## Bart Smith Drops Free YouTube Audiobook: 99+ *Speaker Success Tips & Tactics*—A Fast-Track Playbook For Rock-Star Presentations

**Practical, before-during-after guidance for speakers, now available to stream at no cost.**

**Las Vegas, NV – September 2, 2025** — Author, trainer, and content creator Bart Smith today announced the free, full-length audiobook release of 99+ *Speaker Success Tips, Tactics, Strategies & "Don't Forget" Actionable Items*, now streaming on his YouTube channel.

The audio edition distills Smith's comprehensive, three-phase framework—what to do before, during, and after a talk—into quick-hit, actionable guidance designed to elevate any presentation.

### **A Hook That Matters For Speakers Right Now**

Whether you're gearing up for your first team briefing or headlining a major event, Smith's audiobook is engineered for rapid wins: implement dozens of checklists and reminders to tighten delivery, engage audiences, and improve outcomes across the entire speaking cycle. The book organizes 49+ prep tips (before you speak), 36+ delivery tactics (while you speak), and 16+ follow-up moves (after you speak)—so speakers can immediately focus on the right actions at the right time.

### **Why Audio? Because Momentum Matters.**

Listening unlocks learning in the cracks of the day—on commutes, workouts, stage-walk run-throughs, or between sessions—so speakers can rehearse, visualize, and reinforce best practices without carving out extra desk time. Audiobooks also support on-the-go note-taking,

repetition for retention, variable speed for pacing practice, and accessibility for different learning styles, helping ideas move from “I know it” to “I do it” faster.

## **What You’ll Learn (Highlights)**

- **BEFORE you speak:** audience intel, environment checks, AV and run-of-show, confidence priming, and storyboarding your openings.
- **WHILE you speak:** attention hooks, body language, pacing, live interaction, and recovery tactics when things go sideways.
- **AFTER you speak:** staying memorable, follow-ups that build relationships, and simple systems to convert interest into outcomes.

## **Free To Stream On Youtube**

The complete audiobook is free on Smith’s YouTube channel, making professional-grade speaker training accessible to anyone with a phone. Listeners can subscribe and start the audio immediately from the book page.
