[Bsky](#) - [Twitter/X](#) - [Terms and Conditions](#) - [Imgur Portfolio](#) - [Commission Form](#)

<u>What I will draw</u>	<u>What I will not draw</u>
• OCs • Fan art • Humanoids • Individual items • Landscapes • Some Antro/furry ◦ To be discussed with me prior	• NSFW • Gore • From AI • Mech

Add-ons and additional payments

Additional characters - 100% more per additional character

Complicated armor and outfits - 50% more To be discussed with me prior as they could require more work or other fees.

Mounts and pets - 50% more To be discussed with me prior as they could require more work or other fees.

A Private commission with full ownership by the commissioner costs twice the price.

These additions may increase or decrease depending on the actual subject in question.

Commission types

Silhouette

Usually a full body shaded out with light details

Meant to show off magic with a bright background and symbolism to black

out or heavily shade the subject.
\$35 USD

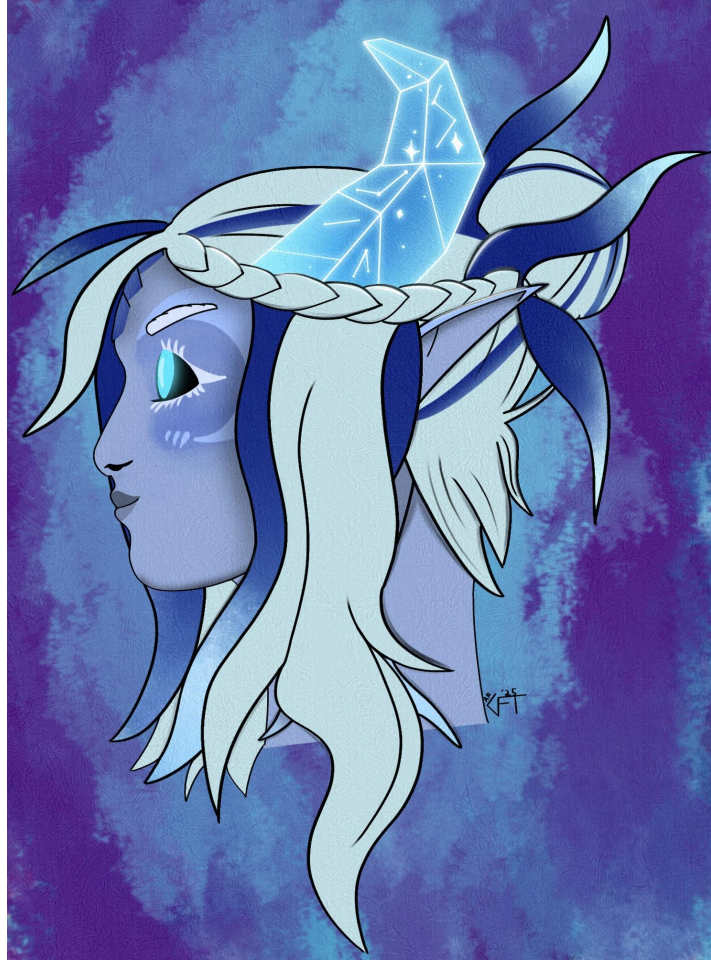

Headshots

One character | Colored | Partially Shaded
Simple or pattern background
\$35 USD

Painted Items

Painted Weapon or item

Painted digitally | Colored | Simple background | Simply shaded
\$40 USD If already designed | \$50 USD if I am designing.

Experimental pieces

Make me try something new!

These are expected to take longer as I will try a new style type, background,
or more body parts

\$55 USD
