Stony Brook University complies with federal and state disability laws requiring that universities ensure equal access to educational programs, services, and activities for qualified persons with disabilities. To assist SASC in determining appropriate and reasonable disability accommodations; please complete the attached form. Please know that additional documentation may be required.

Please take note of the following as you complete this form:

- A. The person completing this form should be a healthcare professional who is either (1) qualified to assess and diagnose the student's condition, and/or (2) is a part of the student's treatment plan for a previously diagnosed condition. Examples include psychiatrist, psychologist, therapist, social worker, medical doctor, nurse practitioner, optometrist, speech-language pathologist.
- B. Please complete all parts of this form as thoroughly as possible. **Inadequate information, illegible handwriting, or missing fields may delay the review process** and necessitate follow up contact for clarification.
- C. Please attach any other documents or information you think would be relevant in determining the student's academic accommodations.

Once completed, please return this form back to the student so that they may deliver it along with their Student Intake to SASC.

If you have questions regarding this form, please call SASC at 631-632-6748.

Thank you for your assistance.
