The SuperMatch college search tool within Naviance makes it even easier for students to explore their options and discover colleges that are a match with their academic profile and a fit with what they're looking for in a college experience.

### Using SuperMatch

SuperMatch can be found by navigating to **Colleges > Find Your Fit**.

### Quick Tips

On your first visit to SuperMatch, you will be guided through a series of quick tips that will help you navigate the search tool and understand its key features. Also, clicking on the **About SuperMatch** link in the top right corner of the page will relaunch the quick tips should you get stuck and need assistance.

## Selecting Fit Criteria

1. Use the **Choose Fit Criteria** navigation menu at the top to select criteria based on what you are looking for in your college experience. You do not need to select something under every category; only select the criteria which are most important to you.

2. Click on the **Tool Tips** icon  located throughout the search tool to read definitions for common concepts and terminology.

3. As fit criteria are selected, they populate in the **Must Have** box. You can also move criteria between the **Must Have** and **Nice to Have** boxes depending on level of importance to you. Moving your criteria between these two categories of importance will refine the college search results below.

## Search Results

Institutions with the highest **Fit Score** will always appear at the top of your list. To see your **Fit Score Breakdown** based on the criteria you selected, click on the green **Why?** box located under the **Fit Score** percentage.

The modal shows the user's Fit Score of 100% and a breakdown of criteria: 'Must Have' (Location [8], Major [Any], Campus Surroundings [1], Student Body Size [3]) and 'Nice to Have' (none selected). The 'Must Have' section shows that all 4 criteria are a match.
