

Hi Michell!

My name is Lucian I am a marketer and growth consultant.
I came across your YouTube channel and I was impressed with your content.

Your work matters and helps a lot of people.
You bring them a lot of value through this channel.

However!

I think I can help you improve your website and get more traffic.
I noticed that your website could use some improvements

For example, the product pages are all the same and there's no clear navigation.
This is confusing for visitors and makes it difficult for them to find the information they're looking for.

I have some ideas that I think could improve your website.
I'd be happy to share them with you and discuss them further.

Please reply to this email if you're interested in finding out more about it.

Thanks,
Lucian

Regards!
