

**MISSTON:
POSSIBLE**

Virtual Open House

**Date: Wednesday, September 23 (K, 1, 2)
Thursday, September 24 (3, 4, 5)**

Time: 5:30 pm- 6:30 pm

Format: We will use Google Meet. Teachers will use the same Google Meet link that is used for synchronous learning. Students will have to log into the meeting with their Chromebook and Google account.

Teacher Talking Points:

- **Attendance:** Joining daily “live” meetings, re-watching recordings if unable to watch live and completing DPA for attendance to be changed to present, being on time
- **Expectations:** quiet area, needed materials, no food or drinks near the Chromebook, proper attire and online etiquette, siblings/distractions within camera view
- **Google Classroom:** Locating assignments, using the classwork tab instead of the stream, turning in assignments, grading
- **Synchronous and asynchronous:** What is the difference and what should students be working on during these times?
- **Classlink/Edgenuity**
