FRESHMEN

NEW All freshmen are invited to sign a Class of 2025 graduation gown. This act signifies their commitment to graduate and to being a part of the Lakes Community High School community. We will frame the signed gown and display it at graduation in May of 2025! The gown is available for signing in the main office through Friday, September 17.

SOPHOMORES

NEW Students can place their class ring orders during the lunch hours on Tuesday, September 14. Brian Walter from Jostens will also be at Lakes in the main entrance on Tuesday, September 14, from 5:30 - 7 pm for families to view and order rings and jewelry. Order online [here](#).

NEW All sophomores are invited to sign a Class of 2024 graduation gown. This act signifies their commitment to graduate and to being a part of the Lakes Community High School community. We will frame the signed gown and display it at graduation in May of 2024! The gown is available for signing in the main office through Friday, September 17.

SENIORS

NEW Students in grade 12 will be taking the Illinois Science Assessment (ISA) Wednesday, September 22, in the morning during periods 1 - 4. The assessment, which is in compliance with federal testing requirements, will be administered in an online format and is aligned to the Illinois Learning Standards for Science incorporating the Next Generation Science Standards (NGSS), which were adopted in 2014.

The ISA has three sections and is untimed, however, the average time-on-task is estimated at 120 minutes. The results provide administrators with important data to help them make broad curriculum decisions at the school and district levels.

Students will receive testing room assignments on Monday, September 20, through their school email. **For testing on Wednesday, students should bring their CHARGED Chromebook and a calculator.**

Please direct questions to Assistant Principal Jori Bowen,
jori.bowen@chsd117.org, 847-838-7260.
