

The SPAL boys soccer team will have an organizational meeting/practice from 4:30 to 5:45 on Sunday at Daffin Park (on the soccer fields near the playground).

All players who have signed up to play on the Spring 2019 team are encouraged to attend. In addition, any student who has not yet signed up, but would like to play should attend.

Please note: a current physical must be on file with the Hancock school nurse prior to participation in practices or games. There are no exceptions to this requirement. You may print a blank copy of the PPE by using the following link:
<https://hancockdayschool.org/wp-content/uploads/GHSA-PPE-4-1.pdf>

If you can not make the practice please let the coaches know so that we can get an accurate player count for the season. Note that Hancock has no policy against students playing both Middle School Golf and SPAL Soccer, so any student who wishes to play both is invited to participate.

Please make sure to bring your cleats and shin guards. Also, please wear your Hancock PE shirt so we can easily identify the players.

If you have any questions about the 2019 season, participation or expectations please feel free to contact
Mark Herrin (markmherrin@gmail.com) or
Tim Walmsley (twalmsley317@gmail.com)
