

LEX Center for Creative ReUse is loving our Lexington community!

We are a 501(c)(3) nonprofit organization and can give you a receipt for your taxes.

We are collecting all kinds of things that you may have in your home or business just waiting for the perfect use- like Creative ReUse!

As we plan projects and have requests for specific items, we will add to the list.

We love in-kind donations. Here is a list of items that our organization would benefit from, in order to maintain our space!

- Shop Vac
- Unopened boxes of seltzer water
