

PROJECT "FAIR PLAY 4 INCLUSION"

PADDLE MATCHS

In March 2021 the Erasmus+ Sport project "**Fair Play 4 Inclusion**" was started in Alameda (Malaga) where two paddle tennis activities were organized by **Entrejuegos** association, outdoor activities and complying with all COVID measures were carried out.

On Wednesday 10th March Entrejuegos organised our first sports activity within the project "FAIR PLAY 4 INCLUSION".

Four young people from our village enjoyed a paddle tennis match with total sportiness. Some childrens from the Municipal Sports Schools watched the match for a few minutes and were told about the importance of fair play values in sport, playing without cheating and maintaining a good coexistence with peers and rivals, without generating arguments or fights.

On Friday, 12th March, we carried out another paddle tennis activity for the project "FAIR PLAY 4 INCLUSION".

Entrejuegos brought the Erasmus+ programme to 4 young people from our village with the idea of participating in future exchanges and training in Europe with our association.

In addition, through this project we continue working on one of our main objectives such as promoting and organising sports activities to occupy leisure time actively and creating healthy habits.

Thank you for the collaboration of our volunteer Christian who has helped us to organize these activities.
