Subject: Exciting News: CCSM is Moving to Church Center!

Dear CCSM Community,

We're thrilled to announce that CCSM will be transitioning to a new, modern church communication system called Church Center. This powerful platform will replace our current ACS system and bring numerous benefits to enhance your church experience.

What's Church Center? Church Center is a user-friendly mobile app and web platform designed to help you stay connected with CCSM wherever you are. It's like having your church community in your pocket!

Key Benefits You'll Love:

- 📱 **Sleek Mobile App:** Access everything from your smartphone
- 📅 **Integrated Calendar:** See all church events at a glance
- 👥 **Enhanced Directory:** Connect with fellow members easily
- 💝 **Simplified Giving:** Manage donations and view statements seamlessly
- 🤝 **Group Communication:** Stay connected with your ministries and small groups

Implementation Timeline: We will roll out Church Center gradually over the next two months, with full implementation by Homecoming Sunday, September 7, 2025.

Current Status (June 2025)

- Board members and committee members are using Church Center as early adopters
- Online giving through the mobile app is available for early adopters
- Link to become an early adopter

Mid to Late July 2025

- Church Center calendar will be complete
- The calendar on the church website will display the Church Center calendar
- The calendar in the Church Life app will be discontinued
- The Church Center web platform will become myCCSM

September 7, 2025

- Full implementation on Homecoming Sunday
- All members will have access to the complete Church Center experience

Your Participation

The Church Center directory will expand as more members join the platform. We encourage everyone to participate in this transition to build a stronger, more connected community.
We look forward to this exciting enhancement to our church communications. More detailed information and training resources will be provided as we approach each milestone.
