

Privacy Policy – Motu Hymn Book App

Effective Date: 27 April 2026

1. Introduction

Motu Hymn Book (“the App”) is developed to provide users with access to Motu hymns for worship and personal devotion. This Privacy Policy explains how the App handles user information.

2. Information We Collect

The App does **not collect, store, or share any personal user data** such as names, emails, phone numbers, or location.

The App is designed to work as an offline digital hymn book and does not require user registration.

3. Device Permissions

The App may request the following permissions only if necessary:

- Internet access (for future updates or content loading, if enabled)
- Storage access (to improve performance or cache content)

These permissions are used strictly for app functionality and not for collecting personal data.

4. How We Use Information

Since no personal data is collected, no personal information is used, sold, or shared with third parties.

5. Third-Party Services

This App does not currently use third-party analytics, advertising services, or tracking tools.

If this changes in future updates, this Privacy Policy will be updated accordingly.

6. Data Security

We take reasonable steps to ensure the App remains secure and safe to use. However, since no personal data is collected, there is no risk of personal data exposure.

7. Children's Privacy

The App is safe for general users and does not knowingly collect any information from children or adults.

8. Changes to This Policy

We may update this Privacy Policy in the future. Any changes will be posted within the App or updated on the Play Store listing.
