

2023-2024 Third to Fifth Grade Supply List

The following list is a suggested supply of donations for our classroom community. Please do not label these items with your student's name for they will be used collectively. Please note, you do not have to purchase any or all items. If you can, please select a few and have your student bring the supplies to class during the first few days of school.

Each student is more than welcome to bring their own individual set of supplies to carry with them throughout rotations. All students will be provided with academic supplies regardless of donations.
