

- Each participant must register using the Splash Pad Sign Up Form in order to enter for prizes.
- Eligible crafts: knitting, machine knitting*, crochet, spinning.
- KAL Dates: May 30 - July 31, 2022 (start & finish times based on your local time)
- WIPs (works in progress) are eligible if finished during KAL; you must do some knitting/crochet/spinning on them for it to count; not just finishing.
- To win prizes, craft something that's 50-200 grams. Meeting the 50g criteria will earn you an entry for prizes. You'll earn additional entries for using more yarn (up 200g) and for using sponsor products. See below for details

    - Finished Object- 100 grams- 1 additional entry

Fine Print:

- Larger Projects are eligible but if you use more than 200 grams you do not get additional entries. Max entries for grams used is 4.
- Knitting Machines: Enter half the total grams you used on the Form.
- Small items: If you are making a set of something (6 washcloths to give as a gift), you may count that group of FOs as 1 FO and claim entries for the entire project. If you choose to do that, you may not then also count those FOs separately.
- You may use a sponsor product more than once (i.e. a project bag) but the duration of the projects for which you're using it must not overlap.
- For stitch markers, the max entries per project is 2 (1 stitch marker + 1 progress keeper).
- Remember you don't have to weigh things for this MAL. If it's close to 50g enter 50g on the form. Options on the Google Form:
    - 50g (30 - 69g used)
    - 100g (70 - 129g used)
    - 150g (130 - 169g used)
