Brie - Playtester, cool friend

Kameo120 - Playtester, cool friend, master of crashing the game

Austin - Playtester, cool friend

Jumbo - Bunco (new fork) Developer, idea for the asterisk system

MODS USED and PEOPLE CONTACTED

Disclaimer: All mods in the following list have their in-game credits preserved, including the use of 3x Credits (such as with CCC) and custom credit solutions (such as with Ortalab).

As such I will allow the in-game credits to speak for themselves as opposed to reproducing all of them below.

CONTENT MODS USED TRANSFORMATIVELY (code was edited)

- **Partner**: reached out to **baimao** via DM and received permission.
- **Buffoonery**: reached out to **PinkMaggit** via DM and received permission.
- **Bunco**: reached out to **Jumbo** via DM and received permission. Agreed that it would be difficult to reach Firch, and that permission to use the fork would be sufficient.
- **Prism**: reached out to **Blazingulag** via DM and received permission.
- **ArtBox**: reached out to **SadCube** via DM and received permission.
- **KCVanilla**: reached out to **krackocloud** via DM and received permission.
- **Ortalab**: reached out on the Ortalab Discord. Received permission from **Gappie**.
- **Paperback**: reached out to **PaperMoon** via DM and received permission.
- **SarcPot**: reached out to **SarcasticPotato** via DM and received permission.
- **Tesseract**: Reached out to **hyperx** via DM, and received no response. It is known that hyperx has been inactive in the community, and suspected inactive on Discord, for some time. I instead reached out to **RainDance** via DM and received permission to use their fork.
- **All In Jest**: reached out to **survivalaren** via DM and received permission.

- **The Dread Jokers**: reached out to **AstraLuna** via DM and received permission.
- **Rofflatro**: reached out to **AlrexX** via DM and received permission.
- **Visibility**: reached out to **Monachrome** via DM and received permission.
- **Virtues**: reached out to **someone23832** via DM and received permission.
- **Greener Jokers**: reached out to **ABuffZucchini** via DM and received permission.
- **RainyDays**: reached out to **RainDance** via DM and received permission.
- **Celeste Card Collection**: reached out on the CCC Discord. Received permission from **Fytos**, **bein**, and **Aurora Aquir**.
- **Mistigris**: reached out to **astrapboy** via DM and received permission.
- **FemtoLabsCollection**: reached out to **sunsetquasar** via DM and received permission.
- **Lost Edition**: reached out to **Paulo** via DM and received permission.
- **CardSleeves**: reached out to **Larswijn** via DM and received permission.
- **neonflame**: reached out to **candycane** via DM and received permission.
- **Plantain**: reached out to **Iceberg** via DM and received permission.

CONTENT MODS USED AS-GIVEN (no code was edited)

- **Neato Jokers**: Reached out to **neato** on the Balatro Discord, and permission to use the mod transformatively was denied. Permission to use the mod as-given was received.
- **Cosmos**: Similarly, **neato** denied permission to use this mod transformatively. Permission to use the mod as-given was received.

MISC MODS USED AS-GIVEN (no code was edited)

- **Galdur**

- **Too Many Jokers**
- **Handy**
- **Talisman**
- **3x Credits**
- **Banner**
- **Better Vouchers this run UI**
- **Saturn**

MISC MODS WITH MINOR CODE EDITS

- **Glue for Modpacks:** I fixed the formula for joker rates.

MODS WITH INSPIRATION TAKEN BUT NO CODE USED

- **Rebalanced Stakes:** I do not believe there is a Balatro Discord post about this. I don't know where to get in contact with Riosodu.
