This is a camp (offered during summer sessions ONLY) designed for the rider that is already very active in our lesson program and demonstrates the abilities to walk, trot, canter, and jump. This camp is geared toward widening your knowledge base, fine tuning your performances, preparing for the show at the end of the week, and having fun! Each Show Prep/Advanced Camp session includes a GDCTA-recognized schooling show trip to Poplar Place Farm in Columbus, Georgia, at the end of the week! Show Prep/Advanced Camp provides an amazing opportunity to develop as a rider and prep for and compete at an off-farm combined training or 3-phase event, all at a deeply discounted rate! Camp tuition INCLUDES your horse lease, horse transportation, and coaching at the show. Please note that you will be required to pay show fees to the venue and rider is responsible for their own transportation to/from show venue as well as hotel accommodations at the show.
