FEE INFORMATION

ASB Fee

This is a one-time fee each year. It is required for all students involved in any school activities or athletics. DO NOT pay this *per* ensemble or *per* activity at school. It is a one-time payment annually that covers all ASB activities.

Seattle Experience

Our 2023 Seattle Experience fees will include all transportation, performances, activities, and housing expenses. Students will need additional money for food and souvenirs. Tentative activities and performances include the Seattle Heritage Festival by WorldStrides, Museum of Pop Culture, Museum of Flight, Mariners game, Benaroya Hall tour (home of the Seattle Symphony).

Tux/Dress Cleaning

Wind Ensemble and Jazz 1 students are provided a tux or dress to wear for concerts and festivals. These items will be cleaned once at the end of the year.

Lilac Parade Uniform Cleaning

This fee applies to all band members and is for cleaning the uniform that students wear for the Lilac Parade in May.

Percussion Supply Fee (Sticks, Mallets, Heads, etc)

Our *percussion* students rehearse and perform on equipment provided for them by our program. Many of these items are consumable items that the students would ordinarily need to provide on their own such as sticks, mallets and drum heads. In an effort to reduce cost for the students our program will purchase and provide the students with these necessary items with the help of this fee. This is an annual fee. Although some "loaners" are available, each student should come to class with an all purpose/general use pair of sticks (Vic Firth SD1, 3B, 5A, etc)
