One day on vacation, you and Ethan are about to get intimate, but someone knocks on the door.

E-Ethan

B-Brody

[Script starts here]

[Ethan and listener go into the room kissing]

E: Finally. I have you all to myself

[Kisses]

E: You know our next vacation should be just me and you.

That way, you can walk around naked just for me

[Ethan laughs]

E: lets get this bikini off of you

[shuffling as clothes are taken off]

E: Wow, this pussy gets prettier and prettier every time I see it

[E kisses listeners thighs]

E: spread these legs for me so i can-

[knocks on door]

B: (muffled from behind the door) Hey, bestie, you coming? I got the game ready

[pause for listeners response]

B:(muffled) ok ill be waiting

[Brody walking away from the door]

E: You are not seriously gonna leave me for him

[pause for listeners response]

E: You don't want him to feel left out? He wouldn't if it were just you and me here.

Fine, go ahead, I'll be here. You want me to come out there? Babe but-

[Ethan gets interrupted by a listener]

E: OK ill come too.

[Time passes]

[Video game noises]

B: oh cmon theres no way we tied again

E: Maybe you two should call it a night, and we could-

[Ethan gets interrupted by the listener]

B: Yeah, Ethan, we`re nowhere near done. You're just gonna have to wait.

[Ethan groans]

B: Actually, I do need to ask you two something

E: (shocked and nervous) Huh? What could be on your mind, buddy?

B: You two spend a lot of time together, and you really seem to be a little flirty with each other.

E: Some friends are just flirty

[Ethan takes a drink}

B: Well when we “accidentally” get only two rooms, you were *so* ready to share a room with her.

Are you two dating?

[Ethan chokes(or spits out) his water]

B: I KNEW IT

E: Look, man, we aren't dating per se

B: wait what

E: We`re more friends with benefits

B: Ok gross but you two still have something going on. I always knew there was a duo in a trio but I never thought it was because my two closest friends were sleeping with each other.

[pause for listeners response]

B: You didn't want to hurt me? Well I'm pretty hurt. Especially because of you, Ethan.

E: (confused) Me?

B: (directed at Ethan) Ethan, we promised to tell each other everything, and the fact that you were basically pushing me out hurt me

E: Oh I didn't even think about that

B: Yea because you never do. You always think about what's going to benefit you, you don't even think about how it might impact others

E: My bad, man. Look im sorry

B: Look, I'm just gonna sleep on this just give me space.

E: (sympathetic) Man I said I was-

[listener grabs his arm]

E: (sighs) ok we`ll be in here if you need us

[foot steps and door sfx]

[time skip]

[listener walks into Brody's room]

B: Hm? No, I can't sleep.

[pause as listener speaks]

B: No, don't be sorry. It's just this isn't the first time Ethan has done this. But last time I wasn't as close with the girl.

I just wish he would understand things from my perspective.

[listener gets on the bed]

B: Thanks for not putting all of your attention into Ethan. It makes me feel the smallest bit better about all of this.

[Listener asks Brody if he has a FWB situation}

B: Uhm, no, I've never had a friend with benefits situation.

Do I wanna know what it's like? But what about Ethan?

No feelings attached? I guess trying it wouldn't hurt.

[Brody and listener start kissing]

B: Holy cow, you're a good kisser.

Hm? Don't say things like holy cow when making out? Oh got it

[Brody and listener continue kissing]

B: Fuck, your lips are so soft

[Kissing continues]

B: Oh my gosh, you're grinding into me.

[Kissing and moaning]

[door opens and Ethan walks in]

E: Hey man I know you said give you time, but- oh shit, my bad man, didn't mean to interrupt

[Brody pulls away]

B: You're not mad?

E: No emotions attached. Just a good kiss and a good fuck.

B: So what now?

E: It's pretty obvious. We have a threesome

B: Are you ok with it, bestie? Yea? Oh ok then.

E: Well go on, Brody. Kiss her

B: I know what to do. But it's just awkward with someone watching.

E: You're just gonna have to get over that cause we`re gonna fuck her together

B: Dude can you not-

[Listener pulls Brody into a kiss]

E: Good job, baby, you got him to shut up.

Now let me kiss this neck of yours

[Ethan kisses listeners neck]

B: Oh my gosh, you are so beautiful.

Uh yea you can take my shirt off

[Ethan stops kissing listeners neck]

E: (directed to listener) Let me take yours, too, baby.

[clothes coming off]

B: (directed at listener) Oh, you don't have on a bra

E: (directed at Brody) Yeah, you kind of interrupted us earlier.

Anyways less talking for fucking.

(directed at listener) Baby, show him how you use that soft mouth of yours.

[listener takes Brody's dick out]

E: (shocked) Damn, dude.

B: Yea i know I'm hard

E: Uh, no, I'm talking about how big a dick you got.

(directed at the listener) Well, go on, baby. Suck his dick

[blowjob starts and Brody begins moaning]

B: Holy fuck, her mouth is so good.

[Ethan begins taking off his pants]

E: (directed at Brody) Yea it's a shame I gotta share it now.

(directed at listener) You know what to do

[listener continues to suck off Brody and starts to give Ethan a hand job. Continue this for a couple of minutes. Add in moans and adlibs]

E: (directed at listener) Ok, baby, I need your mouth

B: Wait, what? I'm not even close yet

E: Yeah, man, which is why you get her pussy.

B: Uh, you sure? You said it yourself, I'm pretty big.

E: Unless she screams in pain and uses the safeword, she'll be ok.

B: If you say so

[shuffling as the boys move around]

B: Wow she's so wet

E: Slide a finger in to get a taste.

[Brody slides a finger into the listener and licks his finger]

B: Wow, she tastes good.

E: Wait till you feel her insides.

[Brody lines himself up]

B: (directed at listener) You ready, bestie? Yea? Ok, I'm slowly entering

[Brody moans as he slowly enters listener]

B: Oh my gosh, you're so tight.

E: Yeah, she won't be when you're done.

Ok, baby suck my dick

[Ethan moans as listener begins sucking his dick]

E: Oh yeah, that's it, baby.

B: (directed at listener) You ok, bestie? Yea? Ok, I'm gonna speed up

[Brody fucks the listener slightly faster]

B: Oh fuck, you're so wet for me, baby.

[moans and adlibs and the blowjob and sex continue. Continue this for as long as you want until the speakers reach their climax]

B: Oh fuck im gonna cum

E: Me too. Just don't do it inside her

B: (moans) I won't.

You're ready, bestie. I'm gonna cum on your back

E: while I cum on your face

B: You're gonna cum with us, right? Uh huh? Good girl

E: Fuck on three

One

Two

Fuck three

[Moans as everyone cums]

B: (heavy breathing) fuck are you rubbing yourself, bestie

E: (heavy breathing) Of course, she is, you pulled out. She finishes up that orgasm

Awwww, are you cum drunk, baby?

B: Looks like it

E: Here's the best part of sex

B: What's that?

E: The cuddles and sleep you get after. Come here baby

[listener cuddles up to Ethan]

B: Well, I'm gonna go and-

E: Nope, you're joining the cuddle sesh

B: (happy and shocked) R-really

E: Yup, now get over here before I change my mind

[Brody cuddles beside listener]

B: This is nice

E: Told you. Well, let's get some sleep

B: Goodnight Ethan

E: Goodnight, Brody
