

# Privacy Policy for OldInsta

Last Updated: January 19, 2024

Welcome to OldInsta! Your privacy is important to us. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our OldInsta app. Please read this privacy policy carefully. If you do not agree with the terms of this privacy policy, please do not access the app.

## 1. Collection of Your Information

We may collect information about you in a variety of ways. The information we may collect via the OldInsta app includes:

- **Personal Data:** Personally identifiable information, such as your name, email address, and profile picture, that you voluntarily give to us when you register with the app or when you choose to participate in various activities related to the app.
- **Derivative Data:** Information our servers automatically collect when you access the app, such as your native actions that are integral to the app, including liking, re-sharing, or replying to a post.
- **Data from Firebase Services:** We use Firebase services like Firestore, Auth, Crashlytics, Messaging, and Performance, which may collect information like user ID, device information, app usage metrics, and crash reports.
- **Data from Google Gemini:** Conversations generated or processed by the Google Gemini API are stored and managed in accordance with Google's privacy practices and our app's guidelines.

## 2. Use of Your Information

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the app to:

- Create and manage your account.
- Generate AI-created messages for users through Google Gemini.
- Monitor and analyze usage and trends to improve your experience with the app.

## 3. Disclosure of Your Information

We may share information we have collected about you in certain situations. Your information may be disclosed as follows:

- **By Law or to Protect Rights:** If we believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of our policies, or to protect the rights, property, and safety of others, we may share your information as permitted or required by any applicable law, rule, or regulation.

## 4. Security of Your Information

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the information you provide to us, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse.
