Introduction

1.1 This is a personnel file on UNGOC LT P9-4023 or commonly known as "Admin", this file containing their personal information, professional record, and all relevant information on this individual. Due to their rank and existence, this document is top secret and should not be released to any members of UNGOC below Level 4 Clearance. Under no circumstances should this document be allowed to fall into the hands of a hostile GOI¹.

1.2 Certain portions of this document are censored for the purpose of personal and UNGOC security, Clearance Level 5 members of the UNGOC may request an uncensored version of this document. Due to the nature of the operative described in this document, no pre-UNGOC life exists or is described.

Personal Information

Name	Operation 'P9-Indigo' / P9-4023
Codename	"Admin"
Date of Creation	30/07/2024
Rank	LT
Divisional Affiliation	N/A
Current Status	Deployed
Current Station	██████████ - ██████████, Canada

Creation

2.1 Operative "Admin" was created in part by members from Servants of the Silicon Nornir, 1SGT 'Teemo', and UNGOC AI 'Astroboy' as a robot capable of utilising thaumaturgy, this operation was titled "Operation P9-Indigo" and began in 13/05/2024.

2.2 Operation P9-Indigo was finalised on 26/07/2024, with the robot officially showing life-like social skills and thaumaturgy abilities. "Admin" was shown to be able to do common weapon and object manifesting spells, protection spells, and simple fire spells, since this time "Admin" has studied multiple other thaumaturgical books and lectures approved by the UNGOC.

2.3 On 16/09/2024, operative was officially transferred to the Canada, ██████████, UNGOC FOB as part of a test to become aware of "Admin"'s ability to interact with other GOIs and "high-stress² scenarios.

Time at Canadian UNGOC FOB

3.1 "Admin" arrived at the Canada, ██████████, UNGOC FOB on 17/09/2024 without issue through the use of a sky bus transportation system.

3.2 On 17/09/2024, "Admin" entered Kewpie Site 65 and spoke to the Director of Medicine "Kayla" and other medical leadership to arrange for medical employees of Site 65 to be allowed to complete physiological evaluations on GOC personnel, according to AI 'Astroboy' through searching "Admin"'s memory understood that the operative did this task to "Increase GOC personnel efficiency" and "Improve relations between Kewpie and Pinewood GOC".

Information Learned

4.1 Below is a list written by "Admin" of important information it has learned³.

- Bonuses on rheumatology based on reading a transcript of a lecture on Applied Thaumaturgy.
- How to drive manual land vehicles.
- About the prior education of Kewpie researcher Abodel Seras.
- Living body disintegration thaumaturgical spell.
- Kewpie Site 65s Director of Medicines name: "Kayla".
- How to clean blood off a concrete floor.
- Became "besties" with UN Ambassador 'Giggles'.

Footnotes

1. With permission from one UNGOC member of Clearance Level 5 this document may be given to other GOIs within reason.
2. Due to all prior testing of "Admin" being in highly controlled lab environments, AI 'Astroboy' recommended to allow the operative to exist in a regular GOC FOB to view how it would act.
3. The importance of this information is based on "Admin"'s personal opinions, how this is measured is not entirely understood and therefore information may not be accurate.
