Dr. Tamu Lucero, Superintendent of
Schools

June 2023

Dear Fifth Graders,

You did it! Congratulations on completing your elementary school journey!

An exciting time lies ahead for you in middle school. There will be so many opportunities for you to learn, challenge yourself, contribute to the school community, and explore new clubs and activities. It will also be a time of change for you and your families. Please know that the teachers, administrators and staff at your middle school are excited to meet you and to help you make a successful transition to middle school.

When I asked a rising seventh grader to offer words of advice to incoming sixth graders, they shared the following:

“Middle school can seem overwhelming at first, but after a few days you will learn the new routine and get to know people who will become your friends. The teachers want you to succeed, so don’t be afraid to ask for help if you need it.”

You are ready. The work you have done over the past six years has prepared you well for what lies ahead. Enjoy today’s celebration with family and friends and take time over the summer to relax and have fun.

We look forward to welcoming you back to school on August 29 for middle school orientation!

Stay Safe and Healthy!

Dr. Tamu Lucero
Superintendent of Schools
