

Line Judge Training for a Junior Volleyball Match

4 most important things Line Judges are responsible for:

1. Calling the ball In and out
2. Calling a touch off the player
3. Calling antennae faults
4. Calling Foot faults

Helpful tips:

- Watch from within the court to the outside on close balls near the line
- Center on the line you know the ball will be going to before the ball lands - be proactive, not just following the ball - easy to miss in/out
- Where to be during Time outs
- Neutral position during play
- Hold the signal for a few seconds and look at the official. Even if the Official does not' look directly at you, they can see you out of the corner of their eyes.
