MELBOURNE, Jan 22 (UPI) – Fire authorities in four Australian states are to control bushfires fanned by strong winds and searing temperatures.

In South Australia, much of Adelaide is engulfed in thick smoke. The firefighters who are confronted by blast-furnace winds try to bring the flames under control.

At Robertstown in the state's mid-north, more than 2,500 acres have already burned. Another bushfire, started by lightning, charred the earth near Mouth Flat on the southern side of Kangaroo Island, while Ngarkat Conservation Park, in the state's upper-southeast, is also a blaze.

A 7,500-acres fire at Mount Agnew in Zeehan, in the state's west, broke containment lines Saturday afternoon, jumping a road and coming close to homes.

The most serious fires were in Victoria, where up to six homes were destroyed by a fire near the town of Anakie, 36 miles west of Melbourne.

Hold My Hand

By: Maher Zain

I hear the flower's kinda crying loud
The breeze's sound in sad
Oh no
Tell me when did we become,
So cold and empty inside
Lost a way long time ago
Did we really turn out blind
We don't see that we keep hurting each other no
All we do is just fight

Now we share the same bright sun,
The same round moon
Why don't we share the same love
Tell me why not
Life is shorter than most have thought

Hold my hand
There are many ways to do it right
Hold my hand
Turn around and see what we have left behind
Hold my hand my friend
We can save the good spirit of me and you
For another chance
And let's pray for a beautiful world
A beautiful world I share with you

Children seem like they've lost their smile
On the new blooded playgrounds
Oh no
How could we ignore
heartbreaking crying sounds
And we're still going on
Like nobody really cares
And we just stopped feeling all the pain because
Like it's a daily basic affair

No matter how far I might be
 I'm always gonna be your neighbor
 There's only one small planet where to be
 So I'm always gonna be your neighbor
 We cannot hide, we can't deny
 That we're always gonna be neighbors
 You're neighbor, my neighbor
 We're neighbors

So hold my hand
 There are many ways to do it right
 Hold my hand
 Turn around and see what have left behind
