

NCSA BOARD MEMBER APPLICATION

We are looking to grow our board in an effort to ensure that we are representative of the residents of the city of Los Angeles and in order to grow our capacity.

The board sets the direction of the NCSA, oversees finances, supports fundraising, sets the meeting agendas, selects and prioritizes issues, is responsible for both internal and external communications, establishes committees, and makes committee appointments.

Board members should offer expertise and energy. Factors to consider for board membership include: time commitment, expertise, skills to help the NCSA build its capacity, representation of Board of Neighborhood Commissioners planning areas, participation on committees, experience with neighborhood councils, ability to represent community viewpoints, and other dimensions of diversity, including race, ethnicity, and age.

We anticipate that board membership requires a minimum of 4 hours a week.
