

Diya Sharma

-An acronym to represent "style! emcee", highly polished actor and a print/commercial model. Diya hails from the hospitality industry and has to her credit a B.Sc in Hotel Management and Tourism followed by a M.Sc in Hotel Management. Since childhood Diya was attached to performing arts and theatres. Her guide, mentor and Grand father (Late) Col.T.N.Spolia, recognized her potential and inspired her to join Roshan Abbas's Graffiti. Later, with the support of her grandfather Diya took up anchoring and theatres as a profession and decided to leave the hospitality industry.
