TEACHING ABOUT DRUGS, ALCOHOL, TOBACCO, GAMBLING, AND ELECTRONIC DEVICES

Charlottesville City School Board provides instruction concerning:

- drugs and drug abuse;
- the public safety hazards and dangers of alcohol abuse, underage drinking, underage marijuana use, and drunk driving;
- the health and safety risks of using tobacco products, hemp products intended for smoking, nicotine vapor products, and alternative nicotine products;
- gambling and the addictive potential thereof; **and**
- time spent using electronic devices such as computers, cell phones, and other smart devices and the addictive potential thereof.

Instruction on Opioid Overdose Prevention and Reversal in Secondary School

The Charlottesville City School Board provides a program of instruction on opioid overdose prevention and reversal in each secondary school with grades nine through 12, which includes instruction in identifying the signs of possible opioid overdose and training in the administration of an opioid antagonist for the reversal of a potentially life-threatening opioid overdose. This program is provided in grade(s) nine through 12.
