

EVERGREEN PARK ELEMENTARY

STEM SCHOOL OF INNOVATION

VOLUNTEER OPPORTUNITIES at Evergreen Park Elementary

Fill out a volunteer application ASAP so you are ready to help out-

[Evergreen Park Volunteer Application](#)

PICTURE DAY HELPERS (3) all day on September 22nd- Contact Molly

TEACHER PROJECT HELPERS- Let Molly know if you have availability on Mondays, Wednesdays, or Thursday afternoons in September and October to stop in for an hour. Molly.Sheedlo@ahschools.us or 763-506-2530

FIELD TRIP CHAPERONE

We love having a student's parent/family member (18 years or older) come along to help out. Rachel Lindeman will reach out to seek chaperones for field trips throughout the year. Watch for her notifications through Reach My Teach. Unfortunately chaperones cannot bring younger siblings or additional people along. Chaperones must complete a volunteer application in advance and pass a background check.

HELP WITH EPIC

EPIC is the name of our parent-teacher organization that helps plan fundraising events and fun family events throughout the year. Attend an afterschool meeting in October, January, March, or May to see what it's all about. This is a good way to meet other parents, teachers, administrators, and find out what is going on at school! Your student may attend with you.

COMPLETE TEACHER PROJECTS-

Flexible job? Spare time? Got a half hour or an hour to come to school and sharpen pencils, or cut out laminating for teachers? Teachers often need extra help with small and easy projects. Let Molly know if you could help in this way and she can contact you when we have teacher projects piling up. No special skills or abilities are needed!

FOOD DONATIONS-

Do you work at or own a restaurant or catering company? Want to bring our staff (90) treats or a meal? We always look for opportunities to bless our teachers to show we care and show we appreciate them! If you have a food donation from a restaurant or food purchased from a store, contact Molly Sheedlo and let's pick a date and devise a plan!

We will also help with teacher meals for conferences in October and February. Watch for a note from Molly about pop and dessert donation opportunities.

READ TO YOUR CHILD'S CLASS in February

Watch for more info.

EPIC SPRING CARNIVAL in March

Want to get in on the planning? Do you have a graphic design background and want to help with advertising? Want to organize the games (provided) and prizes? Able to help set up? There are all sorts of ways to help.

MCA HALL MONITOR

9:50AM or 10:50 AM start times on various dates in the spring.

HANG UP ARTWORK in May-

In preparation for Arts and Academics Night, we could use help hanging up student artwork in the hallways.

TRACK AND FIELD DAY in May

Come to cheer on our students!

Plug into a specific station or follow your student.

Enrichment Programs

Online training and lesson plans are available. Please contact Molly.Sheedlo@ahschools.us if you are interested. (Training is required)

Skillbuilders

This volunteer program is comprised of a variety of activities that volunteers can practice with students one-on-one in the classroom while reinforcing the skills that classroom teachers have already introduced to kindergarteners, 1st and 2nd graders through lesson plans, including: Reading aloud, tracing the alphabet, sorting and finding letters, listening to sounds, and counting and building number recognition.

Challenge Reading

Volunteers provide children with additional opportunities to foster a love of reading outside of the classroom by introducing various genres of literature, extending students' writing connections, and promoting higher level thinking skills. Like a book club! This occurs outside of school hours, usually after school.

Math PLUS

The purpose of the Math PLUS is to provide additional, on-going mathematical experiences for students in grade K-5. Students participate in math activities that reinforce problem solving, logic and reasoning, and communicating mathematical findings. This makes math learning fun! This occurs outside of school hours, usually after school.

Fill out the Volunteer Application Forms for the 2025-26 school year, and you'll be among the first people notified of new opportunities throughout the school year.
