

Privacy Policy

This Privacy Policy belongs to the Cross Word Chase which governs the collection of information when you engage with our mobile applications.

Security

We employ reasonable measures to safeguard your information against unauthorized access, disclosure, and alteration.

Your Choices

Push Notifications: You can manage push notifications by adjusting your device's settings.

Children's Privacy

Our services are not intended for users under 13 years old. If we inadvertently collect data from a child under 13, it will be promptly deleted upon discovery. Parents or guardians can contact us to rectify such situations.

Third-Party Services

Third parties may serve advertisements, provide analytics, and other services. For details on our third-party service providers and their data practices, refer to the links provided below:

- Google AdMob: <https://www.google.com/intl/en/policies/privacy/>
