

Mohawk 4x4 Adventures, Inc presents -

Join us to raise money for charity, The Food Bank of Western Massachusetts, where \$1.00 provides up to 4 meals.

Our club is kicking off the fundraiser by pledging \$250 on top of all other donations, so we're starting at 1,000 meals for local residents in Western Massachusetts.

We have 12 tickets for the more difficult trail ride, and 12 tickets for the easier trail ride - so space is limited. There's some minimum requirements for all trail rides and some extras for the harder trails. Tickets are available for club members and non-members that meet our minimum requirements for this event. The trail tickets are only \$25 per 4x4, and guests in your rig are free. (We will also accept donations on site, but all DRIVERS must be registered and pay for driver tickets online.)

**** All trail participants will be entered in a price drawing for an RT-Off-Road Vehicle Recovery Kit provided by Crown Automotive Sale Outlet in Canton, MA. ****

We have also added a donation only button for those that can't make it but would like to help out. In 2020, we raised \$1575 (6,300 meals), and our goal for this year is \$2500, or 10,000 meals. We're counting on our members and guests to share the link to maximize attendance and donations.

These donations help veterans, the elderly, children and adults in all kinds of different situations where they need help - especially as winter weather settles into New England and the Berkshires.

Our network of ancient roads and trails we are using are exciting and scenic loops, and we will return to where our meeting spot to refill tires and pack up trailers. These loops cover a large area on, near or around the Mohawk Trail, and can be as long as 60 miles (usually we cover at least 40 miles). The scenic loop can be altered to accommodate either more built rigs or mostly stock Trail Rated Jeep JK Wranglers as a reference point. FYI, we recently had a member on 40" tires that very much enjoyed the scenic tour - it's still a lot of fun.
