

Global Law

1. Act with civil behavior

It is expected of all members to display good character and conduct. This includes a sense of maturity, and a minimization of cursing.

2. Prohibition of NSFW content

Content or posts which qualify as sexual, vulgar, disturbing, or “gore”, is strictly prohibited.

3. Do not show aggression

Displaying aggression to other players shall be defined as excessive trolling and insulting or general hostility and aggressive behavior.

4. Harassment

Other players are to be respected, and must not face harassment.

5. No advertising

Advertising, such as linking other minecraft servers, is prohibited without consent from a mod.

6. Staff Responsibility

One with a staff rank shall not abuse their power in an act of aggression, or for corruption in game.

7. Staff Accountability

The staff and administration of Dreamland are expected to watch after one another, and to report any shortcomings to a higher authority.

8. Stability

The community of Dreamland is to be kept stable. Anything to incite chaos, aggressive argumentation, riots, or any other form of server unrest is prohibited.

9. Outside servers

Advertising or promoting other servers is prohibited.

10. Do not spam

Unless permitted in a specific channel, spam is prohibited.

11. Appeals

If it is deemed that an authority acted in injustice to carry out a specific moderation action, it may only be challenged through an appeal report.

12. Illegal Activity

Any promotion or act of illegal activity (by American law) is banned in Dreamland.

Discord Law

1. Controversial Discussion

All political, religious, societal, or general controversial topics of discussion are limited to #controversial or #memes

2. Organization

Do not use any channel for any purpose other than what it was intended for.

Server Law

1. Do not overload the server

Activities which place a heavy load on the server and result in noticeable lag or crashing, and are done intentionally, will be prohibited

2. Prohibition of client-side mods

All client-side mods are banned unless it is approved, of which include:

- Optifine
- Shaders
- Texture packs
- Minimap mods
- Mods adding crafting recipes or dictionaries (WAILA, NEI, JEI, etc.)

3. Corruption

Creative mode, granted to trusted powers, is prohibited outside the use of spawn and central building, griefing and glitch repairs, or general admin work. Using it as an in-game advantage is intolerable. This shall apply to any admin command which grants a gameplay advantage.

4. Weapons of mass destruction

Do not use any weapon which allows for mass destruction

5. Spawn Protection

Damage to spawn is prohibited.

6. Teleportation

All teleportation is prohibited.

7. Spawn Protection

Griefing the trade city at spawn is prohibited.

8. Internal sabotage

Nobody may steal large sums of resources or grief a faction they are already in, they must declare independence or leave first.

9. Land overclaim

Do not claim a significant amount of land that you will not be building in.
