We are grateful to provide all roofing service needs:

Commercial

Our quality work has earned us a reputation for excellence, and we use premium products and materials. We offer world class commercial roofing services and products. Our team has 4million sq. ft of roofing done on commercial properties.

Military

Cool Roofs Inc has worked on military bases across the United States re-roofing onsite residential barracks. Cool Roofs has commenced work at Fort Carson Colorado, Naval Air Station in Pensacola Fl and Tyndall Air Force base in Panama City Florida.

Residential

Whether you need a new roof on your existing home or are re-roofing to include an addition to your property, Cool Roofs Inc. is the team to trust in Central, TX. Our dedicated, professional roofers are on hand to provide you with quality residential re-roofing services.

Commercial Expertise

We have assembled a team of some of the best minds to take your quote and turn it into a full fledged plan to serve all of your needs. Our team has providing millions of square feet in roofing serving grand scale commercial projects, military bases and even your local mom and pop shop.

In the last few years our team has built up a reputation for a job well done and have earned the opportunity to serve our military. Right now, Cool Roofs has been fortunate enough to work on naval bases, air hangers, camps and even military residential communities. We are proud to serve and we are proud to provide the work that we do.

National Roofing Solution

We started off as a small company 10 years ago focusing on providing the best possible roofing solutions in Central Texas. We have been providing the highest quality services in San Antonio, Corpus Christi, New Braunfels, Austin and a few more since we began.

Over the last few years our team has massively expanded our capabilities while maintaining the same exact quality assured service from when we started out in our backyard. Now we have taken on projects from coast to coast providing commercial, residential and military roofing work anywhere in our great nation.
