Help Information

The "Military Use" flag is used to exclude student information from being sent to military recruiters.

The "Higher Education" flag is used to exclude student information from being sent to institutions of higher education.

The "District/ School Use" flag is used to exclude student information from use within the school district.

The "Outside Grp/Indiv " flag is used to exclude student information from within the school district like yearbooks, photographs and sports information. This includes rosters, programs or articles where students' directory information is identified.

The "Outside Media Use" flag is used to exclude student information from being provided to newspapers and other media.

The "Yrbook/Activ Roster" flag is used to exclude student information from being provided in yearbook and activity rosters.

The "TRL Card" flag is used to exclude student information from data gathered for library resources.
