Bachelor of Digital Media and Communication Course Code: A2011
A Sample of Course Progression Plan (Course map) for
October 2019 intake only

This sample scheme shows you how to map your degree so as to complete all degree requirements. **It should be used as a guide only.**

- **Students are responsible for planning to meet course requirements, alongside requirements for majors, minors, and additional studies.**
- Students **must refer** to [Monash student handbook](#) as a guidance for the Arts course structure.
- You must meet the requirements of your course as detailed in the Handbook edition for the year in which you started your course. For example The course and areas of study details provided in the current edition of the Handbook are for those students who commence their course in 2023, while a student who began their studies prior to 2023 should go to the archived Handbook edition for the details of the units they are required to do, and rules of the course that applied to them.
- Please take note that you also need to complete the General studies requirements. Please refer to this [link](#) for more details on the General studies.
- A unit may count only towards one area of study, for the purpose of meeting course requirements (except as described in the Handbook entry for the course). This is the case even when the unit is listed against two or more areas of study (e.g AMU3744 Workplace Learning Internship).
- For any area of study managed by the Faculty of Arts, a student who successfully completes a unit is ***not permitted*** to re-enrol into the unit in order to improve their mark and grade.
- **Intending Honours Students:** Students must have completed a major in the discipline, with a minimum of 24 points (four units) of study at level 3 to be eligible. Please refer to this [link](#) for more information on the Honour course requirements.
- Please refer to the latest [unit offering lists](#) for the elective unit option.
- Please submit your inquiry via [Ask.Mira](#), if you have a further inquiries regarding your course structure requirements.s.
