

Privacy Policy

Last Updated: 2025-03-26

1. **Data Collection**

We do not collect any user data. Our app does not track, store, or analyze any information about our users.

2. **Data Usage**

Since no data is collected, there is no data used for analytics or any other purposes.

3. **Data Sharing**

We do not share user data with third parties, as no data is collected in the first place.

4. **Contact**

If you have any questions or concerns regarding this Privacy Policy, please contact us via email at:
