

Subject Line : You Asked...Here Is Your Ultimate IG Theme Page Training

Yo [Insert Name] ,

The fact that you are reading this tells me two things about you.

1-You are committed to this path of making money online and earning your freedom .

2-you signed up to the ultimately best list for theme page owners.

Here is your first gift for signing up for that list (link to training).

I want you to realize that you have access to information that will put you on your journey with theme pages.

Additionally, you'll get emails from me about running a theme page.

Information that the people outside of this list don't have.

To ensure you don't miss out on those valuable emails.

Here is what you need to do :

1-Reply to this email with "I am committed to this " or anything so I can know you are actually reading this.

2-Add me as a contact.

(Start explaining the steps)

3-Regularly check out your promo tab and if you see my emails there , move them to the primary tab.

After a few times doing this, Gmail should start sending them to the primary tab.

That's all for now.

To your success,
Luke
