

A Fresh Lens on Obedience/Human Activities

“Know ye not, that to **whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?** But God be thanked, that ye were the servants of sin, but ye have obeyed from the heart that form of doctrine which was delivered to you.” Romans 6:16-17

Translation from Greek for this section/phrase; “**Know ye not, that to whom ye yield yourselves servants to obey**” = “**ARE YOU NOT PERCEIVING/AWARE THAT WHO YOU STAND UP BESIDES (in the spirit realm by behaviors), YOU PRESENT/MAKE YOURSELF THE SLAVE OF TO OBEY...**”

Translation from Greek for this section/phrase; “**...whether of sin unto death, or of obedience unto righteousness?**” = “**(between 2 ‘spirit’ options) EITHER OR/WHETHER TOWARDS (the realm of) SIN INTO DEATH, EITHER OR TOWARDS (the realm of) TRUE OBEDIENCE INTO (God’s) JUSTICE...**”

**Interpreted from (scripture4all.org Greek NT Interlinear)

“For Christ also hath once suffered for sins, **the just for the unjust, that he might bring us to God, being put to death in the flesh, but quickened by the Spirit...**”

1st Peter 3:18

There is a defined and established way called "*The ways of eon*" (refer to [Jeremiah 6:16 in this link](#)) The Way everlasting, the eternal roads, the narrow path that leads to paths of righteousness only accessed by obedience. Spirits are either on that road waiting for us to learn from them along the roadway, or they are on the by-ways of that way outside the main path looking to sway us off at every turn. The just will walk on this way by faith, not by sight which concerning the visions and realities of God is actually blindness! God withholds nothing back from those who walk uprightly. Which road will you choose in your heart? Not just lip-service. Lip-service is known to God from afar yet the heart could be far from His realities and intentions.

There is a form, a manner, a certain revelatory knowledge in the gospel that would bring our obedience full in Christ. This is why the Apostle Paul says that we actually punish every disobedience. Disobedience is linked to a certain dark spirit. The prince of the power of the air, the Dragon, Satan's form in the 2nd & 1st heavenly realm. The air, and the marine realms network to throw believers off hard in the last days. The determination to obey Christ is itself warfare. Perhaps it didn't feel like this in previous years. But it mounts the more as we press on to the Day of the LORD.

Thus saith the LORD, Stand ye in the ways, and see, and ask for the old paths, where [is] the good way, and walk therein, and ye shall find rest for your souls.
Jeremiah 6:16

Corresponding actions, regularly carried out in the processes of human activity always has a spirit attached to it. Jesus says, "My words are spirit and they are life, the flesh profits (or attracts the results of) nothing", emptiness, voids, lostness, and all that belongs to it is then a function of being without direction. Without order, without a form of doctrine from the word of God. There is that second hand and highly important labor of a spiritual shepherd that feeds according to revelatory knowledge. But there is also that unique and personalized form of godly doctrine that a person becomes obedient to in the walk they have with the LORD.

Stand ye, See, and Ask... For the ways of eon which belong exclusively to God.

Prayer:

Father lead me through the ancient dealings of your eternal plans for mankind. Before the foundation of this crooked world system. Thank you for your protection and upholding hand thus far. I ask you to continue to uphold me as the days grow darker, and yet your light desires to draw ever closer upon the ways of the spirit, the ways of eon that belong to your fire, that belong to your heart, that belong to Your genuine reciprocating lovers. Thank you for the eternally mapped out election oh God, of the remnants of this age. Class me among them oh LORD, I pray that I don't miss it. Holy Spirit never let me breach the process. Help my soul to know your ways oh God. The ways of everlasting dealings, the crushing of the flesh, the embracing of that intense holiness for the human body, that converts the soul in a higher way. Fashion me a sharp weapon in your hands LORD, highly useful in these end times. Never let me count doing for you to ever be higher than being with YOU. Your love is better than life on this earth oh God.

Jesus, cause me to manifest that strange and powerful aspect of your life. Those miracles that are only ignited by your presence, and comprehended by your glory. I don't want small stuff that I would easily settle for from my past religious ideas oh LORD. Forgive me when I think of you so small, and in turn think of myself so small. In Jesus Name we pray...
