A Thought to Ponder from The Urantia Book

Active Love

“In the study of the religious life of Jesus, view him positively. Think not so much of his sinlessness as of his righteousness, his loving service. Jesus upstepped the passive love disclosed in the Hebrew concept of the heavenly Father to the higher *active* and creature-loving affection of a God who is the Father of every individual, even of the wrongdoer.”

主動之愛

「在研究耶穌的宗教生活時，應正面看待他。毋須過度聚焦於他的無罪，而應思索他的正義，他的慈愛服務。耶穌將希伯來人對天父概念中所揭示的被動之愛昇華至更高層次，即神主動與熱愛受造萬物的深情；上父是每個個體的父，即便對行惡者亦然。」
