse-inspired pink decorations and plenty of guests talking and eating while loud music plays)

Bon Skippy: Heyooooo! This where the Playtime Party's at???

(The camera moves around through the many guests occupying the room until it stops on Sweet Roxy, Jonetta Stone, and DiVa hanging out in their Dollhouse VIP Lounge Booth)

Bon Skippy: There they are! The stars of the show! How are the three most B-E-A-UTIFUL ladies on the planet doing tonight?

DiVa: We're doing wonderful! But DiVa would like everyone to know that the music they're hearing right now is all featured on DiVa's latest album, "Circle of DiVa", and that we are going to begin instituting a way so that hearing any of these songs will automatically purchase the song for you on iTunes and Google Play! So be sure to go buy several albums and listen to each one for every day of the week, month, and year!

Jonetta Stone: And not that any of it has been properly appreciated at all, but for those wondering, I am the one who provided the meat used for the gourmet food these cretins are chomping down at the moment as they enjoy OUR party. If I had it my way, none of them would be allowed in here.

Sweet Roxy: Oh come on, Jonnie! Don't be so grumpy! The more the merrier, right? Hahaha--

(Sweet Roxy gets up and grabs the shirt of Bon Skippy as she leans in with an unhinged look in her eyes)

Sweet Roxy: Where the fuck is Layne Kurobane? He's literally the only reason I invited these stupid people in here! I have a private seat for him and everything but I haven't even heard that he's shown up yet!

(The camera pans to the left to show an overly large throne chair set up next to where Roxy has been sitting)

Bon Skippy: Oh... Sorry, bro, I don't know. Haven't seen him...

Sweet Roxy: Well FIND him!

(Roxy lets go of a frightened Bon Skippy and pushes him away as he tries to regain his composure and go back to looking around the party)

Bon Skippy: Guess we'll look around... Oh snap! What is this? We got a Bottle Cap Challenge going on, everyone!

(The camera shows "Hard Candy" Kenji Armstrong surrounded by several people as he stares down a bottle, controlling his breathing... After several moments, Hard Candy finally tries to swing with a roundhouse kick as he completely misses the bottle)

Bon Skippy: Ohhhh! Nice try, bro! Keep it up! You got this!

(The disappointed crowd watches as Candy tries to ready himself again for another attempt while Bon Skippy and the camera move on elsewhere)

Bon Skippy: Yo, anyone seen Layne? Layne Kurobane, anyone???

(Dylan Star rushes up to Bon Skippy with a frantic look in his eyes)

Bon Skippy: Hey, you okay, man?

Dylan Star: Look, I don't have a lot of time, okay? Those big, mean-looking security guys wouldn't let me speak in person to The Dollhouse, but you can talk to them, right? I thought tonight would be like my big shot to prove myself in this Battle Royale match, and I thought I'd be on my own and everything, but THEY got invited too... So can you ask them if there's anyone to uninvite them or something? Please help me, man, I don't--

???: DYLAN!!!

(All of Unison rush a startled Dylan Star as Greta, Applesauce, Bing-Bing, Sandy Peaches, and Dazzle swarm him as they jump around and try to get him to dance with them)

Greta: Come on, papi! We need more attention!

Applesauce: YOU don't, but I do!

Sandy Peaches: Get real! He's mine!

Dazzle: No way, he likes me best! Let's do another selfie, baby!

Bing-Bing: Dylan! Dylan! Dylan!

Dylan Star: Help me... Please help--

(A frightened Dylan Star reaches out for Bon Skippy, but gets swallowed up by the crowd of Unison as they navigate him elsewhere. A confused Bon Skippy looks on and shrugs before continuing on through the party)

Bon Skippy: Heyyy! Anyone seen Layne Kurobane up in here???

(Bon Skippy stops for a moment as he sees Jay Creed, who covers his face and hides out in the corner of the room. The camera pans to the left to show a smiling Mark Antony Montana taking photos with adoring fans nearby)

Fan: I loved your work in the “Psycho” shot-for-shot remake of Gus Van Zant’s shot-for-shot remake of “Psycho”! Is it true you ACTUALLY murdered someone on the set of it?

Mark A. Montana: Hahaha! Let’s just say I’m a very methodical actor.

(Mark winks and takes a picture with the fan as J.C-4 jumps in to photobomb it. Bon Skippy and the camera continues to sift through the party to see WOLVERTON and BANG arguing over who has the superior all capitalized name)

Bon Skippy: Bro, I’m starting to think Layne Kurobane ain’t here at all... Roxy is gonna be like, super pissed at me if I don’t bring him to her...

(Bon Skippy and the camera walk up to Chris Kimura and Ace Kingden of Rolling Thunder playing multiple games of Rock, Paper, Scissors)

Bon Skippy: Yo, either of you know where Layne Kurobane is?

Chris Kimura: Who?

Bon Skippy: Guess not... What are you two doing anyway?

Ace Kingden: Trying to figure out who has to eliminate themselves for the other to win once we get rid of everyone else in the Battle Royale.

(Ace and Chris try to do another round of Rock, Paper, Scissors before their hands are smacked away by a serious-looking Jack Miles)

Jack Miles: How about you both just eliminate yourselves as soon as the match starts. Actually nevermind, I’ll do that for you.

Bon Skippy: Woah, shots fired! You guys handle that, Imma go find Layne!

(Bon Skippy rushes off before things get out of hand and immediately runs straight into Maggall)

Bon Skippy: Oof, sorry, bro... I was looking for Layne--

(Bon Skippy looks up and sees how much larger Maggall is than him as Maggall cracks a smile)

Bon Skippy: You, uh... Seen him?...

Maggall: Oh I'll see him soon enough next weekend, but I'm not worried about him right now. I've got bigger fish to fry tonight. Who could pass up a chance to yeet every single asshole who has the balls to associate themselves with the J-Dynasty.

(Maggall leans in with a sneer on his face as a scared Bon Skippy looks at him)

Maggall: Are YOU a part of the J-Dynasty?

Bon Skippy: N-No...

(An annoyed Maggall slowly turns around to lock eyes with Gunkai Riggs while Jaspura stands nearby)

Jaspura: Is there a problem here?

Maggall: Oh no, of course not... But there will be.

Jaspura: Well my associate here would be happy to resolve it.

Maggall: I bet.

(Maggall and Gunkai continue to stare down as others around back away)

Sweet Roxy: Hey, hey, hey!

(The Dollhouse step in)

Sweet Roxy: Girls, girls, girls! You're both pretty, okay? Now calm yourselves, because there won't be any fighting going on at our party! You wanna fight? Go settle it out in the ring, because as of right now the Alt In Battle Royale is next! Get going, everyone! Out!

(Maggall smirks and takes his leave while others in the Battle Royale exit out of the "Play Room" as well for their match. The Dollhouse and Bon Skippy look on as the camera fades back to Dr. Feelgood and Damien Murrow on commentary)

Doc: Wow, what a tense situation that was! I couldn't tell if it was hostile or sexual, but it had me wanting more, and that's exactly what we'll get because coming up next is the Alt In Battle Royale!

Murrow: And words could not even begin to describe how much I'm dreading seeing that circus marching down here and beating each other and making a racket, but nonetheless, it's inevitable and I am contractually obligated to watch it. But before any of that, we're being told now to introduce our other broadcasts colleagues with us tonight at Doll In.

Doc: That's right, because iDoll Entertainment knows very well how chaotic it can be when you have to hire dozens of other people speaking other languages, so they did their own innovative take on it with our second and only other commentary station: The "Minority Announce Table"!

Murrow: I'm sorry--the WHAT?

(A confused Damien Murrow looks over as the camera pans to the left to reveal a table packed with multiple minorities as they all attempt to talk over one another in their own languages)

Doc: That's right, we have Asian commentary, African American commentary, Native American commentary, Mexican commentary, French commentary, Russian commentary, we had Polish commentary but they've since been taken over by German commentary, and of course, we have Southern commentary!

Murrow: I don't think the people who run this show even know what a "minority" is... And isn't the Southern commentary just the Caucasian commentary?

Doc: Nope, that's us! But let's move on now, because we've got a huge Battle Royale coming up that you don't wanna miss! Let's get to it!

(The camera cuts back to the MGM Grand Garden Arena where the stage is set up to look like the outside of a club, complete with iDoll Entertainment Bouncers who stoically stand by in black suits with black sunglasses on)

VANESSA: Ladies and gentlemen....

(The camera cuts to VANESSA in the middle of the ring)

VANESSA: The following contest is the ALT-IN BATTLE ROYAL!!!!!!.... The rules are as follows... 20 competitors will enter the ring... You can only be eliminated by being sent to the floor on the outside over the top rope... And the last competitor standing wins a very special prize!

(Generic Club-sounding dance music plays all throughout the arena as pink lights begin to go off sporadically to simulate a party or rave)

VANESSA: Competitors... Please present your invitations!

(“Hard Candy” Kenji Armstrong is the first waiting in line as he eagerly hands in his invitation to join and is let in, doing karate moves on his way towards the ring)

VANESSA: HARD CANDY HAS ACCEPTED THE INVITATION!...

(J.C-4 looks put off by everything as he cautiously hands his invitation to a bouncer and is let in. Mark Antony Montana looks amused by the music and lights of the event as he casually hands off his invitation with a smirk on his face and is let in)

VANESSA: J.C-4 AND MARK ANTONY MONTANA HAVE ACCEPTED THE INVITATION!....

(Gunkai Riggs and Jaspura look annoyed by everything going on as they hand in their invitations and are let in. Jay Creed follows closely behind, hiding himself behind Gunkai’s large frame while covering his face with his hood and handing in his invitation)

VANESSA: GUNKAI RIGGS, JASPORA, AND JAY CREED HAVE ALL ACCEPTED THE INVITATION!....

(Ace Kingden and Chris Kimura of Rolling Thunder walk up to the stoic Bouncer, trying their best to anger him before tossing their invitations in his direction and being let in. Jack Miles completely ignores the sights and sounds of everything going on as he slaps his invitation into the chest of the Bouncer and moves on towards the ring)

VANESSA: ACE KINGDEN, CHRIS KIMURA, AND JACK MILES HAVE ACCEPTED THE INVITATION AS WELL!....

(WOLVERTON walks up to the Bouncer with a determined expression on his face, but gets interrupted by Sandy Peaches, Applesauce, Dazzle, Greta, and Bing-Bing making way to get

through for Dylan Star to come in, who seemingly accidentally bumps WOLVERTON's shoulder before handing over all of their invitations to the Bouncer. Unison are all let in while an annoyed WOLVERTON looks on)

VANESSA: GRETA, APPLESAUCE, BING-BING, DAZZLE, SANDY PEACHES, DYLAN STAR, AND WOLVERTON HAVE JUST ACCEPTED THE INVITATION!.....

(A whistling Reverend Vino casually walks in, handing in his invitation but keeps briefly stopped as he begins charming a nearby female in the front row. An unkempt-looking BANG makes his way up to the Bouncer with his stuffed toy cat, Minerva, holding his invitation for him)

VANESSA: REVEREND VINO AND BANG HAVE ACCEPTED THE INVITATION!.....

(After a few moments, Maggall makes his way out to the stage with a happy expression on his face. After looking around for several moments, Maggall hands his invitation to the Bouncer, but instead of simply letting it go, he grabs the Bouncer and throws him into the titantron before making his way down to the ring while anyone else nearby runs away)

VANESSA: Uhm..... MAGGALL HAS ACCEPTED THE INVITATION.... I THINK!.....

(After several moments, Layne Kurobane slowly makes his way out to the stage, looking reluctant to even be there. Layne holds his invitation, but looks around and sees no one around to accept it. After a few more moments, Layne shrugs and just drops his invitation on the apparently unconscious Bouncer on the ground and lets himself in)

VANESSA: AND LAST BUT NOT LEAST, LAYNE KUROBANE HAS ACCEPTED THE INVITATION! ALL OF OUR GUESTS HAVE ARRIVED!

Murrow: HELLO? HELLO? IS MY MIC FINALLY WORKING?! WHO MUTED ME?

Doc: I don't know, you were ranting pretty hard during all of that so it was probably for the best that you couldn't say anything...

VANESSA: ARE ALL OF THE INVITEES READY?! OKAY! IT IS TIME FOR THE ALT-IN BATTLE ROOOOOOOOOOOOOO--

(A somewhat shy-looking Hard Candy whispers something to a surprised VANESSA, who looks hesitant, but nods. VANESSA asks for the Timekeeper to join everyone in the ring while everyone looks around in confusion)

Murrow: I... I can't even begin to imagine what's going on now.

(The Timekeeper awkwardly holds up the bell to begin the match)

VANESSA: "Hard Candy" Kenji Armstrong has insisted that he was guaranteed the right to begin this contest by ringing the bell himself!....

(The Timekeeper attempts to hand Candy the tool to ring the bell, but Candy declines. Instead Candy readies himself as a spotlight appears on him and gregorian chanting music plays in the background)

Murrow: I... I-I'm at a loss for words. Just mute me again.

(Hardy Candy attempts to roundhouse kick the bell, but completely misses)

Doc: Oh God... Yeah, no, mute me too. I can't do this.

(Candy tries to ready himself and attempts to kick the bell again, once again missing. The rest of the competitors look on as Candy tries to go for a third attempt, taking a moment to regain his composure)

Doc: HOLD ON--JACK MILES AND MARK ANTONY MONTANA GRAB HARD CANDY!! THEY SLAM HIM FACE-FIRST INTO THE BELL! AND AGAIN! AND AGAIN!!

(DING!..... DING!..... DING!)

(The lights return to normal as competitors begin to fight)

Murrow: OH THANK GOD! I guess this match is officially underway as the Timekeeper and VANESSA do the smart thing and bail out of the ring while a dazed Candy stumbles around, trying to figure out what just happened and why he can't see straight!

Doc: POUNCE!!!!!! WOLVERTON LIKE A DAMN CAR CRASHING INTO "HARD CANDY" WITH A VICIOUS POUNCE THAT SENDS HARD CANDY THROUGH THE ROPES AND TO CRASHING TO THE OUTSIDE!! Maggall wastes no time colliding with

Gunkai in the middle of the ring as those two hosses go at it! Dylan Star looks ready to finally make his big debut in this monumental contest!

Murrow: Well he's gonna have to wait apparently as the rest of Unison have exited the ring through the ropes and dragged him along with them!

(Dylan Star desperately tries to pull away from Sandy Peaches, Dazzle, Greta, Bing-Bing, and Applesauce on the outside as they instead want to take selfies with him for Instagram)

Doc: I think I see some tears in his eyes... Nonetheless, the competitors who are actually IN the ring are going at it with everything they've got! Chris Kimura and Ace Kingden seem to have a very smart strategy going right now as they simply team up as they always have as Rolling Thunder, laying into Mark Antony Montana! Jack Miles is going at it with Jay Creed, getting Creed in the corner and connects for a LOUD knife-edge chop across the chest!

Murrow: Reverend Vino looks to be taking it easy here, not wanting to get into any of the ongoing chaos and playing it smart in his own way! And he rushes in to catch Jack Miles in the back of the head with a hard right hand! That may have been a bad idea! Jack Miles looks more pissed off than hurt as he turns around with a glare at Vino! Vino with a sly smirk as he backs away, telling Miles to find it in his heart to forgive him! I don't think he's gonna get it! JAY CREED STRIKES MILES IN THE BACK FROM BEHIND! Vino seizes the opportunity to lay into Jack Miles with Jay Creed!

Doc: Layne Kurobane is going at it with J.C-4 in a nearby corner while WOLVERTON drives BANG straight into a different corner with a big shoulder thrust!.... Another big shoulder thrust connects! A third is no good as BANG catches WOLVERTON with a kick to the face! BIG HIGH KICK FROM BANG TO THE SKULL OF WOLVERTON! There can only be one person in this match with his entire name capitalized and BANG intends for that man to be him as he immediately turns around... AND LEAPS TO THE TOP TURNBUCKLE! BIG MOONSAULT FROM THE TOP!!!

Murrow: IT'S CAUGHT BY WOLVERTON! HE'S GOT BANG AND DRIVES HIM INTO THE CANVAS WITH A RUNNING POWERSLAM!! What a counter!

Maggall drops Layne to the canvas as Jay Creed hopes to capitalize on this opportunity! This is one Hell of a fight to pick right now, but he's going for it! He's going all in right now as Creed leaps into Maggall for a flying elbow strike!

Murrow: WOLVERTON breaks the holds on J.C-4 and BANG! He... WOLVERTON seems to be taking notice to Unison on the outside! They've yet to even do anything in this contest! Dylan Star has been perpetually trapped in a nightmarish realm where he has to oblige every one of these women with their social media pictures and videos! WOLVERTON looks absolutely disgusted! He's trying to get their attention as he looks out over the ropes! WOLVERTON looks like he's grown tired of them doing absolutely nothing there on the outside! He's doing everything he can to get their attention!

Doc: LAYNE KUROBANE LIFTS WOLVERTON OVER FROM BEHIND!! HE DROPS HIM TO THE OUTSIDE!! LAYNE WITH A SUDDEN ELIMINATION ON WOLVERTON!!

VANESSA: WOLVERTON has been eliminated!....

Murrow: WOLVERTON looks absolutely stunned, and rightfully so! But that's all on him! He let his guard down!

Doc: He doesn't look too happy about this by any means... Still glaring at Unison.... But unfortunately for him, he's out of this match and they're all still legally in, even if they're--

Murrow: POUNCE!!!!!!!!!! WOLVERTON RUSHES INTO UNISON WITH A POUNCE AS HE KNOCKS THEM ALL DOWN!!! HE'S GROWN TIRED OF ALL OF THIS! WOLVERTON GRABS APPLESAUCE AND SENDS HER ROLLING INTO THE RING! BING-BING AND DYLAN STAR HIMSELF ARE LAST BUT NOT LEAST HERE AS WOLVERTON SMACKS THEM BOTH TOGETHER AND SENDS THEM BOTH ROLLING BACK INTO THE RING!

Doc: Well, that's ONE way to rejoin a match! Unison is all inside the ring once more as they rise to their feet... BANG SENDS SANDY PEACHES OVER THE ROPES! She catches herself on the apron! J.C-4 NAILS DAZZLE AND GRETA WITH A DROPKICK THAT SENDS THEM OVER THE ROPES!! No! They're staying on! APPLESAUCE CHARGES AT BANG! He

sends her up and over! Sandy helps Applesauce stay on the apron! Unison is staying in this! BANG CHARGES AND LEAPS INTO APPLESAUCE AND SANDY AS J.C-4 DOES THE SAME TO GRETA AND DAZZLE ON THE OPPOSITE SIDE OF THE RING!! Doc: DYLAN STAR FROM BEHIND!! DYLAN STAR SENDS BANG OVER THE ROPES AND TO THE OUTSIDE!!

Murrow: NO--BANG NOW USING HIS HANDS TO KEEP HIMSELF IN!! BANG WITH A HANDSTAND OF HIS OWN!! J.C-4 AND BANG ARE BOTH DOING HANDSTANDS ON THE OUTSIDE AS THEY LOOK AT ONE ANOTHER! WHAT THE HELL IS EVEN GOING ON ANYMORE?! I THINK THEY'RE TRYING TO KICK AT EACH OTHER!

Doc: Jack Miles is battling it out with Mark Montana while Layne Kurobane comes to his aid as Gunkai and Maggall continue to beat the everloving hell out of each other! Dylan Star looks on! He's got a gleam in his eyes! He's got a hope in his eyes! I think he just realized that all the rest of Unison has been eliminated! They're all on the outside! They can't do anything to him! He has a chance to shine! He's always wanted this! He's always wanted to simply show what he can do as a wrestler and he intends to do exactly that!

Murrow: DYLAN STAR WITH A FOREARM TO GUNKAI RIGGS?! What are you doing, Dylan?! Not that way! Not like this! A strike to Maggall now! Dylan Star just interrupted the ongoing brawl between these two men as they look him in the eyes!... I think he may be rethinking his life decisions... GUNKAI AND MAGGALL BOTH NAIL DYLAN WITH CHOPS TO THE CHEST!! Dylan drops down in pain! GUNKAI GRABS A DISTRACTED MAGGALL AS HE SCOOPS HIM UP AND SLAMS HIM DOWN ONTO DYLAN STAR!!!

Doc: Dylan may have just broken every rib he has as Gunkai grabs him... Dragging him up! GUNKAI WITH A RUNNING START AS HE LAUNCHES DYLAN STAR OVER THE ROPES AND INTO THE REST OF UNISON ON THE OUTSIDE!!!

Murrow: THEY CAUGHT HIM! UNISON CAUGHT DYLAN!! HE HAS A CHANCE TO GET BACK IN THIS! HE HAS A CHANCE TO KEEP GOING! Hold on... Wait....

(Dylan Star panics as Unison starts carrying him in the opposite direction of the ring, up the ramp)

Doc: NO! THEY OTHER WAY! THE RING IS THE OTHER... Oh well...

(Unison happily carries a yelling Dylan Star away and backstage)

Murrow: Is he... Eliminated?

Doc: I... I don't know...

VANESSA: Dylan Star has been eliminated!..... Maybe!

Murrow: Woah, what the hell!

(J.C-4 and BANG are shown climbing onto the Announce table from their handstands as they battle on the table)

Murrow: Leave our table alone, damn it! Use the Minority Table!

Doc: They're going at it! Jack Miles and Layne Kurobane work together to lift Mark Montana... REVEREND VINO NAILS MILES WITH A SHOT FROM BEHIND! An elbow connects to the skull of Layne! VINO is once again trying to take advantage of the situation! He may be looking to eliminate one of these two men! And look at this! Mark Montana looks to take

advantage as well! Vino has Layne and Miles distracted as Montana slowly rises to the top turnbuckle... HOLD ON--VINO RUSHES UP THE CORNER?! HE'S LOOKING TO BE THE ONE TO GET RID OF MONTANA NOW! MONTANA IS FIGHTING FOR HIS LIFE IN THIS PRECARIOUS POSITION!

Murrow: AND THEY'RE NOT ALONE AS LAYNE KUROBANE JOINS THEM! LAYNE CLIMBS UP THERE!! That's not even enough! Jack Miles joins the fray! He's climbing there as well! This is getting to be too much! We have FOUR men up top there! Something's gotta give! They're laying into one another with all they've got! And that's exactly what Maggall and Gunkai Riggs are doing as well! Both men going at it! Maggall drives Gunkai into the opposite corner from those four! RAPID-FIRE CLOSED-FIST SHOTS TO THE FACE FROM MAGGALL!! Gunkai's lip is busted! Blood trickling down his mouth as Maggall backs up... HE CHARGES!! AND A HUGE CORNER SPLASH CONNECTS!! He grabs Gunkai... IRISHWHIP!!

Doc: NO--REVERSE IRISHWHIP!!! MAGGALL WITH MOMENTUM AT HIS BACK AS HE GOES CRASHING HARD INTO THE CORNER AND HITS THE FOUR MEN ON THE TOP TURNBUCKLE AS THEY GO FALLING OFF!!

Murrow: JACK MILES, MARK MONTANA, AND REVEREND VINO ALL CRASH HARD ON THE OUTSIDE AS LAYNE KUROBANE BARELY MANAGES TO HAND ONTO A ROPE TO SAVE HIMSELF!!

VANESSA: Mark Antony Montana, Reverend Vino, and Jack Miles have all been eliminated!....

Doc: Layne rolls back into the ring to fully save himself from elimination as this match continues! He has absolutely--

Murrow: HEY! HEY! WHAT THE HELL ARE YOU DOING--

(J.C-4 and BANG push Damien Murrow out of his chair as they battle on top of it while it rolls slowly back towards the ring)

Doc: THESE TWO JUST DON'T GIVE UP! THEY KEEP GOING BACK AND FORTH! BOTH DESPERATE TO BE THE ONE WHO CAN FULLY PULL OFF A MIRACLE SAVE IN THIS AND ELIMINATE THE OTHER! I don't know how that chair is even holding them up! It's getting more and more wobbly!

Murrow: GIVE ME BACK MY CHAIR!

Doc: The chair is moving more and more as they throw shots into one another! J.C-4 and BANG have been nothing but relentless in this contest! THE CHAIR MAKES IT BACK TO THE RING! BOTH MEN LEAP OFF OF IT AND ONTO THE APRON! They're still not finished! J.C-4 with a kick to the face of BANG! BANG fires back with a forearm smash! J.C-4 returns it with a forearm of his own! BANG with a forearm! BOTH MEN STRUGGLING WITH EACH OTHER, TRYING TO FORCE THE OTHER OFF!

Murrow: SONG OF STORMS!!!!!! LAYNE KUROBANE NAILS BOTH MEN WITH A JUMPING SUPERKICK AS BANG AND J.C-4 FALL OFF OF THE APRON AND TO THE FLOOR!!

VANESSA: J.C-4 and BANG have been eliminated!....

Murrow: Can someone please give me my chair back now?!

Doc: JASPORA IMMEDIATELY TRIES TO SEND LAYNE UP AND OVER TO THE OUTSIDE FROM BEHIND!! Jaspura coming out of nowhere for a potential elimination, but Layne catches himself on the apron! He refuses to go down just yet! Jaspura with shot after shot thrown into Layne as she tries to knock him down! Layne blocks a right hand! Big forearm connects!!

Murrow: Gunkai and Maggall are trading blows in the middle of the ring! Both men refusing to budge! Maggall with a stiff knee to the gut of Gunkai! Another! HE WRAPS A HAND AROUND THE THROAT OF GUNKAI!

Doc: Jaspura is backpedaling... LAYNE LEAPS TO THE TOP ROPE!! FINAL SMASH!!!!

Murrow: THAT FLYING FOREARM SMASH MISSES AS JASPORA DUCKS AND NAILS MAGGALL WITH IT INSTEAD!!! Maggall is dazed!! He lets go of his grip on Gunkai's throat and goes reeling into the ropes...

Doc: MAGGALL COMES OFF OF THE ROPES AND TURNS LAYNE INSIDE OUT WITH A VIOLENT LARIAT!! Where the hell did that come from?!

Murrow: GUNKAI CHARGES!! MAGGALL CATCHES HIM WITH A TEXTBOOK POWERSLAM IMMEDIATELY!! The power of this man is just incredible! To throw someone like Gunkai Riggs around like he's nothing! Just incredible! Maggall slowly rises back to his feet...

(Hard Candy steps into the middle of the ring as everyone looks on while he displays his karate pose)

Murrow: Oh boy...

Doc: CHAIR SHOT!!! MAGGALL OUT OF NOWHERE WITH A CHAIRSHOT TO CANDY!! GUNKAI RUSHES IN--MAGGALL NAILS HIM WITH THE CHAIR TO THE SKULL!! LAYNE CHARGES!! HE MISSES A STRIKE!! LAYNE TURNS AROUND AS MAGGALL NAILS HIM IN THE GUT WITH THAT CHAIR!! AND MAGGALL WITH A CHAIRSHOT TO THE SPINE OF LAYNE!!! JASPORA RUSHES IN, BUT MAGGALL NAILS HER WITH A SHOT TO THE GUT AS WELL!!

Doc: GUNKAI SPRINGS UP WITH THAT CHAIR AS HE DRIVES IT INTO THE GUT OF MAGGALL!!! HE SWINGS THE CHAIR INTO THE SPINE OF MAGGALL AFTER HE DROPS JASPORA!! MAGGALL FORCES HIMSELF BACK UP! GUNKAI WITH A SHOT TO THE SKULL OF MAGGALL!! ANOTHER CHAIRSHOT TO THE SKULL AS MAGGALL FALLS TO THE OUTSIDE!!

Murrow: Maggall has once again been rid of as a furious Gunkai looks to end this! He lifts Layne Kurobane up... GUNKAI LIFTING LAYNE UP OVER HIS HEAD!!! LOOKING FOR AN ELIMINATION HERE! NO! Candy is trying to stop him! Candy using that uh... "Karate"... Gunkai reluctantly drops Layne... HE'S HAD ENOUGH OF THIS AS HE GRABS HARD CANDY INSTEAD!! HE'S GOT HIM UP!! Doc: LAYNE ESCAPES THE GRASP OF GUNKAI AND CATCHES HIM FROM BEHIND WITH A SLEEPER HOLD!! A SLEEPER HOLD LOCKED IN TIGHT ON GUNKAI RIGGS!!

Doc: I don't think anyone did if I'm being honest, but it was certainly... Something! All 20 competitors fought their hardest! They did everything they could to come out on top tonight, but in the end, Jaspura was able to pull off the victory!

Murrow: And what a victory it is! Some pretty... Interesting things took place during that match, but managed to do whatever was needed to win.

Doc: Absolutely! Congratulations to Jaspura!

("Heaven Knows" fades out as a replacement Bouncer identical to the last hands Jaspura something as Ron Skippy - brother of Bon Skippy - walks up to Jaspura with a microphone in hand)

Ron Skippy: Congrats! You did it! What a win! On behalf of iDoll Entertainment, I'd like to present the first ever winner of the Alt-In Battle Royal with this all expense paid one day gift certificate for the upcoming "Doll Inn"! That's right! A brand new hotel based on this very event! Now it hasn't been built yet and technically hasn't been "permitted" to be made at all yet, but stay hopeful! Congrats again!

(A confused Jaspura attempts to go back to celebrating her victory as "Heaven Knows" picks back up while the camera fades elsewhere)

(The camera fades backstage as a young woman with blonde hair and trendy clothing is shown with a microphone in hand - standing just outside the door labeled "PLAY ROOM")

???: Hiyaaaa, everyone! It's Dawn Skippy here - the first, the only, and therefore the BEST girl of the Skippy family, and I'm standing here hoping to get a word in with any attendees of the ongoing party that The Dollhouse are throwing right now backstage here at Doll In!

(Dawn Skippy jumps around in excitement for her very first interview as she eagerly awaits the first person to leave through the doors)

Dawn Skippy: Ahhh I can't wait! Who's it gonna be?! Roxy?! DiVa?! Jonetta?! Maybe the Heart Break Gal and Robbie V are in there too!

(After a few moments, someone begins to open the door)

Dawn Skippy: OH BOY! HERE WE GO!

(A smiling, handsome man begins to open the door as Dawn's eyes grow wide)

Dawn Skippy: SIR, CAN I PLEASE GET A MOMENT--

(A hand suddenly slams the door shut as it hits the man in the face)

Dawn Skippy: Oh.

(The camera pans to the right to reveal the hand belongs to Ares Vendetta - dressed in a black suit with a smirk on his face)

Dawn Skippy: You're... I know you...

(Ares Vendetta steps in closer to Dawn as he cocks his head to the side slightly)

Ares Vendetta: I can't say the same for you.... You're an interviewer, right?

Dawn Skippy: I am...

(Ares looks around for a moment before looking back at Dawn)

Ares Vendetta: Well I don't see anyone else around, so I guess I'm your guy.

Dawn Skippy: Oh, right... So uhm... Why aren't you in there with the rest of the people that were invited--

Ares Vendetta: I don't think that's the question you should be asking. The bigger question is why am I even here at all? Why would I participate in this farce? Why would I relegate myself to competing on a show that's a product of a whore half-sister of mine, who's a product of her whore mother?

(Dawn Skippy looks visibly uncomfortable as she says nothing in response)

Ares Vendetta: I can tell you're about as useless as anyone else these people hired to work here, so just do your best to hold up the microphone for me. So why am I here? Hmm... Maybe I'm here because I enjoy the thought of taking this pretty little show they've made here, and making it into something they never wanted. And do you know what THAT is?

(Ares leans in closer... Dawn slowly shakes her head “no” as a disappointed Ares backs away)

Ares Vendetta: Well, you know what they WANT it to be, right? They want this show to be happy and fun and nice and just an all around good time. They want it to be pink and pretty. They want it to be their baby. I’m sure you people know what I’ve done who hold their baby so dear to them. I take it away from them. I destroy it. People go around and pretend that they want gold or some other accolade, but it’s a lie. They want to hurt somebody. They want to be the man in the film that kills the ones standing in his way to be the only one left standing. I’ve always been honest about what I want... And what I want is to take all of this away from them, and to take absolutely everything away from John Alloy tonight.

Dawn Skippy: H-How?

(Ares grins)

Ares Vendetta: How? How am I going to do it? I’m going to do it the same way I always have. By force. Because I’m the master, and you, and everyone else here, are all mongrels. John Alloy hid away for several years, because he’s a coward. I’m going to show him how much has truly changed since he was last here. This isn’t his world anymore. It’s mine. He thinks he’s some vengeful guardian angel? I’ll show him what true vengeance is, because tonight, I’m going to clip his wings, and I’m going to remove his halo, and I’m going to show the world he’s just as much of a mongrel as they all are. I’ll take what I want from him, and I’ll stain this pretty show with his blood. It’s kind of like how your looks will fade, and your popularity will go with it, and you’ll end up a lonely old whore who wasted the best years of her life. Think of this as me just speeding up the process.

(Ares slams a fist into the door as a startled Dawn jumps. Ares laughs as he walks away while Dawn tries to regain her composure. After a few moments, Bon Skippy opens the door - looking around and then to Dawn)

Bon Skippy: Heyooo... What just happened? Did I miss something? Was that Ares leaving?

Dawn Skippy: That was like... A vampire scene from a movie... But not hot and instead terrifying, and instead of draining my blood he just drained my self-esteem...

Bon Skippy: Oh... Bummer...

(Bon Skippy says nothing more as he slowly backs away - closing the door behind him as he returns to the party. Dawn Skippy once again tries to regain her composure as the camera transitions back to Dr. Feelgood and Damien Murrow on commentary)

Doc: Well safe to say Ares looks as prepared as ever for his match with John Alloy tonight!

Murrow: To say the least... I've come to know Ares as well as anyone, and I can safely say those aren't just hollow threats he's making. He means every single one of them and intends to make them all a reality.

Doc: Well that's still to come later tonight, but right now we'd like to say thank you to all of those who made tonight's show an absolute SELLOUT! 50,000 tickets sold!

Murrow: Wait... What? How is that possible? This arena can only hold like, 18 thousand, if that...

Doc: We're about to get to that, which is why we welcome you all once again to the beautiful MGM Grand Garden Arena here in Las Vegas, Nevada! Let's take a look at the arena!

(The camera cuts to the outside of the MGM Grand Garden Arena where tens of thousands of people are shown crowded around as chaos ensues)

Murrow: What the hell is this?! Why are all of these people here?!

(The camera cuts back to Dr. Feelgood and a confused Damien Murrow)

Doc: Well tickets were selling so well that iDoll Entertainment thought "Hey, what the heck, why not just keep selling tickets?", so they did! And as you can see, it was a great success!

Murrow: These people can't even get into the arena! There's too many! This can't possibly be illegal! I'm literally a former lawyer, I'm well aware exactly how all of this works and--

Doc: No time for that, Damien, because we're got our next HUGE match on the way and it's one that's sure to be an instant classic as The One True Pairing of Cassius and Sakura Corleone return to the ring to put their defunct Strong Style Wrestling Freebird Tag Team Championships on the line against two members of the J-Dynasty in a very unique Ladder Match!

(The camera cuts back to the ring as the Freebird Tag Team Championships are shown hanging above the ring on a pink upside down heart hanger. The ring has now been surrounded by dozens

of pink-colored ladders, placed against the barricades, set up on the ramp, and two 20-foot pink ladders set up on both sides of the stage)

VANESSA: The following contest.... IS THE ONE! TRUE!! LADDER MATCH!!!!..... AND IT IS FOR THE FREEBIRD TAG TEAM CHAMPIONSHIPPPPPSSSSS!!!!..... The rules are as follows.... The only way to win is by BOTH members of a team climbing a Ladder to pull down both Championships!

(A mash-up of “Lights Go Down” by Metropole Orkest and “Just Another Hero” by Yuki Hayashi plays all throughout the MGM Grand Garden Arena as Jaydayne Pendragon - dressed in red and white attire with a red mask on the right side of his face - and Renee Jonae - dressed in similarly-patterned red and white attire and a white mask on the left side of her face - rise up from a platform below the stage)

VANESSA: First, introducing the challengers!.... From the Wrestling Grotto!.... Weighing in at a combined weight of 339 Pounds!....

(Pink spotlights appear on Renee Jonae and Jaydayne Pendragon as they remove their masks and reveal face paint underneath as make their way towards the ring)

VANESSA: THEY ARE THE TEAM OF.... RENEE JONAE AND JAYDAYNE PENDRAGON..... THE J-DYNASTYYYYYYYYYYY!!!!!!.....

Doc: I may not know much about this “Wrestling Grotto”, or even anything about “Strong Style Wrestling” or even Japan... But I DO know about wrestling, and I have it on good authority that these two are very good at it.

Murrow: Impressive, did you research all of that on your own? As a former lawyer, I do plenty of background checking on people, such as looking into their history, their family tree, their accomplishments, their facebook, etc... And let me tell you that there’s a very good reason why both of these two are very accomplished in any company they walk into.

(Renee and Jaydayne hop over the top rope and into the ring together as they pose with each other and look up at the Freebird Tag Team Championships)

Murrow: And more importantly, I know that Jaydayne Pendragon has never captured those Freebird Tag Team Titles before, and what better way to do it than with the love of his life in Renee Jonae?

Doc: Well both look as ready as ever tonight, so it could very well come to fruition.

(Renee and Jaydayne get ready in the ring as “The One True Theme” by contRoVersy plays all throughout the MGM Grand Garden Arena)

Murrow: And here comes the Champions...

(A pink carpet is rolled out just for the One True Pairing as Cassius Corleone and Sakura Corleone make their way out together, wearing a large gold cloth that covers their bodies)

VANESSA: And their opponents!.... Making their way towards the ring!.....

(Cassius and Sakura remove the large gold cloak and reveal that Cassius is wearing gold attire with cherry blossoms on it while Sakura is wearing gold attire with dollar signs on it. A pink spotlight appears on them as they make their way towards the ring)

VANESSA: From Los Angeles, California!.... Weighing in at 357 Pounds!.... THEY ARE THE REIGNING AND DEFENDING FREEBIRD TAG TEAM CHAMPIONS!!!..... THE TEAM OF SAKURA AND CASSIUS CORLEONE.... THIS IS THE ONE! TRUE!! PAAAAAIIIIIIIRRRRRRIIIINNNGGGGG!!!!!!.....

Doc: It's kind of the opposite for me, because as you know, I love to keep up on trends and what's hip and everything.

Murrow: You do?...

Doc: I do, and that's why I know these two so well, because aside from their work as a team, they happen to have their own reality show, “The One True Show”, and EVERYONE knows of the Corleone and Tsubaki wrestling dynasties.

Murrow: I'm well aware of who they are as well, and Cassius himself mentioned that he has a bone to pick with Jaydayne Pendragon after he beat him in SSW and never received a Puroresu World Championship match.

(Cassius opens the ropes for Sakura to enter the ring before entering the ring as well. Sakura and Cassius kiss before smirking as they stare down with their opponents)

Doc: It's safe to say both teams have chips on their shoulders. The One True Pairing asked specifically for this stipulation to prove they are not only the most dominant tag team, but the

most dominant couple in wrestling, but are they better in the ring than Jaydayne and Renee? We're about to find out!

(DING! DING! DING!)

Murrow: This contest is officially underway as both teams square off, neither one making the first move yet... Cassius and Sakura seem to have something in mind as they whisper to each other...

Doc: Could just be sweet nothings, but I'd bet my money they have some sort of strategy too. Could also just be sweet nothings though. It's a toss up.

Murrow: Right... SAKURA AND CASSIUS GO IN OPPOSITE DIRECTIONS, LOOKING TO GET TO A LADDER ON THE OUTSIDE! Sakura goes to the outside as Cassius is stopped immediately by both Jaydayne and Renee! He's doing all he can to fight off Jaydayne and Renee as Sakura picks up a pink ladder and slides it into the ring! Cassius is in trouble! Jaydayne with a powerful kick to the sternum! Renee with an impressively loud kick of her own to the chest of Cassius as he drops back against the ropes! Jaydayne with a kick! Renee with a kick! Sakura climbs up on the apron as Renee and Jaydayne grab Cassius... BIG IRISHWHIP SENDS CASSIUS FORWARD! He crashes into Sakura, knocking her off of the apron and down to the floor! Things aren't looking so good for the One True Pairing in the early going!

Doc: They tried to go straight for the ladders and it blew up in their faces! A damaged Cassius turns around! RENEE JONAE CHARGES IN! RAKURAI!! No--The Spear is deflected by a knee strike from Cash! He's not going down that easily as he nails Renee with a big forearm! Jaydayne rushes in, but Cassius catches him with an immediate boot to the face! Cash lifts Jonae up with ease!

Murrow: JAYDAYNE WITH A BEAUTIFUL LEG SWEEP KICK! Jonae drops right on top of Cassius! They don't look finished quite yet! Jaydayne has eyes on the ladder Sakura introduced into the ring! He may have something in mind as he drags Cassius back up... And a scoop slam connects as Cassius is dropped right onto that ladder! Cassius writhing in pain, but he's not done just yet! Jonae and Jaydayne intend to keep this train chugging along as Jonae nods and charges into the ropes! Jaydayne gets in the way as Jonae rolls forward for a Rolling Thunder! JAYDAYNE SENDS HER UP AT THE END FOR A POP-UP SENTON ONTO CASSIUS CORLEONE!! RIGHT onto that ladder! Cassius is rolling around in agony!

Doc: We know the connection these two have with Jaywalker and that alone lets you know that they know EXACTLY what needs to be done to win! Anything possible! Jaydayne might be hoping to end this as he goes for that ladder...

Murrow: No! Sakura reaches in from the outside and pulls the ladder out! She refuses to let her opponents even have a chance of ending it this early! She's got that ladder in her hands as Jonae charges in and connects with a baseball slide straight into it! Sakura is sent reeling on the outside! Jaydayne and Jonae hope to capitalize! They're paired up! JAYDAYNE AND JONAE RUSH INTO THE ROPES! PICKING UP STEAM AS THEY TARGET SAKURA!! DOUBLE SUICIDE DIVES!!!

Doc: SAKURA LAUNCHES THE LADDER AT BOTH OF THEM AS JAYDAYNE AND RENEE JONAE CRASH ON THE OUTSIDE! That's what happens when you take risks like that in this kind of match! Sakura doesn't look finished yet at all! She picks up that ladder and drives it down into the body of Jonae! And now drives it down into Jaydayne Pendragon! Sakura slams the ladder down across both opponents! She looks furious! Sakura takes notice of her husband still in the ring in pain as she slides back in! Sakura seems more concerned about checking on her husband!

Murrow: A sweet gesture, but it's not gonna last long as Jaydayne Pendragon looks like he's already rising back to his feet on the outside! Cassius is pointing towards their opponents, telling Sakura to take care of them! Sakura nods! SHE CHARGES WITH MOMENTUM AT HER BACK! It's no good as Renee cuts her off with a sudden ladder to the gut from the outside! Jonae leaves that ladder down against the ropes like a makeshift ramp as she backs up... RENEE CHARGES, RUNNING UP THE LADDER AS SHE LEAPS OVER THE TOP ROPE AND AT SAKURA WITH A FLYING CROSSBODY!! Sakura goes down, but shows off her strength as she rolls backwards up to her feet with Renee caught in her grasp!

Doc: JAYDAYNE PENDRAGON RUNS UP THE LADDER AND LEAPS INTO THE RING WITH A FLYING CLOTHESLINE - NEARLY TAKING SAKURA'S HEAD OFF IN THE PROCESS!!! What a move! Jaydayne and Renee are back in full control once again as they rise back to their feet! Jaydayne kicks Cash to the outside as they single out Sakura this time around! I don't know if Cash will be good to go again in this contest after the damage he suffered earlier! Renee grabs Sakura, setting her up... She's got Sakura in position! Sakura's fighting it, but not for long! RENEE JONAE PULLS SAKURA BACK AND IN POSITION FOR A ROMERO SPECIAL, LIFTING SAKURA UP BY HER LEGS AND ARMS FROM THE CANVAS!! Jaydayne is climbing to the top, looking to finish her off! He's perched!

Murrow: CASSIUS DRIVES A LADDER INTO JAYDAYNE FROM THE OUTSIDE!!

Jaydayne goes crashing hard to the floor! Cassius Corleone is back in this! I think Jonae just realized something was wrong, and Sakura seizes the opportunity as she powers her way out of the Romero Special... And she does so while grabbing a leg of Renee! Sakura's got the other leg! Jonae is fighting with all her might! SAKURA WITH A BIG SLINGSHOT AS JONAE CRASHES FACE-FIRST INTO THE TOP TURNBUCKLE! A dazed Jonae stumbles around... SAKURA LAYS HER OUT WITH A BEAUTIFUL SPINNING ROUNDHOUSE!! She's down! Cassius slides that ladder into the ring as the One True Pairing hope to end this right here and now! Sakura grabs the ladder and gets to setting it up.... And she's got it! She's got it directly under those gleaming Freebird Tag Team Championships!

Doc: Cash and Sakura nod to each other before they each take one side of the ladder and start their ascent! And that's the only way this match can be won - by both members of a team on the ladder to pull down the Championships! The One True Pairing have been together all their lives and they intend to spend the rest of it as the forever Freebird Tag Team Champions! They're making their way closer to those Titles!!

Murrow: Jaydayne stumbles into the ring and nails Sakura with a forearm to the small of the back! Another hard shot! Cassius continues to climb! No! Renee Jonae is back in this as well as she swings at him from behind! Jaydayne and Renee refuse to let it end here! The One True Pairing are doing all they can to turn this around... JAYDAYNE AND RENEE CATCH BOTH SAKURA AND CASSIUS IN A TREE OF WOE ON BOTH SIDES OF THE LADDER!! They're trapped! I BELIEVE THEY CALL THIS THE JAQQUM TREE AS RENEE SWINGS A POWERFUL KICK INTO THE BODY OF CASSIUS WHILE JAYDAYNE DOES THE SAME TO SAKURA! ANOTHER SET OF KICKS! ANOTHER! ANOTHER! ANOTHER! JAYDAYNE AND RENEE CHARGE PAST ONE ANOTHER AND INTO OPPOSITE ROPES AS THEY HIT SIMULTANEOUS SPRINGBOARD DROPKICKS TO THE ONE TRUE PAIRING!!!

Doc: That ladder tips over as both Sakura and Cash fall out of those tree of woe positions! What a beating they just took!

(A replay is shown of J-Dynasty hitting simultaneous springboard dropkicks into OTP while caught in a double tree of woe on the ladder)

Doc: Jaydayne and Renee know they can finish this! They know they have a golden opportunity here! OTP took a chance and it blew up in their faces! Jaydayne and Renee grab the ladder and lift it back up into position! They can't chance one of them holding off their opponents either! BOTH must be on the ladder! They have no choice but to both start climbing!

Murrow: Sakura still has life in her as she grabs onto the boot of Jaydayne! Renee hesitates! Jaydayne tells her to keep going! He's not letting this stop them! Jaydayne keeps climbing regardless of Sakura hanging onto him! Sakura refuses to let go! She's doing all she can to stop their opponents from winning this! Jaydayne showing impressive strength as he continues to climb each rung while carrying Sakura's weight with him! Sakura's climbing up as she lays into the spine of Jaydayne with hard shots! Rapid-forearms to the back of Jaydayne! All Jonae has to do is pull the Titles down! SAKURA GRABS ONTO JAYDAYNE--SHE'S TRYING TO RIP HIM DOWN!! HE HANGS ONTO THE LADDER!! JONAE GRABS THE TITLES!!

Doc: CASH LEAPS WITH A DROPKICK INTO THE LEGS OF JAYDAYNE AS SAKURA PULLS PENDRAGON OFF THE LADDER INTO A HEINOUS CRUCIFIX DRIVER!!!! THE DEAD END CONNECTS EMPHATICALLY AS JAYDAYNE IS DRIVEN INTO THE CANVAS!!!!

Murrow: Renee Jonae can't believe it! She was a second away from ending this! She can't legally win the match without her partner on the ladder with her! Jaydayne Pendragon is absolutely motionless there on the canvas! I would be stunned if he doesn't have a broken neck after getting dropped right on his damn head from that Crucifix Driver off the ladder! Renee is visibly struggling with what to do next! She sees Cassius getting back to his feet! She's running out of options... RENEE LEAPS OFF OF THE LADDER WITH A DIVING FOREARM SMASH INTO THE FACE OF CASSIUS!!! Cassius drops to the outside!!

Doc: Both men in this contest have been taken out just like that! All that's left is Sakura Corleone and Renee Jonae as both slowly rise back to their feet! Sakura realizes Cash is hurt on the outside! The sheer fury in her eyes!

Sakura (no mic): YOU HURT MY CASSIUS!

Murrow: SAKURA CHARGES AT RENEE! Nobody's home with the attempted lariat! Sakura turns around to eat a palm thrust to the face from Renee! Another palm thrust connects! Rolling backhand!! Sakura ducks it! SUPERKICK TO THE BACK OF RENEE'S SKULL! Renee stumbles forward, into the ropes! SAKURA WITH A BACKSTABBER TO FOLLOW IT UP!!

Doc: Renee latches onto the ropes to block it as Sakura crashes to the canvas! She scrambles to get to her feet! SAKURA WITH NOTHING BUT HATE IN HER EYES AS SHE RUSHES AS RENEE TURNS AROUND! A SNAKE EYES DROPS SAKURA THROAT-FIRST ACROSS THE TOP ROPE!! Sakura is gasping for air as she slowly turns around... AND SHE REFUSES TO GO DOWN AS SHE CHARGES ONCE MORE FOR RENEE! A BIG FLAPJACK

CONNECTS AS SAKURA IS DRIVE HARD INTO THE CANVAS!! Look at this! Sakura just won't stay down! She literally will not stay down for anything as she's already climbing back to her feet! But Renee's waiting for her! Sakura swings with a right hand! It's blocked! Renee with a big elbow! A forearm to the face of Sakura! Another forearm! SAKURA SWINGS, BUT SHE'S CUT OFF WITH A POWERFUL PALM STRIKE FROM RENEE!! SHE TURNS SAKURA AROUND AND LEAPS TO HER SHOULDERS!! REVERSE FRANKENSTEINER DROPS SAKURA ON THE BACK OF HER HEAD!!!

Murrow: SAKURA IMMEDIATELY GETS BACK UP AND NAILS RENEE JONAE IN THE BACK OF THE SKULL WITH A RUNNING KNEE STRIKE BEFORE COLLAPSING!!!! WHERE THE HELL DID SHE HAVE ANYTHING LEFT TO DO THAT?! SAKURA MAY BE DOWN, BUT SHE MADE SURE TO TAKE RENEE WITH HER!! Unbelievable!

Doc: These two women have absolutely beaten the Hell out of one another by any means necessary! BOTH teams have! Sakura and Renee remain the only two still showing signs of life in this contest as they start racing back to their feet! Both are damaged! Both are hurt! It could very well be anyone's game at this rate! Sakura and Renee lock eyes! They look more determined than ever!

Murrow: Renee drops down and gets immediately dragged out of the ring by Cassius Corleone! He's back in this as he promptly drives Jonae straight into the barricade! Cassius grabs a ladder and throws it down on the floor there... He's got another and throws it down as well! Cassius now with a third ladder as he adds it to the pile! I don't know what exactly he has in mind, but I know it's going to end very badly for someone! And that someone looks to be Renee Jonae as Cassius pulls her up! PICKING JONAE UP FOR A SUPLEX ONTO THOSE LADDERS!!

Doc: Jaydayne is back in this as he pulls Jonae down from the suplex! Jaydayne with a shot to the face of Cash! Cash fires back with a hard haymaker of his own! Jonae with a forearm! Cash with an elbow! All three going at it! SAKURA SLINGSHOTS HERSELF TO THE OUTSIDE FOR A CROSSBODY!! Renee and Jaydayne have it telegraphed as they move and cause Cash to take the crossbody himself!! Sakura looks beside herself here! She accidentally hit Cash! Sakura's trying to apologize... SHE TURNS AROUND--STEREO HIGH KICKS TO THE SKULL FROM RENEE AND JAYDAYNE!!! Sakura drops down like a sack of bricks! Renee and Jaydayne aren't finished as they drag Cash back up now... AND THEY SEND HIM CRASHING INTO THAT PILE OF LADDERS WITH A DOUBLE-TEAM SUPLEX!!!

Murrow: AND THEY INTEND FOR SAKURA TO JOIN HER HUSBAND AS THEY PULL HER UP NEXT!! THEY SEND SAKURA UP FOR A SUPLEX!!! NO--SAKURA WITH DOUBLE KNEES DOWN INTO THE SKULLS OF RENEE AND JAYDAYNE! ANOTHER

SET OF KNEES! Sakura escapes out of the grasp of her opponents and immediately dives back into the ring! She sees a golden opportunity!! SAKURA CHARGING WITH VELOCITY AS SHE TARGETS BOTH OF HER OPPONENTS!! SUICIDE DIVE!!!!

Doc: RENEE AND JAYDAYNE STOP HER WITH A PAIR OF FOREARM SMASHES!! Sakura falls backwards into the ring with a dazed expression! They may have been the true turning point here! That might have been all Sakura had left in her as Renee and Jaydayne climb up to the apron... Sakura's struggling to even get back to her feet! I wouldn't be surprised if she's concussed after all the hits she's taken, and that last one was no exception! Jaydayne and Renee pull her in... Oh no! No! Don't! LOOKING FOR A DOUBLE-TEAM SUPLEX ONTO THAT PILE OF LADDERS ON THE OUTSIDE FROM THE APRON!!!!

Murrow: Cassius stumbles over to them as he grabs the leg of Jaydayne! He won't let it happen! Sakura drops down to her feet as Jaydayne kicks away Cassius! Jaydayne catches Cassius with a boot to the face!! Sakura with a sudden Pele Kick to both Renee and Jaydayne! She got them! Both are dazed, but they hang on! OTP has to capitalize! CASSIUS RUSHES BACK IN AS HE PULLS JAYDAYNE ONTO HIS SHOULDERS!! HE'S GOT HIM--POWERBOMB STRAIGHT ONTO THAT PILE OF LADDERS!!! SAKURA RUSHES IN WITH SPEED AS SHE LEAPS OVER THE TOP--CHERRY BOMB!!!! RENEE JONAE IS SENT CRASHING INTO HER FIANCEE AND THAT PILE OF LADDERS WITH A VIOLENT SUNSET FLIP POWERBOMB!!!!

Doc: This contest has been nothing short of a demolition derby! It's absolute carnage at ringside! Renee Jonae and Jaydayne Pendragon have both been absolutely demolished and laid out together on that pile of ladders at ringside as Cash tries to pull Sakura up as they look to finish this! Both of them are absolutely exhausted!

(A replay is shown of Cassius Corleone pulling Jaydayne Pendragon off of the apron and powerbombing him onto the pile of ladders before Sakura Corleone sunset flip powerbombs Renee Jonae onto Jaydayne and the pile of ladders)

Doc: And look at this! OTP is actually LAUGHING! They believe they've got this won already as they kiss! Love is great and all, but I think they would love to actually win this match right now! OTP rolls back into the ring together as they quickly get back up to their feet and seize control of that ladder! OTP getting it adjusted... And they start making their ascent! Both partners climbing each rung! They've done everything in their power to prove beyond a shadow of a doubt that they are THE power couple in all of professional wrestling! Tonight may be no exception as their Freebird Tag Team Championships are looming just overhead! Cash is the

quicker of the two! All he has to do is pull them down! Sakura isn't far behind! OTP HAS THIS WON!!

Murrow: RENEE JONAE LEAPS TO THE TOP ROPE FROM THE APRON--DIVING SPEAR TO SAKURA OFF OF THE SIDE OF THE LADDER!!!! SAKURA CRASHES TO THE CANVAS LIKE A METEOR TO EARTH AS A SHOCKED CASSIUS LOOKS ON!! WHERE ON EARTH DID JONAE JUST COME FROM?!

(A replay shows Renee forcing herself up to the apron using the ring ropes, and leaping to the top rope for a Spear to Sakura Corleone)

Doc: An incredible save! Cash can't do anything now! No Sakura on the ladder means no winning this match yet! He looks absolutely furious! Renee is rising back to her feet as Cash looks on.... SHADES OF WHAT SHE DID EARLIER AS CASH LEAPS OFF THE LADDER AND CRASHES INTO JONAE WITH A MODIFIED FROGSPLASH!!!! CASH USING HIS LARGER FRAME OVER RENEE AND CRUSHES HER UNDER ALL 220 POUNDS OF HIM WITH THAT!! Renee may have saved this contest for her team, but I don't know for how long! I don't see any sign of Jaydayne! He might be done in this contest! There may be nothing left of him after what happened earlier! Cash stumbles over to Sakura, doing everything he can to revive his wife! She may be too hurt! Cash now... He's picking her up! Cash is doing the only thing he can do now as he picks his wife up on his shoulders in a fireman's carry position! This may be brilliant if he can pull it off!

Murrow: He looks absolutely exhausted, Doc! His body has to be aching and he has to be running on pure adrenaline, but it may be enough for him to win this as he starts climbing the ladder with Sakura on his shoulders! Both competitors are technically on the ladder! He can still win this! Cassius is putting every ounce of strength he has into ascending the ladder with Sakura on his shoulders!

Doc: JAYDAYNE STUMBLES INTO THE RING AS HE RUSHES UP THAT LADDER!! HE'S GOT CASH!! CASH CAN'T FIGHT IT WITH SAKURA ON HIS SHOULDERS!!! GERMAN SUPLEX OFF OF THE LADDER AS ALL THREE COME CRASHING DOWN TO THE CANVAS!!!! YOU'VE GOTTA BE KIDDING ME!

Murrow: What a match this has been thus far! Neither team is giving their opponents even an inch! All four of them are down! All four damaged and beaten and battered! OTP are stirring as Renee Jonae and Jaydayne Pendragon struggle to get back up... I genuinely don't know who could take control by this point! They all four look like they're barely hanging in there! OTP is on their feet as Sakura swings with a right hand shot to Jaydayne! It's blocked as Renee nails

Sakura with a hard right hand instead! Cassius with a powerful forearm to the face of Renee that nearly drops her! Jaydayne reacts with a boot to the mouth of Cassius! Sakura with a kick off the skull of Jaydayne! Jaydayne with an open-hand chop to the face of Sakura! Both Sakura and Cassius with forearms to the face of Jaydayne! A shot from Renee gets blocked! Another set of forearms from OTP to Jonae!! OTP takes control with simultaneous rights into Jaydayne and Renee! Another set of shots! Another! ANOTHER! JAYDAYNE AND RENEE DUCK THE NEXT SET AS OTP TURNS AROUND! STEREO DROPKICKS FROM RENEE AND JAYDAYNE AS OTP GOES FALLING THROUGH THE ROPES AND TO THE OUTSIDE!

Doc: OTP are scrambling on the outside! Renee and Jaydayne know this isn't finished yet! They need to keep going! Both look to one another... AND THEY NOD BEFORE HITTING THE ROPES! BOTH COMING IN, BARRELING TOWARDS OTP!! DOUBLE SUICIDE DIVES!!!!

Murrow: OTP GRAB A LADDER AND NAIL RENEE AND JAYDAYNE IN THE SKULLS WITH IT TO SEND THEM DROPPING BACK INTO THE RING!! They aren't letting their opponents take control! OTP slides that ladder into the ring! OTP rejoin their opponents in the ring as they get back on their feet! Renee charges! OTP swing for double clotheslines, but Renee ducks it! She comes off the ropes!! THE RAKURAI!!!!

Doc: CASH CATCHES THE INCOMING RENEE WITH A DROP TOE HOLD INTO AN AWAITING KNEE FROM SAKURA!! She could be out! Jonae got absolutely rocked by that combination!! She's motionless on the canvas as Jaydayne is back in this and swings with a kick to the skull of Sakura! It misses! Cash nails Jaydayne with a boot to the face! Jaydayne stumbles around into a LOUD kick to the skull from Sakura!! Jaydayne refuses to go down!! He's got a crazed look in his eyes! ROLLING ELBOWS FROM OTP TO THE BACK OF JAYDAYNE'S SKULL AND HIS FACE AS THE INTERNAL DECAPITATION CONNECTS!!! Jaydayne is out! OTP has a chance to finish things off as they immediately target Renee now! She's barely able to move by this point as OTP drags her up... And Cash immediately lifts Jonae into an electric chair position! We know what's coming! Sakura rushes over to the nearby corner! They intend to take Jonae completely out of the equation here! SAKURA IS PERCHED!! SHE LEAPS FOR THE BULLDOG FROM THE TOP--JUDAS CRADLE!!!!!!!!!!

Their bodies are damaged, but they're pushing through the pain to walk out of here as the new Freebird Tag Team Champions! They're putting everything they have into ripping those Titles down! THEY'VE ALMOST GOT IT! JUST REACH!!

Doc: OTP HELP EACH OTHER UP AND BOTH CHARGE INTO THE LADDER TO TIP IT OVER!!! RENEE HITS THE TOP ROPE AND FALLS TO THE OUTSIDE WHILE JAYDAYNE MANAGES TO LAND ON HIS FEET IN THE RING!! They can see their Championships shining overhead! Each rung must be agony with how much damage they've accumulated!

(Renee Jonae springboards into the ring and onto Sakura Corleone's side of the ladder)

Murrow: WHAT?! WHERE THE HELL DID SHE JUST COME FROM?! AGAIN?! This woman is relentless! She is absolutely relentless as she lays into Sakura! Cassius can't do anything! He's powerless! All he can do is let Sakura fight it out with Renee as those two struggle on that side of the ladder! Cassius aims to end this as he keeps climbing! As long as Sakura is still on the ladder, OTP can win it if he pulls those Titles down! He's going!

Doc: BUT JAYDAYNE MAKES IT BACK TO HIS FEET WITH THAT OTHER LADDER IN HAND! HE'S SETTING IT UP! I can't believe it! They won't stay down! Cash is in panic mode as he looks on! Jaydayne already has the second ladder set up next to them as he starts climbing next to Cash! Cash with a boot to the skull of Jaydayne! Jaydayne keeps climbing! Another boot from Cash! Another! (DING! DING! DING!)

("The One True Theme" by contRoVersy plays all throughout the MGM Grand Garden Arena as an exhausted Sakura holds up the Freebird Tag Team Championships while still on the shoulders of Cassius)

Doc: They did it! I don't know how, but they did it!

VANESSA: THE WINNERS OF THIS MATCH.... AND STTTIIIIILLLLLL YOUR FREEBIRD TAG TEAM CHAMPIONS..... SAKURA AND CASSIUS CORLEONE.... THE ONE! TRUE!! PAAAAAIIIRRRRRRIIINNNGGGGGGGG!!!!!!!

(Cassius slowly climbs down from the ladder, keeping Sakura up on his shoulders as she proudly holds up the Championships)

Murrow: By hook or by crook, they pulled it off! The One True Pairing did literally anything and everything in their power to prove they are everything they claim to be, and I believe they did exactly that! What a brutal contest that was!

Doc: But hey, not to take anything away from Renee Jonae and Jaydayne Pendragon! They fought like absolute Champs out there! I didn't have a clue who they were heading into this match, but I certainly know them now! They took OTP to their absolute limits and beyond out there!

(A disappointed Jaydayne and Renee console one another in a nearby corner while Cassius finally lets Sakura down from his shoulders and they kiss)

Murrow: Love is great and all, but you know what's better? Being a Champion! And the One True Pairing have both of those things going for them tonight!

(A "Kiss Cam" appears on the titantron in celebration of OTP's win, featuring the fans, but also censoring anyone on camera due to how they look)

Doc: Congratulations to the One True Pairing on a hard-fought victory, and may they reign forever!

(Pink pyro goes off in the shape of a heart as Sakura and Cassius Corleone hold up their Freebird Tag Team Championships before the camera fades elsewhere)

(The camera cuts back to the ongoing party in the "Play Room" as a short man with blond hair and trendy clothing guzzles down a glass of champagne while holding a microphone in his other hand)

???: AHHH! Hellooooo, everyone! Welcome back to the Playtime Party! I'm Ron Skippy, taking over for Bon Skippy! Welcome Dollhouse fans and Skippers alike as the party is still going strong backstage! Are all of you having a good time?!

(The people around cheer in response as Ron Skippy takes another drink)

Ron Skippy: Alright, alright, alright! Let's take this on the road and see what else we got going on at this party!

(Ron Skippy and the cameraman go through the crowd until they see The Dollhouse at their VIP Lounge Booth, with DiVa dancing and Jonetta Stone sharpening her hunting knife)

Ron Skippy: Wazzuupppp--

???: And boom. That's all there is to it. That's my idea for "The Greatest Doll In" LIVE from Saudi Arabia!

(Sweet Roxy lazily sits in the throne she had arranged for Layne Kurobane while hugging her Layne Kurobane body pillow as she looks on)

Sweet Roxy: Yeah... That's... That's not gonna work. Women aren't going to be allowed to wrestle in Saudi Arabia. And also... Why are you pretending to be speaking as Drake?

(The camera shows Siberius Tones sitting on a leather couch across from Roxy while a motionless Drake Jaeger sits next to him with sunglasses on and still wearing his wrestling attire. Siberius attempts to pretend as though Drake is moving and speaking as he moves his hand and speaks for him)

Siberius (as Drake): Whaaat? No! My good friend and better, more handsome partner teammate, Siberius, is only here for moral support. He's not legally allowed to speak on camera without his voice digitally altered, haha!

Sweet Roxy: Well, I have nothing against playing "Weekend at Drake's", but I think something might actually be wrong with him if he's still unconscious from your match earlier...

Siberius (as Drake): Girrrll, you so crazy! That's what I've always loved about you! Nah, I'm a little tuckered out but this guy Siberius is still having a good time at the party so I don't see a problem with staying a couple more hours or so! Come on, ST!

(Siberius drags Drake's unconscious body with him as they go back to the party while Sweet Roxy shrugs and take a sip of champagne. A loud knock is heard at the door as Roxy immediately tosses the glass and gets to her feet)

Sweet Roxy: IS THAT LAYNE? IS THAT LAYNE? IS LAYNE HERE? SOMEBODY GET THE GODDAMN DOOR BEFORE HE LEAVES! I'LL GET IT!

(Sweet Roxy leaps into the crowd, pushing several people out of her way as she rushes up to the door)

Jaywalker: What was it I told you so many times, Jonetta? Do what a woman does best and shut your mouth. Let the adults talk now. You've all enjoyed yourself enough tonight, so I think it's only fair we enjoy ourselves too.

Sweet Roxy: ... Look, I'm not into older dudes. You look like you're like 70.

(Jaywalker chuckles)

Jaywalker: That's cute. You really are your parents' child, aren't you? I hope you haven't gone fooling yourself into thinking that makes you untouchable. Quite the opposite, really. I have no qualms with hurting the children of anyone in this business. Usually it would be to prove a point to the parents, but with you? Well, children need to know their places and it seems like HBG and Robbie haven't done a good enough job with that, so I'd be happy to do it myself.

(Roxy and Jaywalker stare down before HBG and Robbie step in)

Robbie: I didn't train you to take anything for granted. Nothing. It's not just about tonight, it's also about next week when you defend your Titles too. Don't pretend the people who made you and raised you is enough to coast on all your life. You should be getting ready for your match and not... Whatever this is.

Sweet Roxy: It's just a party, it's not--

(HBG slaps Roxy across the face as the party suddenly comes to a halt and everyone goes silent)

HBG: Party's over.

(Roxy stares down with HBG)

HBG: You think you can win that easily? You think it's okay to underestimate anyone, let alone us? You're not a little girl anymore, so stop dreaming like one. Time to grow up, Rosanna.

(Jaywalker laughs as he, HBG, and Robbie take their leave while The Dollhouse look on before the camera transitions back to Damien Murrow and Dr. Feelgood on commentary)

Doc: Times like this I'm happy my mother is dead.... Great, now I'm sad...

Murrow: Well, Roxy was hoping to finally see Layne Kurobane tonight, but I think she got what I would think is the exact opposite of that. I know enough about The Bane of LEGION to know

that they're three of the most vicious competitors in this industry, and I think that confrontation said it better than I ever could.

Doc: Yeah, it's safe to say The Bane of LEGION haven't missed a beat and they intend to win tonight, whether this show is completely based on The Dollhouse or not.

Murrow: I hope Sweet Roxy is realizing how much is truly at stake tonight as well, because if they walk into this main event thinking it'll be their crowning moment for THEIR show and they lose... Well, I can't think of a bigger humiliation.

Doc: Well speaking of humiliation, it's time to pay the bills and talk about tonight's sponsors for Doll In that helped make this happen!

Murrow: What? We have sponsors?

Doc: That we do! Plenty of them!

Murrow: Right, well you go ahead and do that, I'll let you handle it...

(Damien Murrow visibly stops caring)

Doc: OKAY THEN! TONIGHT'S SHOW IS BROUGHT TO YOU BY... TOYOTA! AMAZON! UBER! SNICKERS! BUTTERFINGERS! PEPSI! COCA COLA! DR. PEPPER! SUBARU! RED LOBSTER! MCDONALDS! BURGER KING! THE MOVIE PET SEMATARY NOW ON BLU-RAY AND DVD!

Murrow: You're doing great.

(Damien Murrow takes a sip of his water as he nods and continues not to care)

Doc: THE NINTENDO SWITCH! APPLE TV! AIR PODS! FROSTED FLAKES! SWEET ROXY'S "WRESTLER GIRL BATH WATER"! And it says here "Take drink of Wrestler Girl Bath Water to--

(Murrow abruptly spits out his water)

Murrow: WHAT? WHAT THE FUCK IS WRESTLER--BATH WATER?! IS THIS NORMAL WATER? SOMEONE TELL ME IF THIS IS GODDAMN NORMAL WATER!

Doc: And that's about it! Thank you to all of our sponsors! And now it's time for a match that's been years in the making! One that's been easily one of the most highly anticipated of Doll In!

Murrow: I need to brush my teeth...

Doc: Well it's gonna have to wait, because we're moments away from a match that's been coming since these two men first confronted each other a year ago at Curtain Call! But more than that, it's a history that's been building up for years between the past these two competitors have, and it all boils over right here and right now! Let's not wait any further and get to it!

(The camera cuts back to the MGM Grand Garden Arena as a lone pink spotlight shines down upon the stage before slowly turning to normal lighting. After several moments, "Red Stars" by The Birthday Massacre begins to play all throughout the arena)

Doc: It's about that time for the only singles contest of the night, and it begins with a man who's as shrouded in mystery as just about anyone you'll see!

(John Alloy steps out of the darkness and into the spotlight - dressed in black attire with a trenchcoat on, black and white face paint, and a titanium baseball bat in hand)

VANESSA: The following contest is scheduled for ONE fall!....

Crowd: [CENSORED]

(Alloy begins making his way towards the ring as the spotlight follows him. He remains focused as he clutches the bat that's resting on his right shoulder)

VANESSA: Introducing first.... Making his way towards the ring!.... From The Rocky Mountains!.... Weighing in at 230 Pounds!.... THIS IS "IRONCLAD" JOHN ALLOY!!!!!!....

Murrow: I've personally never met this man, but I've heard more than my fair share about him for as long as I've been around this industry. He hasn't competed in an actual contest in years, but I suppose this match in particular garnered his attention...

Doc: Well you definitely know a lot more about it than I do, but even I'VE heard the stories that have come from this man and his opponent just by the people they're both associated with, and that's saying something!

(Alloy enters the ring as he looks around; taking in everything)

Murrow: The thing I know most about him is that he always has some sort of mission in mind, and he looks like he intends to fulfill it tonight by any means necessary.

(A loud roar sounds all throughout the MGM Grand Garden Arena as Alloy is shown removing his trenchcoat and getting ready in the ring)

Murrow: Now THIS is a man I know all too well...

(“Bloodlust” by contRoVersy plays all throughout the arena as Ares Vendetta makes his way out to the stage in silver and grey attire with a smirk on his face as he looks towards John Alloy in the ring)

VANESSA: And introducing his opponent!....

(Ares takes a moment to look around at the stage set-up for Doll In; looking disgusted as he starts making his way down to the ring while locking eyes with Alloy once again)

VANESSA: Making his way towards the ring.... From The Land of the Rising Sun!.... Weighing in at 217 Pounds!.... HE IS “THE BLACK VULTURE”.... ARES
VENNNNNNNNNNDETТА!!!!!!.....

Doc: I guess it’s safe to say that neither of these men got the memo about this show, because they’re both looking like a couple of killjoys... And killers...

Murrow: I don’t think that should come as a surprise to anyone, because I’ve known Ares for quite sometime now and even managed him at one point. This man is every bit as sadistic as people believe he is, and he has no trouble at all wearing it on his sleeve for the World to see. This contest might seem almost random to some, but I can assure you there’s more history between these two from their sheer backgrounds that we don’t even have close to enough time to sift through it all.

(Ares enters the ring and as he and Alloy continue to lock eyes. After a few moments, Ares smirks again while removing the silver top he has on to reveal the names tattooed on his body, including a new “JOHN ALLOY” tattoo)

Doc: THIS is Robbie’s kid? Is there something wrong with him? This guy literally has a list of names tattooed on his body!

Murrow: And I think it's safe to say he intends to cross out that name tonight if it's the last thing he does. This match has been building for years, and it was only nearly a year ago that these two finally crossed paths.

(John Alloy remains in his corner while Ares Vendetta crouches in a nearby corner, never taking his eyes off of his opponent. After a few moments, the Referee makes sure both men are ready before calling for the bell)

(DING! DING! DING!)

Murrow: There's the bell and this contest is officially underway with neither man moving even an inch just yet... It's even appropriate that Alloy comes from the Rocky Mountains while Ares resides in the "Land of the Rising Sun", because these two individuals are truly like ice and fire. Two men from completely different backgrounds, and yet so many factors that tie them together. This match was inevitable.

Doc: I'm sure if both men would agree on something, it's that they certainly didn't intend for this inevitable match to happen here at this show... But regardless, here they stand, and here they go as Ares steps out of his corner while Alloy does the same for them to circle the ring.

Murrow: There's so many small things Ares does to try to get into his opponent's heads and that arrogance he's radiating is certainly one of them as he and Alloy circle... Both men go in for a collar and elbow tie up to begin things... Alloy showing that those mind games are something he's practically built for as they aren't stopping the power advantage he has over Ares - slowly pushing Ares down in this test of strength! Ares showing off his own strength by battling back to get completely to his feet and perhaps turn the tide to take control here...

Doc: But it looks like Alloy has other plans as he breaks the tie up and traps Ares in a side headlock! Could be looking for a takedown, but Ares isn't having it! He's fighting it... Looking to force Alloy off and send him into the ropes! It's no good as Alloy hangs on, applying more pressure to this headlock! Ares may be as crafty as they come, but even I know Alloy has more experience and a seasoned veteran mindset to him... Ares once again struggling to keep Alloy from a takedown and grounding him in this headlock... Ares manages to push Alloy up against the ropes! Ares clutching a rope as the Referee has to start a count!

Referee: ONE!

Murrow: Alloy breaks the headlock as Ares goes for a chop! No! Ares stops himself and instead mockingly pats the chest of Alloy just to show how easily he could have done it... That smirk

shows itself again from Ares as Alloy looks unfazed... Ares inviting him in for another collar and elbow tie up, which Alloy accepts! Ares quickly breaks from it for a side headlock of his own! JOHN ALLOY IMMEDIATELY LIFTING ARES INTO A BACKDROP DRIVER!! Where the Hell did that come from?! Alloy showing off that strength of his as a stunned Ares scrambles to get back on his feet! Alloy's waiting for him! He catches Ares with a side headlock takedown!! Ares is panicking! He uses every ounce of strength he has to force Alloy himself up before Alloy can keep him grounded! Ares working his way back up with Alloy still hanging on! Both men going into the ropes again as Alloy breaks the hold!

Doc: ARES WITH AN IMMEDIATE SLAP ACROSS THE FACE OF ALLOY! He's pissed off! ANOTHER OPEN-HAND CHOP TO THE FACE OF JOHN ALLOY! ANOTHER! ANOTHER! Alloy looks unfazed by it as Ares backs off! Alloy might be playing some mind games of his own here! I imagine Ares is accustomed to his opponents giving into those disrespectful tactics of his, but John Alloy isn't giving him an inch!

Murrow: Alloy stands tall as he looks Ares in the eyes! Look at that fire in the eyes of both men! Ares wants to punish this man for everything he's associated with regarding his father and Jaywalker! Even the sheer paint on his face is enough to piss this man off! And if I had to guess, Alloy simply wants to humble Ares! And Ares has had enough of this screwing around as he nails Alloy with an immediate gunshot-loud kick to the chest!! Another powerful kick connects to the sternum of Alloy!! Ares with a high-kick to the skull now!! Nobody's home as Alloy ducks it! Ares immediately follows up with a spinning backfist, but it's no good! ALLOY CATCHES ARES WITH A BEAUTIFUL NORTHERN LIGHTS SUPLEX AS HE BRIDGES FOR THE COVER!!

Referee: ONE!!!

Doc: Barely even a one count before Ares powers out of the cover! Alloy and Ares race back to their feet! Ares with an immediate jumping knee strike as he springs to his feet! Alloy looks like he might have gotten finally dazed from that one! Saika Kick connects!!! Perfectly executed Question Mark Kick off the skull of Alloy as Alloy stumbles! Spinning backfist connects to Alloy! A spinning backfist with the other hand!! Ares is absolutely relentless! As relentless as they come as he connects with a loud palm strike! A second connects!! Shoot kick to the chest of Alloy! Another kick! Another! And another as Alloy struggles to stay on his feet! Ares will do anything and everything to bring this man down! Ares with ANOTHER kick!

Murrow: But Alloy swats that one away! He's still got life in him as Ares follows through with an immediate spinning backfist!! It's caught! The backfist is caught by Alloy! ARES IMMEDIATELY WITH A HEADBUTT!! What a sound that just made! A second violent

headbutt off the skull of Alloy! Alloy drops to one knee! He may have reached his limit as Ares wastes no time hitting the ropes!

Doc: AND ALLOY SPRINGS BACK UP TO CATCH ARES WITH A DOUBLE A SPINEBUSTER!! HE'S LOOKING TO IMMEDIATELY FOLLOW IT UP AS ALLOY GRABS THE RIGHT LEG OF ARES AND TURNS HIM OVER!! ARES IS PANICKING!! ALLOY DROPS DOWN INTO IT!! HE LOCKS IN A TIGHT STF ON ARES VENDETTA!!! ARES IS BEING DRAINED AS ALLOY HAS LATCHED ONTO HIM!! HE CAN'T DO ANYTHING! ARES IS DOING EVERYTHING HE CAN TO SCRATCH AND CLAW HIS WAY TOWARDS THE ROPES AS ALLOY APPLIES MORE PRESSURE WITH EVERY PASSING SECOND!! ARES IS DETERMINED TO MAKE IT! ALLOY WOULD LOVE TO FINISH THINGS RIGHT HERE AND NOW!! ARES REACHES OUT!!

Murrow: HE DOES IT! ARES CLUTCHES THE BOTTOM ROPE!! NO--HOLD ON!! ALLOY ISN'T DONE THERE AS HE BREAKS THE HOLD AND DRAGS ARES WAY FROM THE ROPES!! Ares has to do something! Anything! He's struggling to get up, but he's hobbling on one leg with Alloy keeping a grasp on his right foot! He may be looking for another STF! NO! He pulls Ares in! LEG-TRAP SUPLEX CONNECTS!! Ares dropped right on the back of his head! I can't believe what I'm seeing! Alloy has had an answer for everything since this contest began! Ares has taken one hell of a beating and it shows no signs of stopping! I don't think I've ever seen so much fear on the face of this man as Ares desperately scrambles to get back on his feet! Alloy is watching and waiting as Ares stumbles into the nearby corner! ALLOY COMES CHARGING IN!! IRONSPLASH CONNECTS!!! Emphatic corner splash to a battered Ares as Ares drops out of the corner while Alloy goes out to the apron!! Alloy sees an opportunity! His biggest yet!! Ares doesn't look like he has much left in him! He's been off his game and he's paid for it, but Alloy is on fire! Alloy is feeling it as he clutches the top rope; watching his opponent struggle to get on his feet... ARES IS UP AS ALLOY LEAPS TO THE TOP ROPE!! COLD ROLLED STEEL!!!!!!!!!!!!

Doc: NO--ARES PULLS THE REFEREE INTO THE WAY OF THE SPRINGBOARD ELBOW SMASH AS ALLOY BARELY LANDS ON HIS FEET TO STOP HIMSELF!!

Murrow: ARES DIVES IN FROM BEHIND WITH A VIOLENT CHOP BLOCK TO THE BACK OF ALLOY'S RIGHT LEG!! Alloy is writhing in pain! Ares sees his own golden opportunity as he doesn't waste even one second laying into that right leg!! Ares Vendetta looks like a rabid dog that just had a piece of meat thrown in front of it as he lays into that right leg of Alloy!! Ares rising back to his feet and stomping away at the leg as Alloy attempts to kick him away with his good leg! It's not doing him any good! Ares looks like a man possessed! He refuses to stop!

Doc: And the Official finally gets between them, yelling at Ares to stop the attack before he gets disqualified! The sadistic smirk on Ares' face as he puts his hands up and backs off! Look how proud he is! He knows he found the opening he needed and he intends to exploit it! The Referee is doing all he can to check on the state of Alloy! Alloy is doing all he can to get back into this as he struggles to get up with that bum leg... Ares immediately swings with a powerful kick to the leg as Alloy drops down to one knee in absolute agony! Ares now just mocking his opponent! A slap across the face of Alloy!

Ares (no mic): Come on, Alloy! Show me now! You can take it, right?

Murrow: And ANOTHER hard slap across the face of an injured John Alloy! Ares with a disrespectful boot across the face!

Ares (no mic): You're not him! You're not Jaywalker! You're weaker than all of them! You're nothing!

Doc: What's he saying?

Murrow: I don't know, but he certainly intends to squeeze every ounce of hate he has for this man and everything he stands for in this match as Ares strikes with another boot across the face! Alloy looks defiant! He's not going down! Ares with a powerful kick to the chest of Alloy! Still not going down! In fact the opposite! Alloy's working towards getting back on his feet! I can't tell if Ares is impressed or fearful at the tenacity of his opponent as he nails Alloy with another big kick! Another! ANOTHER AS ALLOY PUSHES THROUGH THE ONSLAUGHT AND THROUGH THE PAIN TO GET UP TO HIS FEET! Ares can't believe it as Alloy nails him with a strike of his own! A big right hand connects! A forearm to the face of Ares! KNIFE-EDGE CHOP ROCKS ARES! Alloy is laying into him! He unloads with a series of forearms off the face of Ares!! ARES WITH A QUICK KICK TO THAT INJURED LEG AS ALLOY STOPS! Ares immediately grabs the leg and DRIVES Alloy back down into the canvas with a violent dragon screw leg whip!! He's not finished there! He's not finished by any means as Ares grabs Alloy by his leg and drags him over to the corner!

Doc: We know what's coming! Ares pulls Alloy's leg out of the ring and gets him around the ringpost! Ares slides to the outside and grabs that right leg... HE DRIVES THE LEG OF ALLOY INTO THE UNFORGIVING RINGPOST! Alloy is writhing in pain! That face paint isn't going to hide the anguish he's going through right now! Ares swings the injured right leg into the ringpost a second time!! Alloy is absolutely powerless! He can't do a thing to stop it by

this point! Any attempt he makes is immediately thwarted by that leg holding him back! And Ares now... What's he think he's doing now!

(Ares pushes the Timekeeper out of the way as he grabs for something)

Murrow: ARES PULLS OUT THAT BAT OF ALLOY'S! HE'S GOT THAT TITANIUM BASEBALL BAT IN HAND! What the hell does he think he's going to do with that?!

(Ares smiles as he playfully flips the titanium bat in his hand while making his way over to John Alloy's leg against the ringpost)

Doc: He can't do that! He's out of his mind! The Referee is livid inside the ring!

Referee (no mic): DON'T DO IT, ARES! I WILL NOT HESITATE TO DISQUALIFY YOU IF YOU USE IT!

Murrow: I don't think he cares! Ares thinks it's hilarious! That sadistic smile says it all! HE'S NOT GIVING IT EVEN A SECOND THOUGHT AS HE TAKES THE BAT AND SWINGS IT!!!

Doc: IT STRIKES THE RINGPOST JUST ABOVE THE INJURED LEG OF ALLOY! ARES SWINGS THE BAT HARD INTO THE RINGPOST AGAIN! AND A THIRD TIME! Look at the dents he just left on that thing! If he was putting that to use on a human body it would have been a homerun! It looks like all he's doing is playing with his food!

(Ares laughs as he tosses the dented baseball bat into the crowd)

Murrow: WOAHH--LOOK OUT!! Ares is showing no regard for neither his opponent nor anyone else! John Alloy has managed to drag himself away from that ringpost as Ares looks to finally capitalize! Alloy may legitimately be injured! He's practically dragging that leg along! The Referee's looking to check on him again, but he's not having it as Alloy pushes him away! Alloy refuses to stay down! He absolutely refuses! He came here to bring Ares down and he fully intends to make it happen, but I think Ares intends to bring Alloy down as well in his own way! Dead or alive! It doesn't matter to him as he gets on the apron and clutches that top rope tightly! He looks like a kid on Christmas day as he watches Alloy struggle! Alloy is limping on that right leg! But he keeps going! With all he's got! ARES LEAPS TO THE TOP ROPE AS ALLOY TURNS!! COLD ROLLED STEEL?!!!!!!!

Doc: ARES VENDETTA VIOLENTLY NAILING JOHN ALLOY WITH HIS OWN FINISHING MANEUVER AS THAT SPRINGBOARD ELBOW SMASH CONNECTS!!!! HE GOT HIM TO PERFECTION AS ARES IMMEDIATELY GOES IN FOR THE COVER TO END THIS!!

Referee: ONE!!!!!!!!!!!!..... TWO!!!!!!!!!!!!!!!!!!!!.....

Murrow: ALLOY GETS A SHOULDER UP!! He's won't let it end like that!

Doc: I think I'm very quickly becoming more familiar with Ares, because the fact that he looks more amused than angry at Alloy kicking out after all of that says a lot!

Murrow: I have no doubt Ares would have absolutely relished beating Alloy with that Cold Rolled Steel, but you're right, he doesn't look too heartbroken by his opponent's resilience! Ares looks more glad than anything! He's cherishing every moment he has to inflict punishment and humiliation on Alloy!

Doc: Ares now just rolling out of the ring when he should be capitalizing on the damage done... He makes his way back over to the terrified Timekeeper and poor VANESSA over there by that booth! He seems to be demanding something! I... A towel? Ares just grabbed a towel here at ringside! Not exactly the weapon I expected him to use, but maybe it's more deadly in his hands...

Murrow: I don't think he intends to use it to hurt Alloy... At least not physically as Ares rolls back into the ring! The Official is still trying to check on an injured and beaten and battered John Alloy... But Ares pushes him out of the way! Ares grabs Alloy by his hair and drags him up to his knees!... And uses that towel to wipe Alloy's face! Ares Vendetta aggressively wiping off the face paint of John Alloy!! He tosses that towel away and leaves Alloy's face cleared of face paint for the whole World to see with a symbolic gesture! I don't know if that was for his father or for Jaywalker or simply to show everyone what Alloy truly is, but it's done! Alloy has lost all of that symbolic paint on his face as he tries to fight back in retaliation! He refuses to let this humiliation stop him as he nails Ares with a forearm to the mid-section! Another forearm connects! Alloy is rising back to his feet! He's fighting back with all he has left!

Doc: No! Alloy can't do it as his leg gives out! He collapses down to one knee! Ares shakes his head! DARKSTAR!!! A violent knee uppercut off of the knee of Alloy lays him out!! Alloy has lost any hope he had of turning this thing around! Ares has dissected him in every way possible! He's humiliated him physically! He's humiliated him mentally! Alloy has been reduced to nothing here before our very eyes and Ares still has yet to wrap it up, but he might now as he

laughs and goes back to the apron instead of going for a cover! He's clutching the top rope again! He would love nothing more than to beat Alloy with his own move as the icing on the cake! I don't think Alloy could survive a second time! Alloy clutches the pleading Referee's clothes to drag himself back up! I don't know how he keeps going, but Ares intends to put him out of his misery... **ALLOY IS UP ON HIS FEET! HE STUMBLES AS HE TURNS AROUND WHILE ARES LEAPS TO THE TOP!! COLD ROLLED STEEL!!!!!!!!!!**

Murrow: **ALLOY CHARGES IN TO STOP IT WITH A JUMPING UPPERCUT THAT SENDS ARES FLYING BACKWARDS AND INTO THE BARRICADE ON THE OUTSIDE!!!! HOW?! HOW DID HE PULL THAT OFF?!**

(A slow-motion replay is shown of John Alloy charging into Ares Vendetta for a jumping uppercut that sends Ares off of the top rope and flying into the barricade)

Doc: I saw it with my own eyes and I still can't believe it! Alloy looks like he has a new lease on life right now! Unbelievable resilience! That right leg hasn't stopped giving him trouble, but he may be running on pure adrenaline right now! Ares is slowly making his way back to his feet! **ALLOY IS READY FOR IT AS HE HITS THE ROPES!! HE BARRELS TOWARDS ARES WITH MOMENTUM AT HIS BACK!! SUICIDE DIVE!!!! A BIG SUICIDE DIVE FROM ALLOY TO ARES ON THE OUTSIDE!! BOTH MEN ARE DOWN!!** The Referee has no choice but to start a count!

Referee: ONE!!..... TWO!!..... THREE!!.....

Murrow: Alloy is slowly rising back to his feet! He looks like he's hanging on by a thread here! He has to get back into the ring! He needs to get up! He... Hold on... No! It doesn't look like he intends to win this by count out! He's grabbing Ares!

Referee: FIVE!!..... SIX!!.....

Doc: Alloy drags Ares up! He's got him! Alloy gets Ares on his shoulders with the intent to get him back into the ring! He refuses to win this way! Alloy is putting everything he has into this!

Referee: SEVEN!!.....

Murrow: **ALLOY'S LEG GIVES OUT AS HE COLLAPSES!! HE CAN'T MAKE IT!!**

Referee: EIGHT!!.....

Doc: ARES SUDDENLY COMES TO LIFE AS HE ROLLS HIMSELF BACK INTO THE RING!! HE'S GONNA WIN IT BY COUNTOUT!!

Referee: NINE!!.....

Murrow: ALLOY GRABS THE APRON AND FORCES HIMSELF BACK TO ROLL BACK INTO THE RING JUST IN TIME!! Ares can't believe how much this man can endure! It's unreal! Ares looks absolutely enraged right now as he glares at Alloy! He grabs the ropes to aid himself as Alloy does the same! Both men lock eyes! They've taken one another to the opposite limit tonight and they just keep going! Ares took far too much time playing with his prey and it cost him a chance to end this, but he might be able to still pull it off!

Doc: They're up! Both men on their feet as Ares and Alloy make their way towards one another! Ares swings with a right hand! It's blocked! Alloy nails him with a right of his own! Another hard shot! Another! AND ANOTHER CONNECTS! Ares with a kick to the right leg!! He.. ALLOY LOOKS UNFAZED! HE DOESN'T EVEN FLINCH! Ares swings another kick to that injured right leg, but gets the same result! He can't believe it! Another kick!! ALLOY DOESN'T REACT AND INSTEAD NAILS ARES WITH A LOUD FOREARM! ANOTHER! ANOTHER! ALLOY IS UNLOADING!! HE'S UNLEASHING EVERYTHING HE HAS INTO ARES VENDETTA!! EUROPEAN UPPERCUT CONNECTS NOW!! ANOTHER POWERFUL UPPERCUT TO ARES!! I CAN'T BELIEVE WHAT I'M SEEING! JOHN ALLOY IS STILL ALIVE AND KICKING!! HE PULLS ARES IN!!

Murrow: NO--ARES LIFTS ALLOY UP INSTEAD!! HE'S GOT HIM AS ARES CHARGES!! RUNNING DEATH VALLEY DRIVER INTO THE CORNER!!!!

Doc: THE BODY OF ALLOY JUST BOUNCING OFF THOSE TURNBUCKLES!! Ares doesn't look like he intends to let it stay there just yet! Once again not going for the cover! He has something else on his mind as he pulls himself back up! He nearly lost any ounce of control he had there, but he keeps a grasp on this contest as he pulls himself up and starts ascending to the top in that corner! Alloy is motionless on the canvas! He has nothing left in him! He's taken far too much damage to keep going! ARES IS PERCHED!! THE "BLACK VULTURE" IS PERCHED AND HAS HIS PREY IN SIGHT!! HE LEAPS!! METEORA!!!!!!!!!!

Murrow: ALLOY ROLLS OUT OF THE WAY!! ARES SAVES HIMSELF FROM CRASHING AS HE ROLLS BACK TO HIS FEET ON IMPACT! Alloy saved himself, but not for long! Ares is already back up and ready to strike once more! He's practically salivating as Alloy struggles to get up! ALLOY GETS TO HIS FEET AND TURNS AROUND AS ARES CHARGES WITH A SPEAR!!!!

Doc: ALLOY WITH A KICK TO THE FACE OF THE INCOMING ARES TO STOP IT!! ARES IS DAZED! ALLOY WITH A VIOLENT ROLLING ELBOW TO ARES!! ARES STUMBLES BACKWARDS AS ALLOY CHARGES!! SPEAAAARRRR!!!!!! ALLOY NEARLY BREAKS ARES IN HALF WITH A SPEAR AS HE GOES FOR THE IMMEDIATE COVER!!

Referee: ONE!!!!!!!!!!!!..... TWO!!!!!!!!!!!!

Murrow: ARES KICKS OUT! It's just not enough! Alloy has to end it! He's gotta finish this in any way he possibly can! He finally has a chance to take full control over this contest and get rid of Ares but he has to keep going and push through the pain!

Doc: I think he intends to do exactly that! Alloy looks desperate as he grabs the right leg of Ares... ALLOY'S BACK ON HIS FEET AS HE LOOKS TO TURN ARES OVER!! HE'S LOOKING FOR THE FRACTURE!!! ARES IS FIGHTING IT! HE REFUSES TO LET HIM LOCK THIS IN! ALLOY HAS BEATEN MANY AN OPPONENT WITH THIS HOLD, I'M SURE!! ARES FIGHTS! HE USES HIS OTHER LEG TO KICK AT ALLOY! THERE'S A KICK TO THAT RIGHT LEG OF ALLOY! ARES USES BOTH LEGS TO OVERPOWER ALLOY AND FORCE HIM OFF! Alloy drops down and rolls out to the apron! I don't know if he can do it, Damien! I don't know if he has enough left in him to topple Ares by this point! Alloy looks like he's running on nothing but fumes!

Murrow: You may be right, but there's nothing else he can do! You know he's not giving up! Alloy clutches the ropes, trying to pull himself back up on the apron as Ares rises back to his feet... Ares is up as he charges straight for Alloy! Alloy has it scouted with a big forearm to the face of an incoming Ares! Ares is dazed! Alloy with another forearm as Ares is backpedaling... ALLOY LEAPS TO THE TOP ROPE!! COLD ROLLED STEEL!!!!!!!!!!!!

Doc: NO--HIS LEG GIVES OUT AS ALLOY CRASHES AND BURNS TO THE CANVAS INSTEAD!! HE COULDN'T PULL IT OFF! ALLOY IS IN PAIN AS ARES RUSHES IN TO CAPITALIZE!! HE'S GOT HIM!! PEDIGREE DRIVER!!!!!!!!!!!!!! ALLOY IS DRIVEN HARD INTO THE CANVAS AS ARES ROLLS HIM OVER AND GOES FOR THE COVER!!

Referee: ONE!!!!!!!!!!!!..... TWO!!!!!!!!!!!!!!!!!!!!..... THREE!!!!!!!!!!!!

Murrow: FOOT ON THE ROPES! ALLOY GOT A FOOT ON THE BOTTOM ROPE! I can't believe it! Ares is stunned! Absolutely stunned! He was certain that was the end! Alloy still has something left in him after all he's endured! Ares looks like he's had enough of it! Tenacity only

prolongs the inevitable and the inevitable may be coming for Alloy as Ares mounts the chest and starts laying into his opponent! Ares with hard shots to the face of a battered Alloy!! He's laying into him!! Ares won't let up!

Referee: STOP IT, ARES! ONE! TWO! THREE! FOUR!

Doc: Ares puts a stop to the assault just before five, but I think the damage is done! He busted open Alloy! Blood is running down the face of John Alloy as a sadistic Ares looks on! Alloy is still doing everything he can to get back in this! Blood is covering his face to replace that paint Ares removed! Ares is back on his feet as Alloy attempts to sit up... Ares with a boot to the face! Alloy tries to get up again... And Ares puts him back down!

Ares (no mic): You don't want to stay down? I'll make sure you do!

Murrow: ARES VIOLENTLY STOMPING AWAY INTO THE BODY OF ALLOY!!!

Referee: ONE! TWO! THREE! FOUR!

Doc: Ares pushes the Official out of the way and bails to the outside! Where does he think he's going now?... Ares rushes up to a nearby fan in the front row... He takes a beer bottle out of the fan's hand! What the hell is he thinking?!

Murrow: WE KNOW EXACTLY WHAT HE'S THINKING AS ARES BREAKS THE BOTTLE!! History is about to repeat itself! Ares learned from Jaywalker as well as Alloy ever did, and perhaps even more! Perhaps much more as he rolls back into the ring! The Referee is trying to stop him, but Ares pushes him out of the way again! Alloy is a bloody mess as he struggles to drag himself up in the corner! ARES MAKES HIS WAY TOWARDS ALLOY! HE DOESN'T INTEND TO END THIS MATCH ANYMORE! HE WANTS TO END JOHN ALLOY!! ARES DRIVES THAT BROKEN BEER BOTTLE INTO ALLOY!!!!

Doc: ALLOY MOVES OUT OF THE WAY OF IT AS THE BOTTLE LODGES ITSELF INTO THE TURNBUCKLE PADDING!!! HE MISSED!!

Murrow: IRONSPLASH!!!! JOHN ALLOY OUT OF NOWHERE WITH THE IRONSPLASH INTO ARES AS THAT BOTTLE SHATTERS AGAINST THE CHEST OF ARES IN THE CORNER!!!! ALLOY DROPS THROUGH THE ROPES AND TO THE APRON AS ARES STUMBLES AROUND WITH BLOOD DRIPPING DOWN HIS CHEST!! THAT BUSTED BOTTLE JUST SHREDDED THE CHEST OF ARES!! YOU CAN READ THE PAIN ON HIS

FACE AS HE STRUGGLES TO STAY UP! THE REFEREE IS TRYING TO STOP HIM TO CHECK ON HIM!!

Doc: ALLOY LEAPS TO THE TOP ROPE?! COLD ROLLED STEEL!!!!!!! IT CONNECTS TO THE BACK OF ARES' SKULL!!!! ALLOY PULLED IT OFF!! HE PULLED IT OFF!!

Murrow: BUT HE CAN'T COVER HIM!! ALLOY LANDED NOWHERE NEAR ARES!! He was so close! So insanely close to an upset! He might be able to still pull it off if he can crawl over to the cover and do it right now! His body probably won't let him by this point!

Doc: I don't think he's going for the cover! I think he has bigger plans! Alloy rolls out to the apron he landed near! He can't be going for it again! There's no way his leg can hold up for a second one! Don't try it!

Murrow: Ares looks completely out of it! His chest is a bloody mess! He's doing all he can to get back up as Alloy pulls himself up! Alloy's face is a crimson mask as he looks towards Ares! The determination in his eyes says it all!! Alloy is hitting his own leg to get blood flowing back into it! He needs one more! ALLOY TOP THE TOP ROPE!! COLD! ROLLED!! STEEEEELLLLLL!!!!!!! IT CONNECTS EMPHATICALLY TO THE FACE OF ARES VENDETTA AS ALLOY LANDS ACROSS THE CHEST FOR A COVER!!!!

Referee: ONE!!!!!!!!!!!!..... TWO!!!!!!!!!!!!..... THREE!!!!!!!!!!!!

(DING! DING! DING!)

("Red Stars" by The Birthday Massacre plays all throughout the MGM Grand Garden Arena as a bloodied John Alloy remains down across the chest of a motionless Ares Vendetta)

VANESSA: THE WINNER OF THIS CONTEST BY PINFALL..... JOHN AAAALLLLLLLLLLOOOOOOOOYYYYYY!!!!!!!

Doc: My GOD what a match! Incredible from start to finish! I can't believe the things these two men just did to each other! I should have taken your word for it, Damien! These two are forces to be reckoned with in every way imaginable!

Murrow: I expected nothing less from them! These two competitors were practically groomed to be two of the best in the World, and is there anyone at ALL who can deny that that is an absolute fact right about now? I don't think so!

(A bloodied John Alloy slowly sits up as the Referee calls for a Doctor to come help him check on a still motionless Ares)

Doc: These two look like they just crawled out of a car crash after what they put each other through!

Murrow: Alloy accomplished what he set out to do here tonight, but I can't tell if it was even worth it or not after what he was just put through! That might have been the absolute fight of his life! He looks like he's got barely anything left in him, and I don't even know how he managed to keep going as long as he did, let alone pull off a victory!

(John Alloy slowly rolls out of the ring, refusing any help as Officials check on Ares Vendetta)

Doc: From what you were talking about, Ares had been waiting for this match for a LONG time, and something tells me it didn't quite go the way he wanted, but regardless, he put on an incredible performance.

Murrow: These two had something they needed to settle. They stayed true to who they were and we just found out tonight who was simply better.

(John Alloy looks back from the ramp one more time with his face covered in blood; looking on at Ares being helped in the ring before Alloy takes his leave, still limping on his injured right leg as the camera fades elsewhere)

(The camera cuts backstage to the "Play Room" where the Playtime Party has ended as people are now leaving and others are cleaning up. The camera shows Sweet Roxy still standing where she was before as DiVa and Jonetta Stone try to console her)

Jonetta Stone: It's not so bad, Rox... Parents are garbage. I would sooner hunt my down than have another dinner with them. The best parent-like figure I've had is Jaywalker and I think you and I would both rather see him die a horrible, painful death than ever show any affection towards him.

(DiVa hugs Sweet Roxy)

DiVa: It's okayyyy! DiVa's parents are meanies too! They never wanted her to be as successful and beautiful and talented as she became... Wait, no nevermind, DiVa was remembering wrong, they were actually pretty supportive. Sorry.

(DiVa stops hugging Sweet Roxy as Siberius Tones walks by, carrying a still obviously unconscious Drake Jaeger on his shoulders)

Siberius (as Drake): Don't let it get you down, Roxy. You know I've always been one of your biggest fans. Keep your chin up! And great party! Siberius had an awesome time! We're off to the hospital!

(Siberius carries Drake away as they leave while others continue to walk out)

???: Roxy! Roxy!

(A douchey-looking guy with black hair and wearing trendy clothes rushes up to The Dollhouse with a microphone in hand as Bon Skippy, Dawn Skippy, and Ron Skippy follow him)

???: Sup, I volunteered to do the last interview of the night for the rest of my fam. Name's John Skippy. Sup. So anyway, like, how do you feel about all that crazy stuff that went down? Did it bum you out?

Bon Skippy: It'd definitely bum me out.

Ron Skippy: Total bummer.

Dawn Skippy: Totally.

John Skippy: Yeah, so like, what's your thoughts?

(Sweet Roxy looks visibly distraught as she takes several moments to think before finally turning towards the microphone)

Sweet Roxy: ... They think I've been wasting my potential? Like I don't know what I'm doing? Like I can't reach their level? My parents... And Jaywalker... They've gone on for years thinking they're the best wrestlers in the world... If that's what they want to prove, and if that's what they want me to prove, then that's what they'll get. I'm not their daughter. I'm better than either of them ever were. Better than them in looks, better than them in talent, and better than them in the ring. I can party and play around and do whatever I want, because I KNOW I'm better. DiVa and Jonetta know they're better too. We've always known we're better. Not just better than them. Better than everyone.

(Roxy punches Ron Skippy in the face and pushes her way through the rest of the Skippy family as DiVa and Jonetta follow behind with smiles on their faces before the camera transitions back to Dr. Feelgood and Damien Murrow on commentary)

Murrow: A much more subdued Sweet Roxy than usual there. If her parents wanted her focused, then congratulations on the parenting trick, because it looks like it worked better than expected.

Doc: And not just on her either! The whole Dollhouse looks like they're more than ready for this, and I think these fans in attendance are too! This is a match that has so much going for it and more!

Murrow: That's right, all that's left is our Doll In main event, and what a blockbuster it is as dominant legends of the past in The Bane of LEGION have thrown down the gauntlet to the potential faces of tomorrow in The Dollhouse.

Doc: It's a match for The Bane of LEGION to solidify that they are the best and always will be, but it's a match also for The Dollhouse to prove they're the next big thing! Two clashing ideals, but only one can prevail! Let's not wait any longer! It's time for our main event!

(The camera cuts back to the stage where two more pink and decorated entrances have been erected)

(DING! DING! DING!)

(The camera cuts to VANESSA standing in the middle of the ring with a pink microphone in hand)

VANESSA: Ladies and gentlemen... Boys and girls.... Children of all ages.... It is now time....
FOR YOUR DOLL IN MAIN EVENT!!!!!!

(The crowd erupts with cheers as VANESSA nods)

VANESSA: It is a trios match scheduled for ONE FALL and is under Dollhouse Rules, in which tags can be made by simply entering the ring and your partner leaving the ring for you to become the legal competitor!!!....

(Images of professional wrestling throughout the ages are shown; from its beginnings all the way up to modern day, more images appear as the images grow smaller, more and more images

displaying all of professional wrestling continue to pop up until it all comes together to show they're all images making up an Ouroboros symbol)

... "Feel it comin' in the air"

(The camera cuts back to the stage as the pink lights throughout the MGM Grand Garden Arena suddenly turn red)

"Hear the screams from everywhere"

(One of the entrance tunnels turns a shade of purple)

"I'm addicted to the thrill, it's a dangerous love affair"

(One of the entrance tunnels turns black)

"Can't be scared when it goes down, got a problem, tell me now"

(One of the entrance tunnels turns a shade of blue)

"Only thing that's on my mind"

(Jaywalker makes his entrance through the middle entrance tunnel in an elaborate dark red robe covered in rubies)

"Is who's gonna run this town tonight"

(Robbie V makes his way out to the stage in red and black attire with "POISON" on it from the left entrance tunnel)

"Is who's gonna run this town tonight"

(Heart Break Gal makes her way out to the stage in red and black attire with "CURSE" on it from the right entrance tunnel)

"We gonna run this town."

(Jaywalker removes his ruby-encrusted robe to reveal red and black attire with “PLAGUE” on it as all three members of The Bane of LEGION make their way down to the ring while “Run This Town” by Jay-Z and Rihanna continues to play all throughout the arena)

Doc: It’s a good thing that VANESSA hasn’t quite gotten to introductions yet, because these three competitors need absolutely NO introduction! The three of them combined could be enough to fill a roster for any company!

Murrow: I think it goes without saying that you and I are both very familiar with all three of these individuals, and we know that all three of them are Legends in this industry that have left legacies unlike any other, but the fact is that tonight they aren’t just here as individuals, they’re here as one of the most dominant units in professional wrestling HISTORY.

(Jaywalker demands one of the iDoll Entertainment Security Guards holds the ropes open for The Bane of LEGION as he, Robbie, and HBG step up to the apron and enter the ring)

Doc: No doubt about it, these three combine to make an alliance that reached well beyond just LEGION - they quickly became the Bane of all of pro wrestling with how far they went and just how influential they were, and tonight they aim to remind everyone why they are THE best!

Murrow: I don’t know if we need any reminding, but I know they think their opponents here tonight certainly do...

(Jaywalker, Robbie, and HBG stand in the middle of the ring as “Run This Town” fades out)

Doc: And we certainly know who’s next up...

D

(The graphics on the stage change to look like the inside of a dollhouse as the sound of a music box can be heard playing)

O

(Sweet Roxy is shown on the screen above the middle entrance tunnel sitting in her room that’s brightly colored pink and filled with mementos of all of her accolades such as from OWA to WWH to LAW, as well as pictures of Layne Kurobane)

L

(Jonetta Stone is shown on the screen above the left entrance tunnel, sitting in her room that's filled with the trophies and possessions of all the animals that she's hunted down and killed, as well as all of her fashionable clothes made from their skin)

L

(DiVa is shown on the screen above the right entrance tunnel, sitting in her stylish gold room that's filled with all of her best selling albums, as well as her very own recording studio booth)

H-O-U-S-E

("Playtime" by contRoVersy plays all throughout the MGM Grand Garden Entrance as each woman on the screens above get up and leave their rooms at the same time that Sweet Roxy enters through the middle tunnel, Jonetta Stone enters through the left tunnel, and DiVa enters through the right tunnel - all wearing the same matching pink attire and each wearing doll masks)

Doc: And here comes the stars of the show! The competitors that were so humble that they LITERALLY named this entire event after themselves!

(A pink spotlight appears on each member of The Dollhouse as they make their way towards the ring)

Murrow: It's safe to say they're a little bit full of themselves, but in a way, I can actually understand it. Who have they run into that's actually CHALLENGED them so far? Certainly nobody in any other company, I'm sure.

Doc: Well if they're looking for a challenge, they found one right here tonight! Because standing in the middle of that ring is perhaps the three toughest individuals that I would never want to compete with. The Dollhouse better hope they can back up all of their talk, because they're gonna have to overcome some serious odds tonight.

(The Dollhouse enters the ring as they immediately pose while The Bane of LEGION looks on)

Murrow: They may be a more cohesive unit and they may have younger, healthier bodies, but The Bane of LEGION has an insane amount of experience AND they taught both Roxy and Jonetta just about everything they know. Robbie and HBG literally raised Roxy, so this might be a bit tougher than she thinks it'll be if you ask me.

(The Dollhouse each remove their doll masks as “Playtime” fades out. Both teams get in their respective corners as pink spotlights appear on them while VANESSA stands in the center of the ring)

VANESSA: INTRODUCING FIRST.... IN THE CORNER TO MY RIGHT.... THEY ARE THREE OF MOST DOMINANT COMPETITORS AND CERTIFIED LEGENDS IN PROFESSIONAL WRESTLING..... THEY ARE THE TEAM OF.... “THE PLAGUE”, JAYWALKER.... “THE POISON”, ROBBIE V.... AND “THE CURSE”, THE HEART BREAK GAL..... LADIES AND GENTLEMEN, THIS IS THE BANE! OF!! LEEEEEEEEEEEEEEEEEGION!!!!!!!!!!!!.....

(All three members of The Bane of LEGION confidently look on at their opponents from across the ring as Jaywalker poses)

VANESSA: AND THEIR OPPONENTS.... IN THE CORNER TO MY LEFT.... THEY ARE THE REIGNING OWA OPENWEIGHT TAG TEAM CHAMPIONS, AND THEY ARE THE REIGNING WOMEN’S TAG TEAM CHAMPIONS..... THEY ARE THE TEAM OF.... SWEET ROXY..... JONETTA STONE..... AND DIVA..... LADIES AND GENTLEMEN, THIS IS THE DOOOOOOOOOOOOLLLLLLLLLLLLLHOUSE!!!!!!!!!!!!.....

(The lights in the arena turn to normal as both teams stare down before Jonetta and DiVa go out to the apron while Jaywalker volunteers to start for his team. The Referee makes sure both competitors are ready before finally calling for the bell)

(DING! DING! DING!)

Murrow: Here we go with our Doll In main event as Roxy and Jaywalker immediately circle the ring... Jaywalker looking awfully confident with himself here based on that smug expression he’s wearing... Hold on... Jaywalker just stops now and offers Roxy to get the first move in? He’s inviting her in for a headlock...

Doc: Yeah, I might be starting to think that he’s not taking all of this that seriously here... Roxy looks towards her team’s corner as Jonetta looks somewhat embarrassed... It looks like Roxy is gonna accept Jaywalker’s invitation as she goes for the side headlock... No! Roxy with an immediate knee to the gut of Jaywalker instead! She’s got her own plans as she catches Jaywalker off guard with a second knee strike to the gut! Jaywalker uses his strength to push Roxy down to the canvas, but she’s already rolling back up to her feet as she looks to continue the onslaught! Jaywalker catches her! No--Beautiful armdrag by Roxy instead! Jaywalker rushes

to get back on his feet, but he's caught with a second deep armdrag from Roxy! He scrambles to get back on his feet! TRAMP STAMP!!!

Murrow: No! Jaywalker manages to fall back into the nearby corner to avoid that jumping superkick as Roxy looks on! She looks like she enjoyed making a fool out of him!... And now look at this! Roxy's inviting Jaywalker in for a free headlock this time!

Doc: Based on his expressions, I'd say Jaywalker just went from having a good time to wanting to commit homicide as he looks on at Roxy! The last thing you wanna do is mock this man! We've seen what happens to people who do that! Robbie seems to be volunteering to get into the ring instead, but Jaywalker looks like he has no intention of backing out of this...

Murrow: Well regardless, it looks like Roxy's headlock invitation is off the table as she instead invites Jaywalker for something more normal as both of them circle the ring once again... They go in for a collar and elbow tie up! Jaywalker immediately using his power to overwhelm Roxy and push her down to the canvas! Roxy rolls back up to her feet as Jaywalker tries to catch her with a lariat! She ducks it! Roxy leaps to the shoulders of Jaywalker as he turns around! Hurricanrana!! No--Jaywalker not letting it happen as he stops it! He lifts Roxy back up! Looking for a potential powerbomb! Roxy turns it into a roll-up for the cover!

Doc: Jaywalker kicks out before even a one count as both race to their feet! They're up as Roxy swings with a kick to the skull of Jaywalker, but he swats it away! Boot of his own to Roxy! It's no good as she ducks it with a matrix evasion! An angry Jaywalker tries for another boot, but Roxy evades once again! Jaywalker turns around as Roxy leaps to the middle rope! Incoming for a springboard crossbody! She's caught! Jaywalker catches her! He picks Roxy up over his head like she weighs absolutely nothing! Roxy escapes and lands on her feet behind Jaywalker as she catches him with an O'Connor Roll for another pinning attempt!

Murrow: And it's once again kicked out of before a one count can be administered! They race to get back to their feet! Jaywalker charges! He's caught with an armdrag by Roxy! Jaywalker scrambles to get back up! He swings with a lariat, but nobody's home as Roxy ducks and springboards off the ropes again! She catches Jaywalker with a beautiful armdrag coming down!! Jaywalker looks absolutely livid! He can't do a damn thing to her! She's successfully evaded every single thing he's attempted so far! I can't tell if she's purposely trying to screw with him or what! If she is, it's definitely working like a charm! Jaywalker and Roxy stare down as he rises back to his feet... And immediately exits the ring! He's had enough of this! Roxy's actually laughing!

Doc: And tags can be made as easily as one person leaving the ring and another entering the ring, so as Robbie V enters the ring now he has become the legal man for the Bane of LEGION as Roxy and he circle the ring! I'm excited to see that one - as far as I know, these two have never actually competed against one another before, but that changes tonight as they go in for a collar and elbow tie up! Robbie slips out of it and into a waist lock from behind! Roxy with a standing switch! Robbie breaks out of it and takes Roxy down with an armdrag! Both competitors back on their feet as Robbie catches Roxy with a side headlock takedown! Roxy immediately wraps her legs around the head of Robbie as he breaks the hold and slips out right back to his feet! HE SWINGS WITH A PENALTY KICK! Roxy is quick to dodge and rush back to her feet!

Murrow: It could have ended that easily! We know how lethal Robbie's kicks are and he didn't hesitate to unleash a dangerous one on his opponent, daughter or not!

Doc: I think Roxy is quickly realizing that too as she gets back on her feet and stares down with her father!

Murrow: ROXY'S PULLED DOWN AND DRAGGED TO THE OUTSIDE BY HER LEG! JAYWALKER SENDS ROXY STRAIGHT INTO THE STEEL STEPS ON THE OUTSIDE! What the Hell does he think he's doing?!

Doc: You know EXACTLY what he's doing, Damien! The same thing we've seen him do for years! Roxy disrespected him and she just paid for it! Robbie and HBG look none too happy about that as they yell at Jaywalker to stay out of it and get back to their corner! Jaywalker looks satisfied with a little revenge...

Murrow: DIVA COMES FLYING IN FROM HER TEAM'S CORNER WITH A BIG CROSSBODY ON ROBBIE AS HE TURNS AROUND!! DiVa makes herself the legal competitor in this contest as she takes advantage of a distracted Robbie! DiVa didn't even hesitate on that one! She knows what the job is here, and that's simply to win! She knows Roxy will be fine as DiVa stalks a damaged Robbie! DiVa charges in! Robbie ducks an incoming forearm from DiVa and manages to catch her with a leg sweep kick! Robbie with an immediate senton onto DiVa!!

Doc: DiVa rolls out of the way as Robbie lands hard on the canvas! Both competitors racing to get back to their feet! They're up as DiVa swings! It's blocked! Robbie with a LOUD knife-edge chop to the chest! ANOTHER knife-edge chop connects as DiVa is backed up against the ropes! DiVa may be in trouble here! Things aren't looking good! A third knife-edge chop!! Robbie grabs a hold of DiVa by her hair as he drags her along towards Bane's corner!

Murrow: DIVA SLIPS OUT AND CATCHES ROBBIE IN A WAIST LOCK!! RELEASE
GERMAN SUPLEX!!

Doc: Robbie lands on his feet! HE GRABS DIVA AND DEADLIFTS HER UP FOR A
GERMAN SUPLEX OF HIS OWN!! NO--DIVA TURNS IT INTO A VICTORY ROLL!!

Referee: ONE!!!!!!

Murrow: Robbie kicks out as both rush to get back up! Robbie's the first up! DIVA SPRINGS
UP AND LEAPS TO THE SHOULDERS OF ROBBIE FOR A HURRICANRANA! Robbie is
sent landing in the corner of The Dollhouse as he quickly tries to get back up! Jonetta Stone with
an elbow to the side of Robbie's head! DIVA RUSHES IN WITH A BIG CORNER SPLASH
TO ROBBIE!! There's a tag to Jonetta! Jonetta quickly gets into the ring as Robbie is in dire
straits here in the corner... DiVa and Jonetta connect with double knife-edge chops, echoing off
of the chest of Robbie V!! Another set of chops connect!! Robbie is in a bad way here as DiVa
gets back on the apron while Jonetta grabs a hold of him... Snapmare takedown from Jonetta!
She immediately hits the ropes... And nails a seated Robbie with a boot straight to the face!
Jonetta drops down for a cover, but Robbie immediately forces her off!

Doc: Jonetta quickly catches Robbie in a headlock before he can think about getting up and
potentially turning things around! Jonetta applying more and more pressure - we know how
powerful she is as essentially the powerhouse of The Dollhouse and she aims to show it against
any opponent, regardless of gender! Robbie's doing all he can to get back to his feet here...
Jonetta trying to bring him back down... ROBBIE GRABS JONETTA AND SENDS HER UP
FOR A BELLY TO BACK SUPLEX!!

Murrow: Jonetta manages to roll off the back of Robbie! Robbie turns around and he's
immediately caught with a judo throw from Jonetta!! She's looking for an Armbar now!! Robbie
doesn't let it happen as he rolls through! Both back on their feet as Robbie swings with a high
kick to the skull! Jonetta ducks it and catches Robbie from behind! Rear Naked Choke!! She's
got it in tight on Robbie! Robbie's struggling! He's doing everything he can to get out of this!
He's losing his footing as Jonetta navigates him into The Dollhouse's corner! DiVa tags herself
in! Robbie's trying to power through as he pulls Jonetta away from that corner and towards his
own! Jonetta refuses to let him! Robbie breaks through the rear naked choke and rolls through!
Both Jonetta and Robbie back on their feet as Robbie charges!! Jonetta with a drop toe hold as
Robbie is sent falling into the awaiting knee of DiVa!! What a move as DiVa goes for an
immediate cover!!

Referee: ONE!!!!!!

Doc: Heart Break Gal breaks it up with a boot to the back of DiVa! She's not sitting back and waiting anymore! The Official's telling HBG to get back to her team's corner and there's not much else she can do about it but comply! A damaged DiVa seems to be looking for a tag once more as she rises back to her feet! Robbie's trying to do the same as DiVa tags Jonetta back in! Roxy's back with her team as Jonetta quickly enters back into the ring while Robbie rises to his feet! Jonetta dives in immediately with a chop block to the back of Robbie's leg as he drops down!! He's in pain as Jonetta absolutely refuses to let him make the tag to HBG or Jaywalker!

Murrow: Jonetta aims to ensure there's nothing left of Robbie as he's down! Jonetta drives a boot down into that right leg of Robbie! And another stomp down into the left leg of Robbie! A stomp down into the left arm of Robbie! Jonetta Stone is Jaywalking all over Robbie V as Jaywalker himself looks on from the corner! I can't tell if he's proud or annoyed! And Jonetta caps it off with a stomp to the chest!!!

Doc: IT'S CAUGHT! ROBBIE CATCHES THAT LAST STOMP AS HE IMMEDIATELY DRAGS HER DOWN TO THE CANVAS WITH IT! ROBBIE'S GOT HER!! ANKLE LOCK!!!! JONETTA STONE IS CAUGHT IN AN ANKLE LOCK IN THE CENTER OF THE RING AS SHE DESPERATELY LOOKS FOR ANYWAY TO GET OUT OF THIS!! SHE FORCES HERSELF FORWARD TO ROLL THROUGH IT AS ROBBIE IS SENT INTO THE ROPES! ROBBIE COMES BACK WITH A HEAD OF STEAM AS JONETTA TRIES TO GET UP!! SHE'S CAUGHT WITH A LOUD PENALTY KICK TO THE CHEST!! AND ROBBIE CAPS IT OFF WITH A STANDING MOONSAULT WITH DOUBLE KNEES INTO THE BODY OF JONETTA!!! A MODIFIED TRILOGY CONNECTS AS ROBBIE LOOKS FOR A TAG NOW! HBG's reaching out! He can do it!

Murrow: Jonetta Stone is crawling towards the ropes! She knows she needs to get out of here too! She needs to tag out as well! JONETTA DROPS OUT OF THE RING AS ROXY LEAPS BACK IN TO BECOME THE LEGAL COMPETITOR! SHE RUSHES IN TO STOP ROBBIE! HE LEAPS AND TAGS IN THE HEART BREAK GAL!! ROXY CHARGES IN AS SHE'S NAILED BY HBG WITH A BIG FOREARM TO THE FACE! Roxy is sent stumbling backwards! HBG COMES FLYING IN FROM THE TOP ROPE AS SHE CATCHES ROXY WITH THE ARROWVERSE!!!! THAT VIOLENT DIVING HURRICANRANA WHIPPING ROXY INTO THE CANVAS!! HBG IMMEDIATELY GOING FOR THE COVER!!

Referee: ONE!!!!!!

Doc: AND IT'S BROKEN UP BY DIVA FROM A STOMP TO THE BACK OF HBG! DiVa looks like she wants some payback for earlier as she continues to stomp into HBG! DiVa drags

HBG up... HBG breaks from DiVa's grasp! Big forearm to DiVa! Another forearm! LOUD chop connects off the chest of DiVa! DiVa swings with a big right hand, but nobody's home! ENZUIGIRI FROM HBG AS DIVA TURNS AROUND!! DiVa drops to the outside as Jonetta Stone rolls back in and has HBG locked in her sights! JONETTA CHARGES IN FOR A BIG BOOT!!

Murrow: ROBBIE V COMES FLYING IN WITH A SPRINGBOARD CROSSBODY TO JONETTA!! Robbie is back in this and with a vengeance!! Jonetta scrambles to get back up! HBG catches her from behind with a waist lock! AND ROBBIE ROCKS HER WITH A SUPERKICK BEFORE HBG DROPS JONETTA WITH A BIG GERMAN SUPLEX!! All three members of The Dollhouse have been taken out just like that!

Doc: And I think Sweet Roxy is starting to realize exactly that! She's rising to her feet and all she can see is nothing but her mother looking down at her! And her father right there with her! Roxy's in a bad way right about now! SHE TURNS AROUND AS JAYWALKER GRABS HER WITH A BIG DOUBLE A SPINEBUSTER!!! Roxy immediately rolls to the outside where she and the rest of The Dollhouse regroup! I think The Dollhouse is quickly regretting ever agreeing to doing this match right about now! All three of them are in pain as they try to strategize outside the ring... BUT THEY MAY NOT HAVE TIME FOR THAT AS HBG COMES BARRELING TOWARDS THEM WITH A SUICIDE DIVE!!!

Murrow: SHE'S STOPPED AS THE DOLLHOUSE COLLECTIVELY CATCH HBG!!

Doc: AND ROBBIE COMES IN AS HE CLEARS THE TOP ROPE FOR A BIG SOMERSAULT PLANCHA--CRASHING INTO ALL OF THEM!!!

(An immediate replay is shown of Robbie V flying over the top rope for a somersault plancha into The Dollhouse)

Murrow: WHAT A MOVE! All of them are down on the outside as Jaywalker is left as the only competitor in the ring! I guess that makes him the legal man for his team, but this crowd knows what they want to see! Jaywalker's realizing what they want! They want to see him fly as well! The rest of the competitors are still struggling to get up! He looks like he's considering it! How often do we see Jaywalker go flying?! I think he's ready for it! JAYWALKER PREPARES HIMSELF AS HE RUSHES INTO THE ROPES!! HE'S GOT MOMENTUM!! INCOMING!!!

Doc: NO--Jaywalker immediately stops himself and just goes through the ropes to the outside! Jaywalker either decided against it or just wanted to tease the fans as he goes to the outside! JAYWALKER LAYS OUT DIVA WITH A RUNNING EUROPEAN UPPERCUT!! Jaywalker

turns his attention to Jonetta! It looks as though he's surprisingly concerned about her as he checks on his former student... NO--JAYWALKER DRIVES JONETTA STRAIGHT INTO THE STEEL BARRICADE NEXT TO THE RAMP!! He's absolutely merciless! Jaywalker doesn't care who he has to go through! He wants to win by any means! Jaywalker grabs Sweet Roxy and sends her rolling back into the ring now!

Murrow: Roxy's hurt! She's doing all she can to get back up as Jaywalker slides in! He's stalking his prey! Roxy has no idea! Jaywalker's looking for a deathblow right here and now! ROXY'S ON HER FEET AS JAYWALKER CHARGES IN!! THE TRANSCENSION!!!!!!!!!!

Doc: NO--JAYWALKER MISSES THE LARIAT TO THE BACK OF THE NECK AS HE TURNS AROUND!! TRAMP STAMP!!! Jaywalker backpedals into the ropes!! Roxy caught him with that jumping superkick square on the jaw as she looks to capitalize! She's up! JAYWALKER EXPLODES OFF OF THE ROPES!! A SECOND TRAMP STAMP CONNECTS!!!! SHE PULLS JAYWALKER IN!! TORNADO DDT SPIKES JAYWALKER STRAIGHT INTO THE CANVAS AS ROXY GOES FOR THE COVER!!!

Referee: ONE!!!!!!!!..... TWO!!!!!!

Murrow: It's broken up by HBG and Robbie V as they lay into Roxy! They're here to do whatever it takes as well! They intend to win! They're not Roxy's parents tonight! They're two members of The Bane of LEGION! Roxy can't do a damn thing about it as they lay into her with hard strikes and stomps! The Referee finally puts a stop to it as he orders Robbie and HBG to get back to their corner or risk disqualification! They comply they head back to Bane's corner while Jaywalker and Roxy are stirring... HBG and Robbie both reaching out - wanting Jaywalker to tag them in! Jaywalker glances towards his corner... He doesn't seem interested! He wants Roxy to himself! He's had a bone to pick with her since this contest began! Jaywalker grabs Roxy by her hair before she can get up and pulls her in for a big knee to the gut! Another knee connects to the mid-section! An an open-hand chop across the face of Roxy! Jaywalker getting in her face and telling her to do something! Forearm to the face of Roxy now!

Doc: Roxy fires back with a forearm of her own! Another! Jaywalker nails Roxy with a boot to the face that brings her down! He's not finished with her quite yet as Jaywalker drags Roxy back up... AND HE PICKS HER UP IN A TORTURE RACK!!! JAYWALKER DOING EVERYTHING HE CAN TO ABSOLUTELY DISSECT SWEET ROXY AS HE DOESN'T EVEN THINK TWICE ABOUT BENDING HER BODY LIKE THIS!! HER HEAD IS NEARLY TOUCHING HER FOOT!! JAYWALKER IS DOING EVERYTHING HE POSSIBLY CAN TO MAKE SURE ROXY IS IN PURE AGONY!! ROXY HAS NO SAVING GRACE! DIVA AND JONETTA ARE BACK IN THEIR CORNER, BUT THERE'S

NOTHING THEY CAN DO WITH HBG AND ROBBIE READY TO STOP THEM IF THEY TRY ANYTHING!!

Murrow: ROXY MANAGES TO STRIKE JAYWALKER FROM THAT RACK POSITION!.... ANOTHER STRIKE!..... AND A THIRD STRIKE IS ENOUGH FOR JAYWALKER TO LOOSEN HIS GRIP AS ROXY FLIPS HER BODY OVER AND INTO A BIG CRUCIFIX DRIVER ON JAYWALKER!! Jaywalker dropped right on the back of his head! Roxy has a chance to get out of here! She has a chance to tag out and save herself before Jaywalker goes back on the attack! She barely managed to turn something out of that vicious Torture Rack! Roxy's making her way towards The Dollhouse! She's reaching out!

Doc: JAYWALKER RUSHES IN FROM BEHIND AND NAILS JONETTA WITH A BIG ELBOW! A FOREARM TO DIVA TO KNOCK HER OFF THE APRON AS WELL!!

Murrow: Roxy has no hope now! Nothing! Jaywalker once again gets rid of her partners! She can't do anything and that smirk on Jaywalker's face says it all! HE KNOWS HE'S GOT HER AS HE EXPLODES OUT OF THE CORNER!! Incoming lariat misses as Roxy ducks it! Jaywalker turns around! TRAMP STAMP!!! It's caught! The foot of Roxy is caught by Jaywalker as he pulls her in for a VIOLENT clothesline that turns her inside out!! Jaywalker now just stomping into the body of a downed Roxy!! She can't do anything! Jaywalker looks like he's loving this! Roxy is completely at his mercy! JAYWALKER GRABS THE LEGS OF ROXY AS HE SETS HER UP!! SHE'S FIGHTING IT! IT'S NOT ENOUGH AS JAYWALKER ROLLS HER OVER INTO THE CANADIAN MAPLE LEAF!!!!!! THAT CLOVER LEAF IS LOCKED IN ON ROXY AS JAYWALKER CONTINUES TO ABSOLUTELY TORTURE HER!! SHE CAN'T DO ANYTHING!

Doc: THE PAIN IS WRITTEN RIGHT ON THE FACE OF ROXY AS SHE CRINGES AND WRITHES IN AGONY IN THIS SUBMISSION!! JAYWALKER LOOKS LIKE HE'S GONNA SNAP HER IN HALF!! ROXY IS CLAWING ON THE CANVAS, DESPERATELY REACHING OUT!! ALL 237 POUNDS OF JAYWALKER IS PRESSING DOWN ON HER SPINE AS SHE CRIES OUT IN PAIN!! THE ROPES MUST FEEL MILES AWAY RIGHT NOW, BUT ROXY KEEPS TRYING TO INCH HER WAY TOWARDS THEM!! I DON'T THINK SHE CAN REACH THEM!! SHE'S DESPERATE!! SHE'S TOO FAR AWAY!! ROXY'S GOT A HAND UP!! SHE HAS NO CHOICE BUT TO TAP!!!

Murrow: JONETTA GRABS THE HAND OF ROXY!! JONETTA FROM THE OUTSIDE IS PULLING ROXY TO THE ROPES AND OUT OF THE DAMN RING AS JAYWALKER HAS TO LET GO! Jonetta with a huge save there! Jaywalker is absolutely furious! He stares down with his protege Jonetta from inside the ring! He knows how close he was to ending this!

Doc: AND ROBBIE V COMES OFF OF THE APRON AND CRASHES INTO JONETTA AND ROXY WITH A CANNONBALL SENTON!!! That put a smile back on Jaywalker's face! He looks pleased with that as he yells for Robbie to get Roxy back in the ring so he can finish her off! HOLD ON--DIVA LEAPS TO THE TOP ROPE AS JAYWALKER TURNS AROUND!! DIVING HURRICANRANA!!!

Murrow: JAYWALKER GOES CRASHING TO THE OUTSIDE BEFORE DIVA CAN STOP HIM TO KEEP HIM AS THE LEGAL MAN!! So much for that! DiVa realizes what she's in store for now as she slowly rises to her feet! And from Bane's corner, the Heart Break Gal is already legal and waiting! She's ready to go! DiVa doesn't look to happy about this as she slowly turns around to lock eyes with an awaiting HBG! DiVa looks around at the crowd as she realizes they all want she and HBG to go at it! I don't think that's something she's looking forward to, but HBG looks all for it! DiVa now... Calling for a timeout? Is that what she's doing?

Doc: Yes, DiVa is literally gesturing for a timeout... But I don't think she's gonna get it as HBG barrels towards her!! Both women clash in the center of the ring in a flurry of forearm shots!!! DiVa has no choice but to fight for her life! For the sake of herself and The Dollhouse! She may be terrified of HBG, but there's nothing she can do about it as both women lay into one another!! HBG's taking control! She's too much for DiVa! She's overwhelming DiVa as HBG's forearms break through DiVa's onslaught and land again and again and again!! DiVa looks dazed!! HBG tries to finish it with a roundhouse to the skull!! Nobody's home as DiVa ducks it with a matrix evasion! HBG spins back around! FLASH KICK! DiVa completely backflipping with a kick that nails HBG upside the jaw and sends her reeling into the ropes! DiVa looks proud of herself with that! She--

DiVa stumbles back to her feet as HBG charges in! Football tackle on DiVa!! HBG is unloading with a series of hard punches into DiVa as DiVa does everything she possibly can to defend herself!!! DiVa is defenseless here!! The Referee starts a count with HBG not letting up!

Referee: ONE! TWO! THREE!

Doc: HBG finally puts a stop to the attack as she backs off of DiVa! DiVa desperately tries to get back up! She has to keep going! HBG has absolutely been laying into her! DiVa rises back to her feet... AND HBG COMES FLYING IN WITH A SHOTGUN DROPKICK TO DIVA THAT SENDS HER FLYING BACKWARDS STRAIGHT INTO THE CORNER BEHIND HER!!!

HBG looks like she's had enough! She wants to end this as she grabs the foot of DiVa and drags her out! She's got DiVa in position! HBG is climbing! She's making her ascent to end this! HBG IS PERCHED!! THE FALL OF EMPIRE!!!!!!!!!!

Murrow: DIVA ROLLS OUT OF THE WAY!!!

Doc: BUT HBG MUST HAVE SAW IT COMING AS SHE TURNS IT INTO A NORMAL MOONSAULT AND LANDS ON HER FEET! What a save that was! That could have ended badly as HBG targets DiVa once more, still looking to put her and The Dollhouse away here! DIVA'S BACK UP AS SHE TURNS AROUND... TRAMP STAMP!!!!!!

Doc: And it's not enough as HBG kicks out!! DiVa can't believe it! She thought that lethal combination would be enough to put "The Consigliere" away, but that was just wishful thinking!

(A slow-motion replay is shown of DiVa nailing the back of HBG's skull with a sliding elbow before cutting back to a frustrated DiVa)

Doc: She's gonna have to put in more work than that if she has any hope of putting down someone like HBG! DiVa is frustrated, but she better keep going! She better think of something else! DiVa rises back to her feet and stumbles over to the corner! She's got something big in mind here! DiVa leaps to the top turnbuckle! SHE'S GOT HBG IN HER SIGHTS AS SHE'S PERCHED!!

Jonetta can't overcome the numbers game as those hard shots reign down onto her!! Jonetta is doing everything she can to fight back - using every bit of strength and power she has while HBG and Robbie send hard-hitting lefts and rights and knee shots straight into her! HBG and Robbie send Jonetta straight into the ringpost shoulder-first!! HBG and Robbie are making sure nobody stops them from ending this! DiVa just lost the last piece of backup she had! The last ounce of hope she had left in this contest as HBG turns her attention back to--

LITERALLY CLAWING OUT OF DESPERATION AND PANIC TO DO SOMETHING TO SAVE HERSELF!! SHE DOESN'T WANT TO BE THE ONE TO FAIL THE DOLLHOUSE!! SHE DOESN'T WANT TO FAIL THEM IN THEIR BIGGEST CHALLENGE YET!! DIVA IS DOING ALL SHE CAN TO SAVE HERSELF AS SHE STARTS RISING BACK UP!! THAT ANKLE LOCK TIGHTENS AS SHE GETS TO ONE FOOT! SHE'S HOBBLING BUT SHE MAY BE ABLE TO COUNTER!

Murrow: TRAMP STAMP!!!!!! THE HEART BREAK GAL SPRINGS BACK UP AND CLOCKS DIVA WITH A LOUD SUPERKICK!!! ROBBIE DROPS DOWN INTO A GRAPEVINE WITH THAT ANKLE LOCK IMMEDIATELY!!! DIVA IS MOTIONLESS!! Roxy rises back to her feet, potentially looking to target her father as she attempts to drag him up... ROXY IS TURNED AROUND BY HBG!! ENZUIGIRI!!! It's no good! Roxy avoided it! Referee: ONE!!!!!!..... TWO!!!!!!!!!!!!.....

Doc: AND ROXY KICKS OUT!! SHE'S STILL ALIVE! SHE'S KEEPING THE DOLLHOUSE IN THIS MATCH!! Jaywalker is livid! He was hoping that surprise attack would be enough to keep her down! Roxy is in pain! She's in pain, but she's still trying to keep going as Jaywalker slowly rises back to his feet! And he swings with a kick into the ribs of Roxy before she can get up! She's still trying! HBG and Robbie drop to the outside as Jaywalker swings with another merciless kick to the ribs of Roxy!! This man has nothing on his mind but absolutely torturing his opponent any way he can! We've seen what he's capable of throughout the years! We know that nobody is safe, especially a daughter of HBG! Jaywalker backs up into the corner with a sadistic smirk on his face, telling Roxy to get up! If she dares to get back up, we know what's waiting for her! The same maneuver that Jaywalker has literally ended careers with! And he aims to finish this match with it! ROXY GETS TO HER FEET AS JAYWALKER RUSHES IN!! THE TRANSCENSION!!!!!!!!!!

The Bane of LEGION may have survived for the moment, but I don't know how long it's gonna last! Jonetta and Roxy get back on their feet... DiVa finally makes it back up as well as The Dollhouse come together in the ring... They seem to have something in mind! I don't like the looks of this! Jonetta and DiVa getting in position... ROXY STEPS UP AS JONETTA AND DIVA CATAPULT HER HIGH UP IN THE AIR AND OVER THE ROPES FOR A BIG SOMERSAULT!!!! SHE CRASHES INTO ROBBIE AND HBG AS JAYWALKER LEAPS OUT OF THE WAY!!!

Murrow: An incredible trio maneuver there, but they weren't able to get everyone as Jaywalker is stumbling away! He looks pleased with himself for dodging that!

Doc: BUT HE DOESN'T DODGE THE INCOMING DOUBLE SUICIDE DIVES FROM DIVA AND JONETTA STONE THAT SENDS JAYWALKER ONTO THE MINORITY ANNOUNCE TABLE!!!

Murrow: The Dollhouse are on a roll! The Bane of LEGION can't even keep up with them by this point! They have to keep the momentum going!

(A replay is shown of Jonetta Stone and DiVa sending Sweet Roxy flying high up into the air for a somersault plancha to HBG and Robbie V before cutting to DiVa and Jonetta Stone hitting Jaywalker with double suicide dives to send him into the minority announce table)

The commentators of the Minority Announce table have appropriately scattered as Roxy leads the charge against Jaywalker! They don't intend to pin him--they look like they want to end him! (A replay is shown of HBG hitting Roxy with a superkick before Roxy turns around into a Double A Spinebuster off of the Minority Announce Table and through the other Main Announce Table)

Murrow: Both teams have done absolutely everything and more to keep the other down! Jaywalker may have just sacrificed his own body just to ensure Sweet Roxy is taken out of this contest! Doctors rush over to check on Jaywalker and Roxy as Robbie and HBG drag themselves up - both clutching the apron to aid them! It could still be anyone's game here! Neither team really has the advantage by this point! I don't know how any of these competitors are still going, but they keep marching on!

Doc: They're showing the world exactly why they the absolute best professional wrestling has to offer, but only one team can win! The Bane of LEGION aims to be that team as Robbie and HBG roll themselves back into the ring! They're both battered and bruised, but they intend to end things as soon as they can! (DING! DING! DING!)

("Playtime" by contRoVersy plays all throughout the MGM Grand Garden Arena as all three exhausted members of The Dollhouse realize they won)

Murrow: I can't believe it! They did it!

VANESSA: THE WINNERS OF THIS CONTEST BY PINFALL..... SWEET ROXY,
JONETTA STONE, AND DIVA..... THE
DOOOOOOOOLLLLLLLLLLLLLLHOUSE!!!!!!!!!!!!!!

(An angry Jaywalker is shown nearly already up at the top of the ramp, still visibly hurt while removing the tape from around his wrists as he shakes his head)

Doc: I don't think I can even put any of that into words! I'm absolutely exhausted after that! Maybe not as exhausted as the competitors in this match, but pretty damn exhausted!

Murrow: It looks as though Jaywalker decided against going any further in this contest! He gave up tonight when it mattered the most as he abandoned his team before the three count could even be administered!

Doc: It's hard telling what was going through his mind, but it looks as though Jaywalker felt as though The Bane of LEGION simply wasn't worth it by the end! It could have been that Roxy got in his head and seemed to have his number throughout the whole match, but who really knows! The only thing we know for a fact is who are winners are!

(Roxy, Jonetta, and DiVa help each other to their feet as they pull each other in to celebrate)

Murrow: You're right about that - those three women right there proved beyond a shadow of a doubt that they are not only the future of professional wrestling, but also just as well the present of it as well as the most dominant group out there today!

(Pink pyro erupts all throughout the arena as pink confetti begins to reign down from above)

Doc: What a thrilling, heartstopping, and all around hellacious contest that was in every possible way! I didn't know exactly what to expect heading into this show, but I certainly didn't expect any of the incredible contests that we were witness to tonight!

(Highlights of the match are shown; featuring Sweet Roxy being catapulted onto The Bane of LEGION, Jaywalker hitting a Double A Spinebuster on Roxy through an Announce table, and a Triple-Team Border Toss on Robbie V from the second rope followed by a double 450 Splash from the same corner by Roxy and DiVa)

Murrow: We've seen some of the best wrestling that I've ever been a part of tonight despite all the skepticism I had the moment they asked me to come here and be a part of it, but it made a

believer out of me! And THOSE three made a believer out of me! Congratulations to The Dollhouse and congratulations to The Bane of LEGION for putting on an instant classic with them! And thank you to all of those who participated tonight! It's been unforgettable!

(Robbie V and the Heart Break Gal look on from the outside. HBG helps Robbie stay on his feet while they watch The Dollhouse celebrate in the ring amongst their confetti)

Doc: I don't know if they're proud or not, or if they even know that Jaywalker essentially screwed them over there at the end, but HBG and Robbie look on at the sight of their daughter as she has - whether they like it or not - led the charge with The Dollhouse and undoubtedly beaten them here tonight at Doll In!

(iDoll Entertainment Security Guards order various fans in the crowd to throw pink streamers into the ring in celebration of The Dollhouse's victory)

Murrow: Well they asked for Roxy to get serious and grow up, and I think they got exactly that tonight, because she and the rest of The Dollhouse just gave The Bane of LEGION the fight of their lives and prevailed in their biggest win ever! What a match and what a night... A very weird night, but certainly a memorable one!

Doc: Thank you to everyone for joining us and thank you to all of those who were invited, and thank you to iDoll Entertainment for making this happen! Signing off for Damien Murrow, I'm Dr. Feelgood, and this has been Doll In! Thank you and goodnight!

(iDoll Entertainment Security Guards enter the ring and raise Sweet Roxy, DiVa, and Jonetta Stone up on their shoulders in celebration while pink fireworks go off outside of the MGM Grand Garden Arena in the shape of a Dollhouse before fading to black)

(A video package begins to play; featuring highlights of all the matches and moments throughout the night as "Pretty Little Dolls" by DiVa featuring ROB plays in the background)
