

Supporting the students and faculty of Shadow Forest Elementary School

Dear Shadow Forest Friend,

Shadow Forest Elementary will be celebrating its annual “Sharkfest” fundraising carnival and auction on Friday, April 4, 2025. The Sharkfest carnival and auction is the PTA’s way of raising money annually for supplemental educational programs, reading materials, science and technology equipment, field trips, speakers, and other items that supplement Shadow Forest Elementary students’ curriculum.

These programs are made possible through the generous support and donations from individuals and businesses like you. Because there are only a small number of large businesses within the Humble/Kingwood area, the main source of income for Humble ISD and its schools is homeowners’ property taxes. For this reason, individual schools and their Parent Teacher Associations must raise money to help provide our children with additional educational materials and experiences. Your support through our annual fundraiser is extremely vital to Shadow Forest Elementary PTA. No donation is too small. An individual or company may donate in one or more of the following ways:

- Monetary contributions
- Items or gift certificates for our online/silent auction
- Provide or underwrite the cost of a carnival game

All companies and/or individuals will be acknowledged in the Silent Auction Program, on our Shadow Forest PTA Facebook page, and on our PTA website reaching over 600 students and their families. On the day of Sharkfest, you and/or your company will be on a banner that will be posted and visible during the entire event. This will expand your potential market by even more attendees from the community – approximately 500 people attend our event every year.

Please see the attached chart for leveled-contribution benefits.
