

Thank you, Ms. McCarthy!

And now, we have some raffle prizes to hand out!

These names were randomly pulled out of a hat and everyone (including the Tech Leaders), has a chance to win. If I call your name, please stand up and we'll bring you your prize:

xxxxxxxx

But we're all winners because we're here today together learning code! Thank you again for coming! We have two more stations to go to! Tech Leaders, please line up your groups and wait for the green sign to go to our next station!
