- 1) What do you see? No interpretations of the data only descriptive statements.
- 2) What questions do you have about what you see? List the questions. Do not attempt to answer them.
- 3) What other data would you like to collect in order to have a better understanding of what these data represent and how we can support our students and how safe they feel?
- 4) How might this information impact any action steps for Goal B: Student Safety?
