COVID-19 RESPONSE PLAN

Health Screening Tool

1. Do you have any of the following symptoms that indicate a possible COVID-19 infection:
    - Temperature of 100.0 degrees Fahrenheit or higher when taken by mouth;
    - Headache-new onset, especially with a fever;
    - Sore throat;
    - Cough-new uncontrolled that causes difficulty breathing (or, for students with a chronic allergic/asthmatic cough, a change in their cough from baseline)
    - Diarrhea, nausea, vomiting, or abdominal pain.
    - New Loss of taste or smell

2. Have you had exposure to anyone positive for COVID or do any of your household members have COVID symptoms or are awaiting a COVID test?

Any person who answers yes to the questions above should stay at home and contact your campus nurse (student) or supervisor (staff). Staff with positive test results should contact Human Resources at 254-215-2019.

Thank you for doing your part to keep the Big Red Community safe.
