

Students in Math W82: Visualization with D3

Please provide a little information about yourself. What you include is up to you, but here are some suggestions:

- name (and photo, if you can) in the left column
- your favorite subject that is not mathematics, statistics, data science, or computer science
- favorite hobby or non-school activity
- anything else you think would be interesting

If we run out of rows in the table, just use Format > Table > Insert Row Below to add an additional row.
