Dear NAME,

Hello! I'm excited to share with you my enthusiasm for Cor Christi Camp, where Catholic youth of the North Central Washington are able to share their faith and make new friends.

I am hoping to deepen my faith further by attending Cor Christi Camp this summer, July 19-24. Along with my own efforts, I am asking for donations to offset the cost of camp. This experience means a lot to me and I am responsible for raising $400 for camp.

I would appreciate it if you would consider donating to help me attend camp. While at camp, we will pray for you, so please send your prayer intentions.

Anything you can do to help would be greatly appreciated. Here is how you can donate.

2. Write a check made out to Cor Christi Camp and mail to:

Thank you for your support both financially and spiritually.

Sincerely,
